Act No. 83-532

H. 609—Reps. Penry, McMillan

AN ACT

Relating to Baldwin County; authorizing the county commission to levy an additional sales tax paralleling the state sales tax provided for in Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4, Code of Alabama 1975, providing for the collection, distribution and use of the proceeds of such tax; providing for the enforcement of this act by the state department of revenue; and prescribing penalties and fixing punishment for violation of this act.

Be It Enacted by the Legislature of Alabama:

Section 1. The provisions of this act shall only apply to Baldwin County.

Section 2. All words, terms, and phrases as defined in Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4 of the Code of Alabama 1975, as amended, providing for the levy of a state sales tax shall, wherever used in this act, have the same meanings respectively ascribed to them in said sections, except where the context herein clearly indicates a different meaning. In addition, the following words, terms, and phrases where used in this act shall have the following respective meanings except where the context clearly indicates a different meaning:

“State sales tax statutes” means Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4 of the Code of Alabama 1975, as amended, which levy a certain retail sales tax, and include all statutes, including amendments to said sections, which expressly set forth any exemptions from the computation of the tax levied by said sections and all other statutes which expressly apply to, or purport to affect, the administration of said sections and the incidence and collection of the tax imposed therein;

“State sales tax” means the tax imposed by the state sales tax statutes;

“Month” means the calendar month;

“County” means Baldwin County.

Section 3. The county commission is hereby authorized with or without a referendum of the people, to levy and impose, in addition to all other taxes, including municipal gross receipts license taxes now imposed by law, a special county privilege license tax paralleling the state sales tax, such privilege license tax to be determined by the application of rates against gross sales or gross receipts, as the case may be, and within specified areas at the rate of 1% of the gross proceeds of sales or receipts. At its discretion, the county commission is hereby authorized to conduct a referendum election on the issue of an additional sales tax in any manner which it deems appropriate and the costs of such election shall be paid from the county general fund.

There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the state sales tax.

Section 4. The sales taxes authorized to be levied in Section 3 of this act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the months in which the tax accrues. All taxes levied in this act shall be paid to and collected by the state department of revenue at the same time and along with the collection of the state sales tax. On or prior to the due dates of the tax herein levied each person subject to such tax shall file with the state department of revenue a report or return in such form as may be prescribed by the department, setting forth, with respect to all sales and business transactions that are required to be used as a measure of the tax levied, a correct statement of the gross proceeds of all such sales and gross receipts of all such business transactions. Such report shall also include such other items of information pertinent to the said tax and the amount thereof as the state department of revenue may require. Any person subject to the tax levied may defer reporting credit sales until after their collection, and in the event such person so defers reporting them, such person shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the tax due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the Baldwin County Commission, or its designated agent, at reasonable times during business hours.

Section 5. Each person engaging or continuing within Baldwin County in a business subject to the tax levied in Section 3 of

this act, shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said sale or admission. It shall be unlawful for any person subject to the tax levied to fail or refuse to add on the sales price or admission fee and to collect from the purchaser or person paying the admission fee the amount herein required to be so added to the sale or admission price and collected from the purchaser, and it shall likewise be unlawful for any person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof.

Section 6. The tax authorized to be imposed by this act shall constitute a debt due Baldwin County and may be collected as provided by law. The said tax, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said tax is due or who is required to collect said tax. All of the provisions of the revenue laws of this state which apply to the enforcement of liens for license taxes due to this state shall apply fully to the collection of the tax herein levied, and the state department of revenue, for the use and benefit of Baldwin County shall collect such tax and enforce this act and shall have and exercise for such collection and enforcement all rights and remedies that this state or the department has for collection of the state sales tax. The state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the tax levied by this act, and to otherwise enforce the provisions of this act, including any litigation involving this act; and the department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the tax collected by it for Baldwin County.

Section 7. All provisions of the state sales tax statutes with respect to payment, assessment, and collection of the state sales tax, making of reports and keeping and preserving records with respect thereto, penalties for failure to pay the tax, the promulgation of the rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this act when applied to the tax authorized to be levied in Section 3 of this act shall apply to the county tax levied under this act. The state commissioner of revenue and the state department of revenue shall have and exercise the same powers, duties and obligations with respect to the county tax levied under this act that are imposed on such commissioner and department, respectively, by the state tax statutes. All provisions of the state sales tax statutes that are made applicable by this act to the county tax levied under this act and to the administration and

enforcement of this act are hereby incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 8. The state department of revenue shall charge Baldwin County for collecting the special county tax levied under this act such amount or percentage of total collections as may be agreed upon by the commissioner of revenue and the Baldwin County Commission, but such charge shall not, in any event, exceed ten percent of the total amount of the special county tax collected in said county under this act. Such charge for collecting such special tax may be deducted each month from the gross revenues from such special tax before certification of the amount of the proceeds thereof due Baldwin County for that month. The commissioner of revenue shall pay into the state treasury all tax collected under this act, as such tax is received by the department of revenue, and on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collection hereunder) the commissioner shall certify to the state comptroller the amount of tax collected under the provisions of this act and paid by him into the state treasury for the benefit of Baldwin County during the month immediately preceding such certification. Provided, however, that before certifying the amount of the tax paid into the state treasury for the benefit of Baldwin County during each month, the commissioner may deduct from the tax collected in said month the charge due the department for the collection of the tax for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the county treasurer of Baldwin County in his official capacity in an amount equal to the amount so certified by the commissioner of revenue as having been collected for the use of the county. All revenues arising from the taxes herein authorized to be levied shall be distributed as follows: (a) Fifty-five percent (55%) shall be distributed to the Baldwin County board of education to be utilized exclusively for capital improvement, capital construction and maintenance purposes; (b) five percent (5%) shall be distributed to Faulkner State Junior College in Bay Minette to be used as other appropriations to said school are used; and (c) forty percent (40%) shall be deposited in the general fund of the county to be expended as other county funds. Provided, however, in the initial fiscal year that this sales tax is levied, prior to any distribution provided herein, a one-time disbursement of two percent (2%) of all revenues arising from said tax shall be appropriated for the erection of a suitable county animal pound as provided in Section 3-7-7, Code of Alabama 1975. Said one-time two percent (2%) appropriation shall be made only during the fiscal year that the sales tax provided by this Act is implemented.

Section 9. The provisions of this Act are severable. If any

part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 10. All laws or parts of laws which conflict with this Act are hereby repealed.

Section 11. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Be It Enacted by the Legislature of Alabama:

Section 1. The director of the department of conservation

and natural resources is hereby authorized and empowered to promulgate rules and regulations authorizing the taking, catching or killing of non-game fish from the public waters of Jefferson County, except in municipal parks, by the use of wire baskets having a mesh of one inch or larger.

Section 2. Any person desiring a license to fish with such wire baskets in areas where they may be legalized by regulation, as provided for above, may apply to the probate judge or other appropriate licensing authority in the county and shall pay a privilege license tax of one dollar (\$1.00) for each wire basket with which he proposes to fish. The judge of probate, license commissioner or other person authorized and designated to issue fishing licenses shall be entitled to a fee of twenty-five cents for each license so issued, which fee shall be in addition to the amount designated in this Act as the cost of such license. The probate judge shall issue such license on forms provided by the department of conservation and natural resources and shall keep a permanent record of all licenses issued and all taxes received. Licenses shall be issued on a fiscal year basis and all licenses issued in any year shall expire on September 30 of that year.

The revenue derived from the sale of the license provided for in this Act shall be remitted to the department of conservation and natural resources on the first day of each month by the issuing officer and shall be covered into the state treasury to the credit of the game and fish fund.

Section 3. It shall be illegal for any person to obtain more than four (4) such licenses or fish with more than four (4) such baskets.

Section 5. All wire baskets not marked in accordance with the provisions of the preceding section shall be destroyed upon discovery by any officer, agent or employee of the department of conservation and natural resources.

Section 6. Only non-game fish may be taken, captured or killed by means of any basket that may become legal for use in such county under the provisions of this Act. All game fish taken in such baskets shall immediately be returned to the waters from whence taken with the least possible harm.

Section 7. The licenses provided for in this Act shall not be sold to any person holding a commercial fishing license or engaged

in the business of commercial fishing, and it shall be unlawful for any persons holding a wire basket license or using a wire basket under the provisions of this Act to sell or offer for sale any fish within or without any such counties. (It is the specific intent of this Act to allow the use of wire baskets to catch fish for personal consumption only.)

Section 8. It shall be illegal for any person to raise, inspect or take fish from any wire basket that may be legalized under the provisions of this Act unless such person shall hold in his name and have in his possession the license for the particular basket he is raising, inspecting or from which he is taking fish. Nothing in this section shall prevent the raising of such baskets for inspection by any officer, agent or employee of the department of conservation and natural resources.

Section 9. Any person who violates the provisions of this Act shall be guilty of a misdemeanor, and upon conviction shall be fined not less than twenty-five dollars. In addition, all basket licenses for such person shall be revoked, and no other such licenses shall be issued to him until the expiration of a period of three (3) years from the date of such conviction.

Be It Enacted by the Legislature of Alabama:

Section 1. This Act shall be known and may be cited as the "Alabama Cogeneration Act of 1983".

Section 2. It is hereby declared to be the public policy of this state to encourage the development of cogeneration facilities to conserve energy resources and further industrial economic development in this state to the extent such encouragement is not inconsistent with the maintenance of just and reasonable electric rates to con-

sumers of electric utilities. It is necessary for growth and job opportunities to encourage new investment in energy producing systems to remain competitive and allow for the sustained economic development of this state, consistent with just and reasonable treatment of electric consumers of this state.

Section 3. In furtherance of the policy set forth in Section 2, the rules and regulations relating to cogeneration facilities and cogenerators in the State of Alabama and the treatment of such facilities and cogenerators with respect to the capacity and energy produced in such facilities shall be governed by the applicable provisions of the regulations relating thereto which have been promulgated as of July 6, 1983 by the Federal Energy Regulatory Commission under Sections 201 and 210 of the Public Utility Regulatory Policies Act of 1978, ("PURPA"), 16 U.S.C. § 796 (17)-(22) and 16 U.S.C. § 824 a-3 (Supp. V); such regulations being embodied in 18 Code of Federal Regulations Sections 292.101 through 292.602. Section 4. The Alabama Public Service Commission ("the Commission") is hereby authorized and directed to take all necessary steps to implement the provisions of this Act as it affects utilities already subject to the jurisdiction of the Commission and to promulgate rules and regulations consistent with the provisions hereof. Any such rule or regulation promulgated under the Act shall be adopted pursuant to a determination by the Commission, supported by substantial evidence, that such rule or regulation is in the public interest and shall be just and reasonable to the electric consumers of any electric utility affected. Any cogenerator or electric utility may petition the Commission for appropriate relief under this Act, and the Commission will act on any such petition within 180 days. Any cogenerator or electric utility may petition the Commission for approval of a contract between them, which approval will be granted within 60 days of such petition unless the contract is clearly contrary to the policy and purposes of this Act or is otherwise unlawful. Payments required to be made by a utility to a cogenerator pursuant to any contract approved under this Act, or pursuant to other relief afforded under this Act, shall be afforded appropriate treatment by the Commission to assure full and expedient recovery in the rates charged by the utility which are subject to the Commission's jurisdiction. If the Commission action on any petition is inconsistent with the provisions of this Act, or is otherwise

unlawful, the petitioner or any party to the proceedings may bring an action within 30 days after the date of the Commission order or the expiration of the applicable 60 or 180-day period, in the Circuit Court of Montgomery County, Alabama, to seek appropriate relief consistent with the policy, purposes and provisions of this Act.

Any such license may be revoked by the Racing Commission, for good cause, and person whose license is revoked shall be ineligible to participate in such occupation connected with racing unless the license is returned by the Racing Commission with permission to operate thereunder. The Racing Commission may deny or revoke any such license to any person who has been refused or denied a license by any other state racing commission or racing authority. Any person aggrieved shall be entitled to a hearing before the Racing Commission.

Section 12. The Racing Commission shall make rules governing, permitting, and regulating the wagering on greyhound dog races under the form of mutuel wagering by patrons known as "Pari-Mutuel Wagering," which method shall be legal to the extent that and so long as the same is carried on and conducted strictly in conformity with this Act, and not otherwise. After deducting four percent (4%) for the Racing Commission and the fourteen (14%) for the licensee, the remainder of the total contributions to each pool shall be divided among and redistributed to the contributors to such pools betting on the winning dogs. The amount of each redistribution for each winning bet placed shall be determined by dividing the total amount

remaining in the pool after the deductions hereinabove provided for by the number of bets placed on the winning dogs. The licensee shall be permitted to provide separate pools for win, place, and show and also a daily double pool, a quiniela pool, a double quiniela pool, a perfecta or exacta pool, a trifecta pool and any other bets and pools as the Commission may from time to time allow. The licensee is entitled to retain the odd cents of all redistributions to be known as the "breaks to a dime," and all monies represented by any unclaimed, uncashed, or abandoned pari-mutuel tickets known as "outs" money. Should there be no ticket bet on the winning dog, the entire pool will be divided among the holders of tickets of the dog running next in line until the pool has been redistributed to the contributors. The licensee shall be required to use a totalizator system to record the wagering and to compute the odds. Rules and regulations governing the operation of each of the pools shall be established by the Racing Commission. The licensee shall collect from each person paying to attend a race meeting under the provisions of this Act ten cents as an admission tax. Licensee shall make payment of such taxes to the treasurer of the Racing Commission once each quarter (three months), which payment shall be accompanied by a report on the attendance covered by such report and such other information as the Racing Commission may require.

Passed the House July 25, 1983

Act No. 83-583

S. 544—Senator Amari

AN ACT

To establish service territories for electric suppliers in and around Tarrant City, Jefferson County, Alabama; to declare that it is the policy of the State of Alabama to ensure effective, economical and orderly supply of electric service at retail to customers in and around Tarrant City and to avoid unnecessary duplication of facilities by electric suppliers for the furnishing of retail electric service; to provide procedures for eliminating or reducing the potential for duplication of electric distribution facilities in and around Tarrant City by adopting and mandating that the procedures for elimination and prevention of the duplication of electric distribution facilities set forth in that certain agreement between Tarrant City and Alabama Power Company dated June 8, 1983 shall be the law of this State.

Be It Enacted by the Legislature of Alabama:

Section 1. Declaration of Findings and Policy.

The Legislature of the State of Alabama has investigated the economic, financial and environmental impact associated with the potential for duplication of electric distribution facilities used for the furnishing of retail electric service in and around the City of Tarrant City, Alabama ("Tarrant City"). Among its findings is that with respect to retail electric service industry, the benefits normally associated with competition between two suppliers for customers is outweighed by the tremendous cost burden which must be borne by such customers associated with the maintenance of two or more duplicate sets of facilities. It is the further finding of the Legislature that the existence of duplicate facilities for the furnishing of electricity at retail in Tarrant City is not in the public interest because of the adverse impact which such duplication has on environmental and aesthetic values and on safety. It is therefore declared that the policy of the State of Alabama is to ensure effective, economical and orderly supply of electric service at retail to customers in and around Tarrant City and to avoid unnecessary duplication of facilities by electric suppliers for the furnishing of such services in that area which would result in waste and in degradation of the environment. To accomplish these objectives, it is necessary and in the public interest to establish, mandate and implement procedures for determining which electric supplier shall furnish electric service to customers at retail in and around Tarrant City.

Section 2. Adoption of Rules and Procedures for Elimination

of Duplication of Facilities in Tarrant City.

That certain agreement dated June 8, 1983 by and between Tarrant City and Alabama Power Company, including 13 pages and a map attached as Exhibit 1 to said agreement, which said agreement is entitled Agreement between The City of Tarrant City, Alabama and Alabama Power Company, has been reviewed by the Legislature, determined to be in the public interest and found to be consistent with the purposes and policies of the State of Alabama. In the area in and around Tarrant City described in such agreement, the State of Alabama hereby orders and mandates that the procedures for elimination and prevention of the duplication of electric distribution facilities set forth in such agreement shall be followed.

Section 3. Non-Severability.

The provisions of this Act are not severable. If any part of this Act is declared invalid under the Constitution or laws of this State, such declaration shall render invalid all parts which remain.

Section 4. Repealer.

All laws or parts of laws in conflict with the provisions of this Act are hereby repealed.

Section 5. Effective Date.

This Act shall become effective immediately upon its passage and approval by the Governor or its otherwise becoming a law.

A copy of the agreement referred to in the legislation proposed above is on file and available for inspection in the Office of the Clerk of the City of Tarrant City, Alabama.

To amend Section 28-7-16, Code of Alabama 1975, relating to the levy, the collection, and the disposition of the proceeds of the tax on the sale of table wine, so as to provide further therefor.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 28-7-16, Code of Alabama 1975, is hereby amended to read as follows:

“§ 28-7-16.

“(a) Levy.—There is hereby levied in addition to the license taxes provided for by this chapter and municipal and county license taxes and in addition to any marked-up price made by the board on wine sold by the board a privilege or excise tax measured by and graduated in accordance with the volume of sales of table wine and shall be an amount equal to 45 cents per liter of table wine *sold* to the wholesale licensee or board, to be collected from the purchaser by the board or by a licensed retailer.

“(b) Collection.—The tax levied by subsection (a) of this section shall be added to the sales price of all table wine sold and shall be collected from the purchasers. The tax shall be collected in the first instance from the wholesaler where table wine is sold or handled by wholesale licensees, and by the board from whomever makes sales when table wine is sold by the board. It shall be unlawful for any person who is required to pay the tax in the first instance to fail or refuse to add to the sales price and collect from purchaser the required amount of tax, it being the intent and purpose of this provision that the tax levied is in fact a levy on the consumer. The person who pays the tax in the first instance is acting as an agent of the state for the collection and payment of the tax and as such may not collect a tax on table wine for any other level of government.

“The tax hereby levied shall be collected by a monthly return, which shall be filed by the wholesale licensees as follows: a monthly return filed with the board not later than the fifteenth day of the second month following the month of receipt of table wine by the wholesaler on a form prescribed by the board showing receipts by the wholesalers from manufacturer, importer or other wholesaler licensees during the month of receipt and the taxes due thereon at the rate of 38 cents per liter of table wine sold to the whole licensee or board; and the taxes due at such rate shall be remitted to the board along with the return; a monthly return filed with the county or municipality within which the wine is sold at retail filed not later than the fifteenth day of each month showing sales by wholesalers during the preceding month and the county or municipality in which sold and the taxes due thereon at the rate of 7 cents per liter

of table wine sold; and the taxes due at such rate shall be remitted to the county or municipality along with the return.

"The tax hereby levied shall be collected by the board on the table wine sold by the board and shall be paid as follows: taxes at the rate of 38 cents per liter of table wine sold shall be remitted by the board into the state treasury and taxes at the rate of 7 cents per liter of table wine sold shall be remitted by the board to the county or municipality within which the wine was sold at retail not later than the last day of the month following the month of sale, as set forth in subsection (c) of this section.

"The board and the governing body of each county and municipality served by the wholesaler shall have the authority to examine the books and records of any person who sells, stores or receives for the purpose of distribution, any table wine, to determine the accuracy of any return required to be filed with it.

"(c) Disposition of proceeds.—The proceeds of the tax levied by subsection (a) of this section shall be paid and distributed as follows:

"(1) Thirty-eight cents per liter of table wine sold shall be collected by the board on its sales or paid to the board by wholesale licensees on their sales, and by the board paid into the state treasury to be credited as net profits from operation of the board to be distributed as provided by law.

"(2) Seven cents per liter of table wine sold shall be paid by the board on its sales or by wholesale licensees on their sales, either into the treasury of the municipality in which the table wine was sold at retail within its corporate limits, or, where sold outside the corporate limits of any municipality, into the treasury of the county in which the table wine was sold at retail.

"(d) Tax exclusive.—The tax herein levied is exclusive and shall be in lieu of all other and additional taxes and licenses of the state, county or municipality, imposed on or measured by the sale or volume of sale of table wine; provided, that nothing herein contained shall be construed to exempt the retail sale of table wine from the levy of tax on general retail sales by the state, county or municipality in the nature of, or in lieu of, a general sales tax.

"(e) Trade between wholesalers exempt.—The tax levied by subsection (a) of this section shall not be imposed upon the sale, trade or barter of table wine by one licensed wholesaler to another wholesaler licensed to sell and handle table wine in this state, which transaction is hereby made exempt from said tax; provided, however, the board may require written reporting of any such transaction in such form as the board may prescribe."

S. 468—Senators Aldridge and Bishop
AN ACT

To provide a statement of public policy and legislative intent underlying its enactment; to provide that the measure of damages in any civil action for the unauthorized extraction, severance, injury or removal of coal from land performed in good faith shall be the fair market value of the coal in place before severance as of the time of extraction, severance, injury or removal; to provide that the measure of damages in all other civil actions for the unauthorized extraction, severance, injury or removal of coal shall be the fair market value of the coal after severance, at the time and place of severance, without allowance for labor and expenses; to provide for its retroactive application; to provide for the severability of the provisions of this Act; and to provide for the manner in which it shall become law.

Be It Enacted by the Legislature of the State of Alabama:

Section 1. Declaration of public policy and legislative intent. The objective of this article is to specify the measure of damages for the unauthorized removal of coal in Alabama. It is declared that the extraction of coal provides a major present and future source of energy and is an essential and necessary activity which contributes to the economic and material well-being of the State. In the absence of a reasonable measure of damages as specified herein confusion could result in the coal industry causing financial distress and unemployment, and may cause the abandonment and prevent the use of many coal mines. This State has a public interest in removing this hazard and precluding this confusion and distress without doing violence to private rights.

Section 2. Measure of damages for the unauthorized removal

of coal. (a) The measure of damages in any civil action for the unauthorized extraction, severance, injury or removal of coal from land, including but not limited to, actions for trespass or conversion, when the extraction, severance, injury or removal is in good faith shall be the fair market value of the coal in place before severance as of the time of extraction, severance, injury or removal. The fair market value of the coal in place shall be calculated as the royalty rate prevailing at the time and place of severance.

Section 2(b). The measure of damages in all other civil actions for the unauthorized extraction, severance, injury or removal of coal from land, including but not limited to, actions for trespass or conversion, shall be the fair market value of the coal after severance, at the time and place of severance, without allowance for labor and expenses.

Section 3. This article applies retroactively. This article shall apply to causes of action and actions then existing or thereafter arising when this article becomes effective.

Section 4. If any section, clause, provision or portion of this Act shall be held invalid or unconstitutional by any Court of competent jurisdiction, such holding shall not affect any other section, clause or provision of this Act which is not in and of itself invalid or unconstitutional.

Section 5. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming law.

To amend Section 11-50-411 of the Code of Alabama 1975 so as to provide further for the computation and disposition of the net income of gas districts incorporated pursuant to Article 12 of Chapter 50 of Title 11 of the Code of Alabama 1975, as amended.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 11-50-411 of the Code of Alabama 1975 shall be and hereby is amended to read as follows:

“§11-50-411. All the net income of the gas transmission system or systems, for each fiscal year, of a gas district incorporated under this article shall, unless otherwise provided in the certificate of incorporation of such district, be divided, within a reasonable time after the close of each fiscal year, among its member municipalities in proportion to the amount of gas sold to or within each such municipality.

All the net income of each gas distribution system, for each fiscal year, of any such district shall, unless otherwise provided in its certificate of incorporation, be distributed and paid, within a reasonable time after the close of each fiscal year, to the municipality or municipalities within which such distribution system is located.

The term “net income” as used in the preceding two paragraphs of this section 11-50-411 shall mean, with respect to the system or systems and for the fiscal year in question, the net income thereof computed in accordance with generally accepted accounting principles plus depreciation and amortization less the sum of the following:

(a) all sums required during such fiscal year for the payment of principal and interest on its bonds and all sums required to be paid during such fiscal year into special funds or otherwise obligated by the terms of the mortgages, indentures of trust, security agreements or bond resolutions under and pursuant to which its bonds were issued (other than such as constituted operating expenses and were taken into consideration in the determination of “net income computed in accordance with generally accepted accounting principles”),

(b) all sums expended during such fiscal year for capital addi-

tions and improvements to such system or systems or for retirement of debt not previously funded and paid with internally generated funds from operations (not including, however, any sums expended for either of such purposes out of any special funds referred to above),

(c) an amount which, when added to the amount (if any) held in reserve at the end of such fiscal year for future expenses of operating such system or systems, will equal 50% of the estimated expenses of operating such system or systems for the then current fiscal year (not including, as an expense of operating any such system or systems, the cost of any purchased gas), and

(d) an amount which, when added to the amount (if any) held in reserve at the end of such fiscal year for future capital additions and improvements to such system or systems, will equal a reasonable reserve (the minimum amount of which may be specified in the certificate of incorporation of such district but which, subject to any such specification, shall be determined by the board of directors of such district) for future capital additions and improvements to such system or systems.

If any gas district incorporated under the provisions of this article provides, in its certificate of incorporation, for the disposition of the net income of all its gas transmission and distribution systems in the same manner, it may, for purposes of such disposition, compute net income for all its gas transmission and distribution systems as a unit rather than separately."

S. 227—Senator deGraffenried

AN ACT

To create a preretirement death benefit program which shall be effective to all employees covered under the Teachers' Retirement System of Alabama and the Employees' Retirement System of Alabama and to provide for the administration thereof. To give the boards of control authority to provide said death benefit in the form of group life insurance upon determination that to do so would generate a more

favorable tax treatment to the beneficiaries to whom said benefit is payable, and to provide for the implementation of said program. To further provide and define the corporate powers and status of the Teachers' Retirement System and the Employees' Retirement System.

Be It Enacted by the Legislature of Alabama:

Section 1. There shall be created the preretirement death benefit program effective October 1, 1985, which shall be effective as of that date to all employees covered under the teachers' retirement system of Alabama and the employees' retirement system of Alabama. In the event the conditions prescribed in Section 5 hereof shall occur prior to October 1, 1985, the death benefit plan established herein shall become effective upon certification and adoption by a joint resolution of the teachers' and employees' retirement systems' boards of control.

Section 2. A separate fund to be known as the preretirement death benefit fund is hereby established within the employees' retirement system of Alabama and the teachers' retirement system of Alabama to be held in trust by the respective boards of control. Such fund shall consist of all monies paid by the employers for preretirement death benefit purposes, and of the investment earnings upon such monies, and shall be used only to pay the preretirement death benefits prescribed by Section 3 hereof. Concurrent with the determination of the initial liability of this program for the fiscal year on and after the effective date of the program, there shall be transferred from the pension accumulation fund of each system to the fund created by this section such amounts, as shall be determined by the actuary, necessary to pay anticipated death benefit claims. Subsequent transfers shall be made if necessary to pay the benefits prescribed in Section 3 hereof.

Section 3. Upon receipt of proof satisfactory to the respective board of control, of the death of a contributing member, in-service, who had completed at least one year of contributing membership; or of the death of a contributing member as a result of an injury arising out of and in the course of the performance of his duties regardless of length of membership, there shall be paid to such person as he shall have nominated for the refund of his accumulated contributions in the event of his death, if such person is living at the time of said member's death, otherwise to the member's estate, a death benefit equal to the annual earnable compensation of the member as reported to the retirement systems for the preceding fiscal or scholastic year as the case may be; provided that in the event of the death of a contributing member to whom such benefit is payable who has completed less than one year of contributing membership service said benefits shall be equal to the annual earnable compensation of the member at the time his death occurs. Such

death benefit shall be payable in lieu of the matching amount equal to the accumulated contributions of the member not to exceed \$5,000 pursuant to the provisions of §§36-27-16(c)(3) and 36-27-16(c)(4) or §§16-25-14(g)(3) and 16-25-14(g)(4). For purposes of this section, a member shall be deemed to be in-service on the date of his death if his last day of actual service occurred not more than 90 days before the date of his death, provided that he shall not have retired or made application for refund of his contributions.

Section 4. The boards of control are authorized to take such action as may be necessary to provide the death benefit under this section in the form of group life insurance upon determination that to do so would guarantee a more favorable tax treatment to the beneficiaries to whom such benefit is payable.

Section 5. Should the actuaries employed by the respective boards of control certify a decrease in the rate of employer contributions as set forth in subdivisions (3) and (5) of §16-25-21 and subdivisions (d) and (f) of §36-27-24, the boards of control may by joint resolution declare the provisions of this act to become effective on October 1 next following the adoption of said resolution. Amounts sufficient to fund the provisions of this act shall thereafter be made in the same manner as the regular appropriations to the teachers' and employees' retirement systems, and shall be deposited in the fund established in Section 2 hereof.

Section 6. It is the purpose of this section to clarify the corporate status of the employees' retirement system of Alabama and the teachers' retirement system of Alabama, as suggested by the supreme court of Alabama in its order of May 6, 1983, and to confirm the contents of SJR 28 adopted on January 12, 1983, whereby the legislature expressed its intent relative to the corporate status of the retirement systems of Alabama.

(a) §36-27-2, Code of Alabama 1975, is hereby amended to read as follows:

“§36-27-2.”

“A retirement system is hereby established as a body corporate and placed under the management of the board of control for the purpose of providing retirement allowances and other benefits under the provisions of this article for employees of the state of Alabama. The retirement system so created shall be established as of October 1, 1945. It shall have the power and privileges of a corporation and shall be known as the ‘employees’ retirement system of Alabama,’ and by such name all of its business shall be transacted, all of its funds invested and all of its cash and securities and other property held in trust for the purpose for which received.”

(b) §16-25-2, Code of Alabama 1975, is hereby amended to read as follows:

“§16-25-2”

“There shall be a retirement system which shall constitute a body corporate and shall be under the management of the board of control for the purpose of providing retirement allowances and other benefits under the provisions of this chapter for teachers of the state of Alabama. The retirement system shall be established as of October 1, 1940, or as soon thereafter as the governor by proclamation declares the funds accruing to the teachers’ retirement system of Alabama are sufficient to meet the obligations of the ‘normal contribution’ on October 1, of a year following 1940. It shall have the power and privileges of a corporation and shall be known as the ‘teachers’ retirement system of Alabama,’ and by such name all of its business shall be transacted, all of its funds invested and all of its cash and securities and other property held in trust for the purpose for which received.”

Section 7. Any provision of law to the contrary notwithstanding, the boards of control of the teachers’ retirement system of Alabama and the employees’ retirement system of Alabama shall have vested in them all powers necessary to fulfill their fiduciary duty as trustees to members of each respective system including the power to sue and be sued, complain and defend in their own names; provided, however, that as instrumentalities of the state funded by the state, the retirement systems, their officers, and employees shall be immune from suit to the same extent as the state, its agencies, officers, and employees.

Section 8. This act shall become effective immediately upon its passage and approval by the governor, or upon its otherwise becoming a law.

To amend Sections 32-5-192, 32-5A-191, 32-5A-192, 32-6-19, and 11-45-9, Code of Alabama 1975, relating to offenses and penalties for refusal to submit to a chemical test under 32-5-192 (Implied Consent); to generally increase the penalties and other

sanctions for violation of 32-5A-191 (DUI); to clarify the penalty for violation of 32-5A-192 relating to Homicide by Vehicle; to generally increase the penalty for violation of Section 32-6-19 relating to Driving While Revoked; and to allow municipal courts to enforce increased penalties under 32-5A-191 (DUI) by amending 11-45-9, and to provide that any person arrested for violating the provisions of this act shall not be released from jail under bond or otherwise, until there is less than the same percent by weight of alcohol in his blood as specified in Section 32-5A-191(a)(1).

Be It Enacted by the Legislature of Alabama:

Section 1. Sections 32-5-192, 32-5A-191, 32-5A-192, 32-6-19 and 11-45-9, Code of Alabama 1975, are hereby amended to read as follows:

“§ 32-5-192. (a) Any person who operates a motor vehicle upon the public highways of this state shall be deemed to have given his consent, subject to the provisions of this division, to a chemical test or tests of his blood, breath or urine for the purpose of determining the alcoholic content of his blood if lawfully arrested for any offense arising out of acts alleged to have been committed while the person was driving a motor vehicle on the public highways of this state while under the influence of intoxicating liquor. The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor. The law enforcement agency by which such officer is employed shall designate which of the aforesaid tests shall be administered. Such person shall be told that his failure to submit to such a chemical test will result in the suspension of his privilege to operate a motor vehicle for a period of 90 days; provided if such person objects to a blood test, the law enforcement agency shall designate that one of the other aforesaid tests be administered.

“(b) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (a) of this section and the test or tests may be administered, subject to the provisions of this division.

“(c) If a person under arrest refuses upon the request of a law enforcement officer to submit to a chemical test designated by the law enforcement agency as provided in subsection (a) of this section, none shall be given, but the director of public safety, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer, shall, on the first refusal, suspend his license or permit to drive, or

the privilege of driving a motor vehicle on the highways of this state given to a nonresident; or if the person is a resident without a license or permit to operate a motor vehicle in this state, the director shall deny to the person the issuance of a license or permit, for a period of 90 days, subject to review as hereinafter provided. For a second or subsequent refusal of such test within a 5-year period, the director, upon said receipt of a sworn report, shall suspend his license or permit to drive, or the privilege of driving a motor vehicle on the highways of this state given to a nonresident for a period of one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, the director shall deny to the person the issuance of a license or permit, for a period of one year subject to review as hereinafter provided. If such person is acquitted on the charge of driving a motor vehicle upon the highways of this state while under the influence of intoxicating liquor, then in that event the director of public safety may, in his discretion, reduce said period of suspension.

“(d) Upon suspending the license or permit to drive or the privilege of driving a motor vehicle on the highways of this state given to a nonresident or any person, or upon determining that the issuance of a license or permit shall be denied to the person, as hereinbefore in this section directed, the director of public safety or his duly authorized agent shall immediately notify the person in writing and upon his request shall afford him an opportunity for a hearing in the same manner and under the same conditions as is provided in section 32-6-16, for notification and hearings in the cases of suspension of licenses; except, that the scope of such a hearing for the purposes of this section shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer. Whether the person was informed that his privilege to drive would be suspended or denied if he refused to submit to the test shall not be an issue. The director of public safety shall order that the suspension or determination that there should be a denial of issuance either be rescinded or sustained.

“(e) If the suspension or determination that there should be a denial of issuance is sustained by the director of public safety or his authorized agent upon such hearing, the person whose license or permit to drive or nonresident operating privilege has been suspended or to whom a license or permit is denied, under the provisions of this section, shall have the right to file a petition in the appropriate court to review the final order of suspension or denial by the director or his duly authorized agent in the same manner and

under the same conditions as is provided in section 32-6-16 in the cases of suspensions and denials.

“(f) When it has been finally determined under the procedures of this section that a nonresident’s privilege to operate a motor vehicle in this state has been suspended the director shall give information in writing of the action taken to the motor vehicle administrator of the state of the person’s residence and of any state in which he has a license.

“§ 32-5A-191. (a) a person shall not drive or be in actual physical control of any vehicle while:

“(4) Under the combined influence of alcohol and a controlled substance to a degree which renders him incapable of safely driving; or

“(5) Under the influence of any substance which impairs the mental or physical faculties of such person to a degree which renders him incapable of safely driving.

“(b) The fact that any person charged with violating this section is or has been legally entitled to use alcohol or a controlled substance shall not constitute a defense against any charge of violating this section.

“(c) Upon first conviction, a person violating this section shall be punished by imprisonment in the county or municipal jail for not more than one year, or by fine of not less than \$250.00 nor more than \$1,000.00, or by both such fine and imprisonment. In addition, on a first conviction, the director of public safety shall suspend the driving privilege or driver’s license of the person so convicted for a period of ninety (90) days. First time offenders convicted of driving while under the influence of alcohol shall also be required to complete a DUI court referral program approved by the state administrative office of courts. Neither reckless driving nor any other traffic infraction is a lesser included offense under a charge of driving while under the influence of alcohol or controlled substances.

In addition, the director of public safety shall revoke the driving privilege or driver's license of the person so convicted for a period of three years.

“(f) All fines collected for violation of this section resulting from arrests by state officers shall be paid into the state general fund; all fines so collected for violations resulting from arrests by county or municipal officers shall be disbursed as is otherwise provided for by law.

“(g) A person who has been arrested for violating the provisions of this act shall not be released from jail under bond or otherwise, until there is less than the same percent by weight of alcohol in his blood as specified in subsection (a)(1) hereof.

“§ 32-6-19.

“Any person whose driver's or chauffeur's license issued in this or another state or whose driving privilege as a nonresident has been cancelled, suspended or revoked as provided in this article and who drives any motor vehicle upon the highways of this state while such license or privilege is cancelled, suspended or revoked shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than \$100.00 nor more than \$500.00, and in addition thereto may be imprisoned for not more than 180 days. Also, at the discretion of the director of public safety, such person's license may be revoked for an additional revocation period of six months.

“§ 32-5A-192.

“(a) Whoever shall unlawfully and unintentionally cause the death of another person while engaged in the violation of any state law or municipal ordinance applying to the operation or use of a vehicle or to the regulation of traffic shall be guilty of homicide when such violation is the proximate cause of said death.

“(b) Any person convicted of homicide by vehicle shall be fined

not less than \$500.00 nor more than \$2,000.00, or shall be imprisoned for a term not less than one year nor more than five years, or may be so fined and so imprisoned.

Act No. 83-644

H. 296—Rep. Holley

AN ACT

To provide for fair dismissal procedures for non-teachers and non-certified or classified employees in the public school systems, two-year institutions under control of the State Board of Education, the Department of Youth Services and the Alabama Institution for Deaf and Blind, who are not otherwise covered by the State's Merit System, the Teacher Tenure Law, or other state statutes at the time this Act is adopted; to provide procedural and substantive due process of law for dismissal for just cause before the employing board after the employee completes the probationary period of employment and thereafter gains permanent status; to provide for an employee review panel to hear contested termination of employment and transfer; and to provide for review of the decisions of the employing board.

Be It Enacted by the Legislature of Alabama:

Section 1. Definition of employees.

The term "employees," as used in this Act, is deemed to mean and include all persons employed by county and city boards of education, two-year educational institutions under the control and auspices of the State Board of Education, the Alabama Institute for Deaf and Blind not to include production workers at the Alabama Industries for the Blind, educational and correctional institutions under the control and auspices of the Alabama Department of Youth Services, who are so employed as bus drivers, lunchroom or cafeteria workers, maids and janitors, custodians, maintenance personnel, secretaries and clerical assistants supervisors and all other persons not otherwise certified by the State Board of Education. Only full-time employees who are not otherwise covered by the State Merit System, the Teacher Tenure Law, or other state statute at the time this act is adopted are intended to be covered by this Act. Full-time employees include (a) adult bus drivers and (b) other employees whose duties require twenty (20) or more hours in each normal working week of the school term, employing board holidays excepted. Substitute teachers and substitute employees are excluded from the Act.

Section 2. Probationary period.

(a) All employees as defined in Section 1 of this Act shall be deemed employed on a probationary status for a period not to exceed three years from the date of his or her initial employment, or a lesser period which may be fixed by the employing authority.

(b) During said probationary period, the employing authority shall cause the employee's performance to be evaluated.

(c) At any time during the employee's probationary period, the employing authority may remove an employee by furnishing said employee written notification at least fifteen (15) days prior to the effective day of termination.

Section 3. Non-probationary status.

Upon the completing by the employee of said probationary period, said employee shall be deemed employed on a non-probationary status and said employee's employment shall thereafter not be terminated except for failure to perform his or her duties in a satisfactory manner, incompetency, neglect of duty, insubordination, immorality, justifiable decrease in jobs in the system, or other good and just causes; provided, however, such termination of employment shall not be made for political or personal reasons on the part of any party recommending or voting to approve said termination.

Section 4. Termination of Employment.

Employment of an employee on permanent status must be terminated only in the following manner:

The employing board of education shall give notice in writing to the employee, stating in detail the reasons for the proposed termination, the facts upon which such reasons are based, and giving notice of the employee's rights to a hearing as set out herein. Said action of giving notice of termination shall be made only upon recommendation of the superintendent and upon approval of a majority of the members of the employing board which action shall be reflected in the board minutes.

Section 5. Notice of Termination; Right to hearing.

Notice to the employee shall be served either by personal service or by United States registered or certified mail with postage prepaid thereon, to said employee's last known address. The employing board may suspend said employee with pay until the charges are heard and determined. This section, however, does not mandate pay in cases involving moral turpitude. If such charges are found to be unfounded, pay would be reinstated. Such notice shall also inform the employee that in order to contest said termination, the employee must file with the employing board, within fifteen (15) days after receipt of such notice, notice of an intention to contest

the termination of said contract. If the employee does not file an intention to contest with the employing board within fifteen (15) days after receipt of such notice of intention to terminate said contract, then the employing board may dismiss the employee by a majority vote and such dismissal shall be final.

Section 6. Appellate Process to Contest Termination.

An appeal of the decision of the employing board may be filed by the employee within fifteen (15) days of receipt of the board's decision by mailing a notice to the superintendent of education and/or president of the junior/technical or community college or institution. Upon receipt of the request, the employing board and the employee may (1) mutually agree upon a person to hear the employee's appeal or (2) select a panel of three persons, one selected by the employing board, and another selected by the employee and a third agreed upon by the two parties listed herein above which shall constitute an employee review panel to hear the employee's appeal. If there is no agreement on the selection of a third member within ten (10) days following the selection of the second member, the Probate Judge of the county in which the dispute originated shall submit the names of three individuals who are qualified electors of that same county who, in the Probate Judge's opinion, would be qualified through their experience and training to render a fair and impartial decision as the third member of the employee review panel and said persons selected for membership on the employee review panel shall not be currently employed in the field of education. From these three names, the employing board shall then strike the first name and the employee shall strike the second name with the person whose name remains becoming the third member of the employee review panel.

Section 7. Hearing Process.

Upon the employee review panel's selection to hear a case, the panel shall within ten (10) days establish a date, place, and time for the hearing to be conducted. The date of such hearing shall in no case be later than sixty (60) days following the decision of the employing board. Upon the completion of a de novo hearing, the panel's decision must be rendered within forty-five (45) days. The parties shall have the right of counsel or representation of their choosing. In making its decision, the panel shall consider whether the action of the board or its administrative staff was arbitrary or unjust or for political or personal reasons on the part of any member of the board or its staff and whether the board's action was warranted based upon the facts of the case and the employment record of the employee. The decision of the panel shall be final and binding upon the parties. Expenses and fees of the employee review panel

shall be shared equally by the board and employee.

Section 8. Transfer.

The employing board shall have authority to transfer employees, however, such transfer shall be based upon good and just cause needs of the school or institution and shall not be for political or personal reasons on the part of the recommending authority or any member of the employing board and shall be without loss of status for the employee. Appeals of a decision to transfer shall be handled in the same manner as for termination and the decision of the employee review panel shall be final and binding on the parties.

Section 9. Discipline.

The employing board of education shall have authority to reprimand, censure, or suspend with or without pay, an employee for just cause. Such action on the part of the employing board or its management shall not be for political or personal reasons on the part of the recommending authority or any member of the employing board. The employee shall have the right to contest the board's action by appealing through the same manner as for termination and the decision of the employee review panel shall be final and binding on the parties.

Section 10. Severability.

If any section, clause, provision or portion of this Act shall be held invalid or unconstitutional by any court of competent jurisdiction, such holding shall not effect any other section, clause, provision or portion of the Act which is not in and of itself invalid or unconstitutional.

Section 11. Repealer.

All laws or parts of laws inconsistent or in conflict with the provisions of the Act are hereby expressly repealed.

Section 12. Effective date.

This Act shall become effective immediately upon its passage and approval by the Governor or upon its otherwise becoming a law.

H. 450—Reps. Coleman, Junkins, Newman,

AN ACT

To provide for and regulate through licensure and registration the business of selling or leasing of timesharing vacation facilities; to place certain duties on the Real Estate Commission and the Attorney General, or the District Attorney of any county of the State of Alabama; and to provide penalties for violations of this act or rules, regulations, and orders issued under the authority thereof.

Be It Enacted by the Legislature:

Section 1. For the purposes of this act the following terms shall have the meanings respectively ascribed to them by this

section:

(1) **ACCOMMODATIONS.** Any hotel or motel room condominium, or cooperative unit, cabin, lodge, apartment or any other private or commercial structure designed for occupancy by one or more individuals or any recreational vehicle campsite or campground.

(2) **BUSINESS ENTITY.** Any individual, corporation, firm, association, joint venture, partnership, trust, estate, business trust, syndicate, fiduciary, and any other group or combination which engages in acts or practices in any trade or commerce.

(3) **CONTRACT.** Any contract, promissory note, credit agreement, negotiable instrument, lease, use agreement, license, security or other muniment conferring on the purchaser the rights, benefits and obligations of a vacation time sharing plan.

(4) **COMMISSION.** The Alabama Real Estate Commission.

(5) **COMMISSIONER.** A member of the Alabama Real Estate Commission.

(6) **FACILITIES.** Any structure, service or property whether improved or unimproved made available to the purchaser for recreational, social, family or personal use.

(7) **SELLER.** Any owner of a vacation time sharing plan or any business entity, including but not limited to an agent, dealer, distributor, franchiser, subsidiary, assignee, reseller, broker or any other representative thereof who, for a fee, commission or other valuable consideration, negotiates or attempts to negotiate the listing, sale, auction, purchase, exchange or lease of any real estate or the improvements thereon or collects rents or attempts to collect rents, or who advertises or holds himself out as engaged in any of the foregoing activities. Provided however, that the provisions of this act shall not be applicable to:

b. Agencies and instrumentalities of the state or federal government nor to employees of any lender or public officials making appraisals for federal, state or local units of government, nor to anyone making appraisals through such employees for lending or governmental purposes.

And provided further that the sales licensure provisions of this act shall not be applicable to the sale of real estate by anyone who owns a fee simple interest of at least ten percent therein, or to the attorney at law of such owner acting within the scope of his duties as an attorney at law. Ownership of stock in a corporation is not ownership of an interest in real estate owned by the corporation and

does not exempt such stockholder from any provision of this act unless the stockholder owns or controls at least ten percent of the stock of the corporation. This provision exempts owners from only the sales license requirements of this act. All other requirements of sellers under this act shall apply to owners of vacation time sharing plans.

(8) **VACATION TIME SHARING OWNERSHIP PLAN.** Any arrangement, plan, or similar device, whether by tenancy in common, sale, deed or by other means, which is subject to supplemental agreement or contract for use of the time sharing unit, whereby the purchaser receives an undivided fee simple ownership interest in and the right to use accommodations or facilities, or both, for a specific period of time during any given year, but not necessarily for consecutive years, which extends for a period of more than one year.

(9) **VACATION TIME SHARING LEASE PLAN.** Any arrangement, plan, or similar device, whether by membership agreement, lease, rental agreement, license, use agreement, security or other means, whereby the purchaser receives a right to use accommodations or facilities, or both, but does not receive an undivided fee simple interest in the property, for specific period of time during any given year, but not necessarily for consecutive years, and which extends for a period of more than one year.

Such lease plans shall not include an arrangement or agreement whereby a purchaser in exchange for an advance fee and yearly dues is entitled to select from a designated list of facilities located in more than one state accommodations, of companies which operate in at least nine states in the United States through franchises or ownership, for a specified time period and at reduced rates and under which no interest in real property is transferred.

(10) **VACATION TIME SHARING PLAN.** Either a vacation time sharing ownership plan or a vacation time sharing lease plan as defined herein.

(11) **TIME SHARING UNIT.** The actual accommodations and related facilities which are the subject of the vacation time sharing ownership plan or lease plan.

(12) **SUBSTANTIALLY COMPLETE.** All structural components and mechanical systems of all buildings containing or comprising any time sharing unit, facilities, or accommodations are finished in accordance with the plans of specifications of the project as evidenced by a recorded certificate of completion executed by an independent registered surveyor, architect or engineer.

(13) **UNIT WEEK.** A number of consecutive days, normally seven consecutive days in duration, which may reasonably be as-

signed to purchasers of vacation time sharing plans by the seller.

(14) **RECEIVABLE.** Any note, contract, promise or any other agreement to pay a fixed or determinable amount of money which, for the purposes of this act, shall not be in arrears for more than ninety days.

(15) **FACE VALUE.** The principal amount of money represented by any receivable as defined in item (14), together with the amount of all interest collected thereon.

(16) **ESCROW AGENT.** A bank or trust company doing business in this state or a bonded trust agent bonded in at least the amount of the trust; provided, however, that nothing contained in this act shall operate to prevent investment of funds escrowed pursuant to this act by the bank, trust company or bonded agent and to pay all interest and dividends to the seller of vacation time sharing plans.

(17) **ESCROW ACCOUNT.** Any funds held or maintained by an escrow agent.

(18) **VACATION TIME SHARING SALES LICENSE.** A license issued by the Commission authorizing individuals to act as sellers of vacation time sharing plans.

(22) **MANAGING AGENT.** Any person engaged by the association to manage the timeshare plan and the timeshare property.

(23) **VACATION TIME SHARING OWNERSHIP PLANS.** Such term shall mean and include:

a. Time sharing ownership plans whereby purchasers are deeded an undivided interest in the facilities with a right to use designated accommodations for a specific period of time during any given year, but not necessarily for consecutive years, which extends for a period of more than one year; and

b. Interval ownership plans, whereby purchasers are deeded title to designated time sharing units, accommodations or facilities for a specific period of time during any given year, but not necessarily

for consecutive years, which extends for a period of more than one year, with remainder after such period to interval plan owners as tenants in common.

(24) QUALIFYING BROKER. A person who is licensed by the Commission as a real estate broker as well as a seller of vacation time sharing plans and who serves in a supervisory capacity to all other licensees acting as sales agents for the vacation time sharing plans which the qualifying broker represents.

Section 2. It shall be a violation of this act for any seller of vacation time sharing plans to:

(1) Sell, lease, encumber or convey in any manner or to solicit or advertise such transactions unless the seller has been duly licensed under the provisions of Section 17 hereunder and unless the vacation time sharing plan and the units thereby affected have first been registered with the Commission. Provided, however, that the registration requirements of this act shall not apply to nor restrict the listing and resale of any vacation time sharing plan when:

a. The vacation time sharing plan to be resold is within an existing time sharing facility currently registered with the Commission pursuant to the requirements of this act;

b. The vacation time sharing plan to be resold is subject to the identical rules, regulations, conditions or limitations on the use of the accommodations or facilities which affect all other vacation time sharing plans within that time sharing facility.

(2) Fail to provide, at the time of registration, to the Commission the following materials, or fail to provide any amendments or changes therein made while sales continue:

a. A copy of the contract by which the rights and obligations of the parties are established.

b. Copies of promotional brochures, pamphlets, advertisements or other material disseminated to the public in connection with the sale of the vacation time sharing plan and verbatim scripts of all radio and television advertising in connection therewith.

c. A statement of the type and business entity through which the business of selling vacation time sharing plans is carried out, including a list of the names and addresses of all directors, principal officers, dealers, distributors and sales personnel soliciting in or from the State of Alabama, and the name and address of the business agent for service of process within the State.

d. Copies of all rules, regulations, conditions or limitations on use of the accommodations or facilities available pursuant to the vacation time sharing plan.

e. A statement as to the existence of all liens on the accommodation or facilities which could affect the rights of the purchaser or his assignee, together with the location, date and filing book and page number where such liens are recorded.

f. A synopsis of any sales presentation made by the seller to the purchaser over the telephone or other electronic device.

g. A projected budget of all recurring expenses which may become the responsibility of all time sharing purchasers.

h. Evidence that the time sharing plan owner or his agent shall furnish a surety bond payable to the State of Alabama in the amount of \$100,000, or \$5,000.00 per time sharing unit, whichever is greater, with a surety company authorized to do business in Alabama, which bond shall provide that the obligor therein will pay up to \$100,000.00 the aggregate sum of all judgments which may be recovered against the vacation time sharing plan owner or seller for any actual loss or damage arising against such vacation time sharing plan owner or seller from the activities of the time sharing plan owner or seller, or other agents or representatives, conducted under this act. Such bond must remain in effect for as long as the time sharing plan shall be registered. In the event such bond is revoked by the surety company, the time sharing owner shall have 10 days in which to obtain a new bond and file such with the Commission. The lack of a bond shall be grounds for the suspension of the registration of the time sharing plan.

Upon receipt of all items required by this Section, the commission shall determine the sufficiency thereof and upon satisfactory compliance with this act, shall issue its order approving their use. The vacation time sharing plan shall then be deemed registered. Promotional or advertising material developed after the initial registration of a time sharing plan may be used without prior approval of the Commission provided that such material is in compliance with this act and further provided that it is submitted to the Commission within ten days after its initial public use.

(3) Fail to include in all advertising of any vacation time sharing plan a statement which clearly states that the seller is offering a time sharing interest.

(4) Fail to include in all advertising of any vacation time sharing plan which offers a time sharing interest of less than fee simple a statement which clearly states that the interest being offered is less than a fee simple ownership interest.

Section 3. It shall be a violation of this act for any owner or business entity offering vacation time sharing plans for sale to the public to fail to keep among its business records the following:

(1) A copy of each item required to be submitted to the commission under Section 2 of this act.

(2) A copy of the contract from each sale of the vacation time sharing plan, which contract shall be retained for a period of at least three years after parties to the vacation time sharing plan have completely performed all of their obligations thereunder.

(3) A list of all employees directly involved in the development, sale, or advertising of the vacation time sharing plan or plans, including their last known mailing addresses, which list shall include all current employees and all previous employees whose employment has been terminated within the preceding thirty-six months.

Section 4. It shall be a violation of this act for the seller of a vacation time sharing plan to fail to utilize and furnish the buyer with a fully completed copy of a contract pertaining to such sale at the time of its execution which shall include:

(1) The actual date the contract is signed by all parties.

(2) The name and address of the seller.

(3) In immediate proximity to the space reserved in the contract for the signature of the buyer and in no smaller type than contained in the body of the contract:

a. In the case of a vacation time sharing lease plan, the following statement:

"You may cancel this contract without penalty or obligation within five days, not including Sunday if that is the fifth day, from the above date. You may also cancel this contract at any time in case the accommodations or facilities are no longer available as provided in the contract. If you decide to cancel, you must notify the seller in writing of your intent to cancel by sending notice to (name of seller) by certified mail, return receipt request at (seller's address)."

b. In the case of a vacation time sharing ownership plan, the following statement:

"You may cancel this contract without penalty or obligation within five days, not including Sunday if that is the fifth day, from the above date, by notifying the seller in writing of your intent to cancel, sending his notice thereof by certified mail, return receipt requested."

c. It shall be a violation of this act for the seller of a vacation time sharing ownership plan to fail to furnish the buyer with an inventory of all furniture, fixtures and appliances which will be located in the accommodation during the time period purchased

under a vacation time sharing ownership plan or at closing.

Section 5. It shall be a violation of this act for the seller of vacation time sharing plans, or his assignees, to fail or refuse to honor a buyer's request to cancel a contract as provided by Section 4 of this act if such request is made; provided however, nothing contained in this section shall operate to deny the seller the option to repair, replace or reconstruct within a reasonable time the accommodations or facilities if destroyed or damaged; provided that such repair, replacement or reconstruction shall bring such accommodations or facilities back to a state reasonably the same as before the damage or destruction.

Section 6. It shall be a violation of this act for a seller of vacation time sharing plans to:

(1) Fail to refund any and all payments made by the buyer under the contract and return any negotiable instrument, other than checks, executed by the buyer in connection with the contract or services within twenty days after receipt of notice of cancellation made pursuant to Section 4 of this act, if the buyer has not received any benefits pursuant to the contract.

(2) If the buyer has received any benefits pursuant to the contract, fail to refund within thirty days after receipt of notification of cancellation made pursuant to Section 4 or Section 5 of this act any and all payments made by the buyer to the seller which exceed a pro rata portion of the total price, taking into consideration the cost of use of the time share facilities at an average rental rate per unit for all time share units, representing the proportion of any contract benefits actually received by the buyer during the time preceding cancellation.

(3) Fail to place in an escrow account one hundred percent of the funds received from the purchasers of such plans, where the seller of the time sharing plan transfers an interest herein to the purchaser, which escrow account shall provide that:

a. Its purpose is to protect the buyer's right to refund during the seven day right to cancellation period provided in Section 4 or Section 5 of this act, and

b. Funds may be withdrawn by the seller upon transfer to the buyer after expiration of the respective cancellation period provided in such Sections 4 or 5.

Section 7. It shall be a violation of this act for any seller of vacation time sharing plans, or his assignees, to misrepresent in any manner the buyer's right to cancel provided by this act.

Section 8. (a) It shall be a violation of this act for any seller

of vacation time sharing plans to sell, lease, assign or otherwise transfer the seller's interest in the vacation time sharing plan or the accommodations or facilities to a third party when such a sale, lease, assignment or other transfer substantially affects the rights of other owners of the time share units, unless:

(1) The third party agrees in writing to fully honor the rights of purchasers of the vacation time sharing plan to occupy and use the accommodations or facilities, and

(2) The third party agrees in writing to fully honor rights of purchasers of the vacation time sharing plan to cancel their contracts and receive an appropriate refund as provided in this act, and

(3) The third party agrees in writing to comply with the provisions of this act for as long as the third party continues to sell the vacation time sharing plan, or for as long as purchasers of the vacation time sharing plan are entitled to occupy the accommodations or use the facilities, whichever is longer in time, and

(4) Written notice is given to each purchaser of a vacation time sharing plan affected thereby, and notice shall be sent by certified mail within thirty days of the sale, lease, assignment or other transfer.

(b) The provisions of this section shall not be construed to apply to the sale of a single unit or to prevent the seller's right to sell, discount, or hypothecate for value receivables in favor of any bank, mortgage company, or other lending institution and such transactions shall be exempt from the requirements of the Section.

Section 9. (a) It shall be a violation of this act for a seller of vacation time sharing lease plans to fail to:

(1) Place in escrow fifty percent of the cash or receivables received from the purchasers of such plans less applicable local, state and federal taxes, provided, that in the event receivables are placed in escrow such receivables shall be set at face value and shall equal one hundred ten percent of the fifty percent required in this subdivision.

a. The purpose of such escrow account is to protect the purchaser's right to a refund if at any time the accommodations and facilities are no longer available as provided in the contract; "Provided however, nothing contained in this section shall operate to deny the seller the option to repair, replace or reconstruct, within a reasonable time, the accommodations or facilities, if destroyed or damaged."

b. The purchaser shall be entitled to a refund from the escrow account upon the conditions described above in an amount which

represents the buyer's pro rata share of the monies therein.

c. Funds may be withdrawn by seller from the escrow account in the ratio of the amount of time available for use by the purchaser of the vacation time sharing lease plan in relation to the total time available in the plan.

d. The escrow agent shall release or dispense funds from the escrow account to the seller of a vacation time sharing lease plan only upon receipt of a sworn statement from the seller that the accommodations and facilities have been available for use by the purchaser according to the term of the purchaser's contract.

e. When all outstanding liens, debts or encumbrances on the time sharing accommodations and facilities have been fully discharged the escrow account may be discontinued.

(2) In lieu of the escrow account provided in subdivision (1), a seller of vacation time sharing lease plans may:

a. Assign to an escrow agent receivables, the income from which shall be adequate to pay all liens or encumbrances secured by the time sharing facilities or accommodations.

1. Should net income from such escrowed receivables be insufficient to pay all liens or encumbrances as aforesaid, the escrow agent shall so notify the seller in writing, and the seller shall within 15 days after notice pay unto the escrow agent the amount of such deficit.

2. When all liens and encumbrances on the time sharing facilities have been fully discharged, the escrow account may be discontinued.

b. Sell, hypothecate or discount receivables, the proceeds from which shall be deposited with an escrow agent and administered in the manner prescribed by paragraph (2) a of subsection (a) of this section.

When any portion of the time sharing accommodations and facilities have been fully released from all liens or encumbrances, the escrow requirements of this subdivision may be proportionately decreased.

(3) Provide the purchaser with liability and property insurance at the seller's expense for the accommodations and facilities to be used by the vacation time sharing lease plan purchaser in an amount equal to the replacement cost of such accommodations and facilities, or the maximum amount of insurance available on the accommodations and facilities, according to generally accepted underwriting principals for similar properties in the same area, and to deposit with an escrow agent, annually, sufficient funds for the payment of

all insurance premiums, taxes, and assessments levied against the accommodations and facilities; or, in the alternative, provide for the assessment against the purchaser by an association or duly appointed agent for the owners of such escrow funds for all costs including insurance premiums, taxes, assessments, maintenance repairs and management fees.

(4) Provide the purchaser with an instrument, in recordable form, which provides notice to all subsequent creditors of the seller of the existence of the vacation time sharing plan rights of the purchaser. Such instrument shall be provided to the purchaser by the seller at the time of signing of the contract. When recorded, such instrument shall serve to protect the purchaser's interest in the seller's accommodations from any claims by subsequent creditors of the seller.

(5) Provide a document which explains the content, purpose and protection afforded to the purchaser by the documents described in subdivision (4) along with the procedure necessary to follow in order to secure to the purchaser the rights and protections which such documents provide.

(b) It shall be a violation of this act for a seller of vacation time sharing ownership plans to fail to:

(1) Deposit with an escrow agent no less than fifty percent of the cash or receivables received from the purchasers of such plans, less applicable local, state and federal taxes; provided, that in the event receivables are placed in escrow, such receivables shall be set at face value and shall equal one hundred ten percent of the fifty percent required in this item.

a. The purpose of the escrow account required hereunder is to protect the purchaser's ownership interest in the accommodations or facilities and to provide funds from which periodic payments can be made to retire any outstanding indebtedness on the time sharing facilities or accommodations.

b. 3. Provide the purchaser with liability and casualty insurance at the seller's expense for the accommodations and facilities to be used by the vacation time sharing lease plan purchaser in an amount equal to the replacement cost of such accommodations and facilities, or the maximum amount of insurance available on the accommodations and facilities, according to generally accepted underwriting principals for similar properties in the same area, and to deposit with an escrow agent, annually, sufficient funds for the payment of all insurance premiums, taxes and assessments levied against the accommodations and facilities. Section 19. (a) If it appears that a person, firm, corporation, or any business entity has engaged, or, is about to engage in an act or practice constituting a violation of a provision of this act or rule or order thereunder, the Commission, through the Attorney General, may institute legal actions in accordance with Alabama law to enjoin the acts and practices and to enforce compliance with this act or any rule or order hereunder. The Commission shall contact, whenever practicable, any person or business violating this act prior to recourse to the Circuit Court. Upon proper showing injunctive relief or temporary restraining orders may be granted, and a receiver or conservator may be appointed.

(b) The Commission may:

(1) Make any public or private investigation which it deems necessary, either within or outside of this State, to determine whether any person has violated or is about to violate this act or any rule or order hereunder, or to aid in the enforcement of this act or in the prescribing of rules and forms hereunder.

(4) Upon failure to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all persons affected hereby, the Commission, through the Attorney General may apply to the Circuit Court for an order compelling compliance.

(5) Issue an order requiring the seller to cease and desist from any unlawful practice and to take such affirmative action as in the judgment of the Commission will carry out the purposes of this act, if, after notice and hearing, the Commission determines that a seller has violated any provisions of this act by:

a. Directly or through any agent of employees knowingly engaging in any false, deceptive, or misleading advertising, promotional, or sales methods to offer or dispose of an interest in any vacation time sharing plan; or

b. Making any substantial change in the plan of development and sale of the vacation time sharing plan subsequent to the order of registration without obtaining the prior written approval of the Commission, or

c. Violating any lawful order or rule of the Commission.

(6) Make findings of fact in writing that the public interests will be irreparably harmed by delay in issuing an order and in such case may issue a temporary cease and desist order. Prior to issuing the temporary cease and desist order, the Commission, whenever possible by telephone or otherwise, shall give notice of the proposal to issue a cease and desist order to the seller. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held promptly to determine whether or not it becomes permanent.

(7) Revoke any registration of a vacation time sharing plan if, after notice and hearing upon a written finding of fact, it determines that the seller has:

a. Failed to comply with the terms of a cease and desist order;
or

b. Been convicted in any court of competent jurisdiction subsequent to filing of the application for registration, of a crime involv-

ing fraud, deception, false pretenses, misrepresentation, false advertising, or dishonest dealing, or

e. Made intentional misrepresentations or concealed material facts in an application for registration. Findings of fact that a specific provision of law has been violated shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings.

(8) Issue a cease and desist order instead of revoking a registration if it finds, after notice and hearing, that the seller has been guilty of a violation for which revocation could be ordered.

Section 20. (a) Every applicant for a license under this act, either original or renewal, shall furnish a surety bond payable to the State of Alabama in the amount of \$5,000.00 if a time sharing salesman or \$10,000.00 if a broker, with a surety company authorized to do business in Alabama, which bond shall provide that the obligor therein will pay up to \$5,000.00 or \$10,000.00, respectively, the aggregate sum of all judgments which may be recovered against such licensee for actual loss or damage arising from his activities conducted under this act. Said bond shall be filed with the Alabama Real Estate Commission prior to the issuance of such license. A new bond or a renewal or continuation of the original bond shall be required for each licensing period. If a continuous bond is filed with the Commission prior to the issuance of such license, no such renewal bond must be filed as long as the continuous bond remains in force and effect. In the event the continuous bond is revoked by the surety company, it shall immediately notify the Commission and the licensee shall have 20 days in which to file another bond with the Alabama Real Estate Commission or his license shall be suspended until such new bond is filed.

(b) If at any time a final judgment is rendered against a licensee under this act and the final judgment shall result from or involved any activity covered by this act, the license of the licensee shall be automatically suspended. A judgment shall be considered final when no further relief is available from said judgment in the appellate courts of Alabama. In case of such suspension of license, the Commission shall give notice to the licensee that his license is suspended,

and said licensee shall deliver this license to the Commission for disposition. Upon request by the suspended licensee, the Commission will set a date designating a time and place thereon for a hearing on the question of whether the license under suspension should be revoked, whether the suspension should be continued for a designated period or whether the suspension should be continued until terminated by the Commission upon the fulfillment of reasonable conditions imposed by the Commission. The hearing shall be conducted in accordance with Section 34-27-37 of the Code of Alabama 1975 and such appropriate rules and regulations as may be adopted from time to time by the Alabama Real Estate Commission. No licensee under this act whose license hereunder has been revoked may apply for another license hereunder until at least two years after the date of such revocation; and, in the event of such application for reinstatement, he shall meet all the requirements imposed upon an original applicant for a license under this act; and, furthermore, shall not be relicensed without approval of such relicensing by a majority of the members of the Alabama Real Estate Commission.

(c) Every licensee under this act shall be required to notify the Alabama Real Estate Commission of any civil or criminal action filed or initiated against such licensee within ten days of the receipt of notice by the licensee of the pending civil or criminal action when the civil or criminal action involves a transaction under this act, or involves the indebtedness of the licensee concerning expenses incurred in the development or continuation of a time sharing plan, or involves an alleged act of fraud, theft, misrepresentation, embezzlement, or extortion, or involves an alleged felony. The notification shall be in writing and shall include a copy of any civil complaint or other document alleging a complaint or criminal offense; or, if the licensee is not in possession of such legal documents, the notification shall include a notarized statement by the licensee of the substance of the civil or criminal action.

(d) Every licensee under this act shall be required to notify the Alabama Real Estate Commission of the outcome of any civil or criminal action of the type described in subsection (c) of this section within 10 days of the notice to the licensee of such outcome. This notification shall be in writing and shall include a copy of any judgment, order or other pertinent document issued by the court having jurisdiction of the matter; or, if licensee is not in possession of such legal documents, the notification shall include a notarized statement by the licensee of the nature of the verdict, settlement, dismissal, or other outcome of the subject civil or criminal action.

Section 22. The requirements of this act regarding the establishment and maintenance of escrow accounts shall become effective on October 1, 1984. All other requirements under this act shall be-

come effective October 1, 1983. The Commission shall have until November 30, 1983, to develop and administer its first timesharing license examination.

Until such time as the Commission delivers to sellers of vacation time sharing plan the first issue of the vacation time sharing license, the license requirements of the Alabama Real Estate License Law shall apply to sellers of time sharing plans.

Section 23. All laws or parts of laws which conflict with this act are hereby repealed.

Section 24. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 25. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Be It Enacted by the Legislature of Alabama:

Section 1. The following constitution is proposed and shall replace the Constitution of 1901, as amended, when approved by the qualified electors and proclaimed by the Governor as prescribed by law:

Preamble

We, the people of the State of Alabama, in order to establish justice, insure domestic tranquility, and secure the blessings of liberty to ourselves and our posterity, invoking the favor and guidance of Almighty God, do ordain and establish the following Constitution and form of government of the State of Alabama:

ARTICLE 1

Declaration of Rights

That the great, general, and essential principles of liberty and free government may be recognized and established, we declare:

Section 1. That all men and women are equally free and independent; that they are endowed by their Creator with certain inalienable rights; that among those are life, liberty and the pursuit of happiness.

Section 2. That all political power is inherent in the people, and all free governments are founded on their authority, and instituted for their benefit; and that, therefore, they have at all times an inalienable and indefeasible right to change their form of government in such manner as they may deem expedient.

Section 3. That no religion shall be established by law; that no preference shall be given by law to any religious sect, society, denomination, or mode of worship; that no one shall be compelled by law to attend any place of worship; nor to pay any tithes, taxes, and other rate for building or repairing any place of worship, or for maintaining any minister or ministry; that no religious test shall be required as a qualification to any office or public trust under this state; and that the civil rights, privileges, and capacities of any citizen shall not be in any manner affected by his religious principles.

Section 4. That no law shall ever be passed to curtail or restrain the liberty of speech or of the press; and any person may speak, write, and publish his sentiments on all subjects, being responsible for the abuse of that liberty.

Section 5. That the people shall be secure in their persons, houses, papers, and possessions from unreasonable seizure or searches, and that no warrants shall issue to search any place or to seize any person or thing without probable cause, supported by oath or affirmation.

Section 6. That in all criminal prosecutions, the accused has a right to be heard by himself and counsel, or either; to demand the nature and cause of the accusation; and to have a copy thereof; to be confronted by the witnesses against him; to have compulsory process for obtaining witnesses in his favor; to testify in all cases, in his own

behalf, if he elects so to do; and, in all prosecutions by indictment, a speedy, public trial, by an impartial jury of the county or district in which the offense was committed; and he shall not be compelled to give evidence against himself, nor be deprived of life, liberty, or property, except by due process of law; but the legislature may, by a general law, provide for a change of venue.

Section 7. That no person shall be accused or arrested, or detained, except in cases ascertained by law, and according to the form which the same has prescribed; and no person shall be punished but by virtue of a law established and promulgated prior to the offense and legally applied.

Section 8. That no person shall for any indictable offense be proceeded against criminally by information, except in cases arising in the militia when in actual service, or when assembled under arms as a military organization, or, by leave of the court, for misfeasance, misdemeanor, extortion and oppression in office, otherwise than is provided in the Constitution; provided, that in cases of misdemeanor, the legislature may by law dispense with a grand jury and authorize such prosecutions and proceedings before such other inferior courts as may be by law established. Provided further that in all felony cases, except those punishable by capital punishment, the legislature may by law dispense with a grand jury and authorize such prosecutions and proceedings in such manner as may be provided by law if the defendant, after having had the advice of counsel of his choice or in the event he is unable to employ counsel, the advice of counsel which must be appointed by the court, makes known in open court to a judge of a court having jurisdiction of the offense that he desires to plead guilty, provided, however, the defendant cannot plead guilty within fifteen days after his arrest.

Section 9. That no person shall, for the same offense, be twice put in jeopardy of life or limb; but courts may, for reasons fixed by law, discharge juries from the consideration of any case, and no person shall gain an advantage by reason of such discharge of the jury.

Section 10. That no person shall be barred from prosecuting or defending before any tribunal in this state, by himself or counsel, any civil cause to which he is a party.

Section 11. That the right of trial by jury shall remain inviolate.

Section 12. That no form of slavery shall exist in this state; and there shall not be any involuntary servitude, otherwise than for the punishment of crime, of which the party shall have been duly convicted.

Section 13. That all courts shall be open; and that every per-

son, for any injury done him, in his lands, goods, person, or reputation, shall have a remedy by due process of law; and right and justice shall be administered without sale, denial, or delay.

That no ex post facto law, nor any law, impairing the obligations of contracts, or making any irrevocable or exclusive grants of special privileges or immunities, shall be passed by the legislature; and every grant or franchise, privilege, or immunity shall forever remain subject to revocation, alteration, or amendment.

Section 23. That the exercise of the right of eminent domain shall never be abridged nor so construed as to prevent the legislature from taking the property and franchises of incorporated companies, and subjecting them to public use in the same manner in which the property and franchises of individuals are taken and subjected; but private property shall not be taken for, or applied to public use, unless just compensation be first made therefor; nor shall private property be taken for private use, or for the use of corporations, other than municipal, without the consent of the owner; provided, however, the legislature may by law secure to persons or corporations the right of way over the lands of other persons or corporations, and by general laws provide for and regulate the exercise by persons and corporations of the rights herein reserved; but just com-

pensation shall, in all cases, be first made to the owner; and, provided, that the right of eminent domain shall not be so construed as to allow taxation or forced subscription for the benefit of railroads or any other kind of corporations, other than municipal, or for the benefit of any individual or association.

Section 24. That all navigable waters shall remain forever public highways, free to the citizens of the state and the United States, without tax, impost, or toll; and that no tax, toll, impost, or wharfage shall be demanded or received from the owner of any merchandise or commodity for the use of the shores or any wharf erected on the shores, or in or over the waters of any navigable streams, unless the same be expressly authorized by law.

Section 25. That the citizens have a right, in a peaceable manner, to assemble together for the common good, and to apply to those invested with the power of government for redress of grievances or other purposes, by petition, address, or remonstrance.

Section 26. That every citizen has a right to keep and bear arms in defense of himself and the state.

Section 27. That no standing army shall be kept up without the consent of the legislature, and, in that case, no appropriation for its support shall be made for a longer term than one year; and the military shall, in all cases, and at all times, be in strict subordination to the civil power.

Section 28. That no soldier shall, in time of peace, be quartered in any house without the consent of the owner; nor, in time of war, but in a manner to be prescribed by law.

Section 29. That no title of nobility or hereditary distinction, privilege, honor, or emolument shall ever be granted or conferred in this state; and that no office shall be created, the appointment to which shall be for a longer time than during good behavior.

Section 30. That immigration shall be encouraged; emigration shall not be prohibited, and no citizen shall be exiled.

Section 31. That temporary absence from the state shall not cause a forfeiture of residence once obtained.

Section 32. That the privilege of suffrage shall be protected by laws regulating elections, and prohibiting, under adequate penalties, all undue influences from power, bribery, tumult, or other improper conduct.

Section 33. That foreigners who are, or may hereafter become, bona fide residents of this state, shall enjoy the same rights in respect to the possession, enjoyment, and inheritance of property, as native born citizens.

Section 34. That the sole object and only legitimate end of government is to protect the citizen in the enjoyment of life, liberty, and property, and when the government assumes other functions it is usurpation and oppression.

Section 35. That this enumeration of certain rights shall not impair or deny others retained by the people; and, to guard against any encroachments on the rights herein retained, we declare that everything in this Declaration of Rights is excepted out of the general powers of government, and shall forever remain inviolate.

ARTICLE III

Distribution of Powers of Government

Section 37. The powers of the government of the State of Alabama shall be divided into three distinct departments, each of which shall be confided to a separate body of magistracy, to wit: Those which are legislative, to one; those which are executive, to another; and those which are judicial, to another.

Section 38. In the government of this state, except in the instances in this Constitution hereinafter expressly directed or permitted, the legislative department shall never exercise the executive and judicial powers, or either of them; the executive shall never exercise the legislative and judicial powers, or either of them; the judicial shall never exercise the legislative and executive powers, or ei-

ther of them; to the end that it may be a government of laws and not of men.

ARTICLE IV

Legislative Department

Section 39. The legislative power of this state shall be vested in a legislature, which shall consist of a senate and a house of representatives.

Section 40. Senators and representatives shall be elected by the qualified electors in every fourth year on the first Tuesday after the first Monday in November unless the legislature shall change the time of holding elections. The terms of office of the senators and representatives shall commence on the day after the general election at which they are elected, and expire on the day after the general election held in the fourth year after their election, except as otherwise provided in this Constitution.

Section 41. Whenever a vacancy occurs in either house of the legislature the governor shall issue a writ of election within such time as may be provided by general law to fill such vacancy for the remainder of the term. All expenses of the election shall be paid by the state. If a legally qualified candidate for election to the vacancy is unopposed when the last date for filing for places on the ballot has passed, the election shall not be held, and a certificate of election shall be issued in the manner provided by law.

Section 42. Senators shall be at least twenty-five years of age, and representatives twenty-one years of age at the time of their election. They shall have been citizens and residents of this state for three years and residents of their respective districts for one year next before their election, if such district shall have been so long established; but if not, then of the district from which the same shall have been taken; and they shall reside in their respective districts during their terms of office.

Section 43. All sessions of the legislature shall be held in the City of Montgomery at the capitol in the senate chamber and in the hall of the house of representatives, unless at any time it should from any cause become temporarily impracticable for the legislature to meet or remain at the capitol, in which case the governor may designate and provide a suitable place in the City of Montgomery for the meeting of the legislature and the transacting of business of the legislative department for such temporary time.

Section 44. The legislature shall convene on the second Tuesday in January next succeeding their election and shall remain in session for not longer than ten consecutive days. No business can be

transacted for such sessions except the organization of the legislature, the election of officers, the appointment of standing committees of the senate and the house of representatives for the ensuing four years, which election and appointment may, however, also be made at such other times as may be necessary, the opening and publication of the returns and the ascertainment and declaration of the results of the election for governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, and commissioner of agriculture and industries, the election of such officers in the event of a tie vote, the determination of contested elections for such offices, the judging of the election returns and qualification of the members of the legislature, and the inauguration of the governor and the other elected state officers whose terms of office are concurrent with that of the governor.

Section 45. At the beginning of each such organizational session, and at such other times as may be necessary, the senate shall elect one of its members president pro tempore thereof, to preside over its deliberations in the absence of the lieutenant governor, and the house of representatives shall elect one of its members as speaker, to preside over its deliberations. The president pro tempore of the senate and the speaker of the house of representatives shall each hold his respective office until his successor has been elected and qualified. Each house shall choose its own officers and shall judge for the election, returns, and qualifications of its members.

Section 46. The legislature shall convene in regular sessions annually on the first Tuesday in February, or on such other day as may be prescribed by law, and such sessions shall be limited to 30 legislative days and 105 calendar days. Special sessions of the legislature convened in the manner provided by this Constitution shall be limited to twelve legislative days and 30 calendar days.

Section 47. Members of the legislature shall receive such compensation and allowances as shall be established by the legislature by joint resolution. Except, however, no legislature may increase the compensation or allowances of its members for the term in which they are serving at the time of passage of such joint resolution. Each legislature, prior to the adjournment of the second or third regular session of the quadrennium, shall establish the compensation and allowances of legislators elected to the next term. If such resolution is not adopted prior to adjournment of the third regular session of each quadrennium, the compensation and allowances of the members of the next legislature shall be the same as the members of that legislature.

Section 48. A majority of each house shall constitute a quorum to do business; but a smaller number may adjourn from day to day

and compel the attendance of absent members, in such manner and under such penalties as each house may provide.

Section 49. Each house shall have power to determine the rules of its proceedings and to punish its members and other persons, for contempt or disorderly behavior in its presence; to enforce obedience to its processes; to protect its members against violence, or offers of bribes or corrupt solicitation; and with the concurrence of two-thirds of the house, to expel a member, but not a second time for the same offense; and the two houses shall have all the powers necessary for the legislature of a free state.

Section 50. A member of the legislature, expelled for corruption, shall not thereafter be eligible to either house, and punishment for contempt or disorderly behavior shall not bar an indictment for the same offense.

Section 51. Each house shall keep a journal of its proceedings and cause the same to be published immediately after its adjournment, excepting such parts as, in its judgment, may require secrecy; and the yeas and nays of the members of either house on any question shall, at the request of one-tenth of the members present, be entered on the journal. Any member of either house shall have liberty to dissent from or protest against any act or resolution which he may think injurious to the public, or to an individual, and have the reason for his dissent entered on the journal.

Section 52. Members of the legislature shall, in all cases, except treason, felony, violation of their oath of office, and breach of the peace, be privileged from arrest during their attendance at the session of their respective houses, and in going to and returning from the same; and for any speech or debate in either house shall be questioned in any other place.

Section 53. The doors of each house shall be opened except on such occasions as, in the opinion of the house, may require secrecy, but no person shall be admitted to the floor of either house while the same is in session, except members of the legislature, the officers, and employees of the two houses, the governor and his secretary, representatives of the press, and other persons to whom either house, by unanimous vote, may extend the privileges of its floor.

Section 54. Neither house shall, without consent of the other, adjourn for more than three days, nor to any other place than that in which they may be sitting except as otherwise provided in this Constitution.

Section 55. No senator or representative shall, during the term for which he shall have been elected, be appointed to any office of profit under this state, which shall have been created, or the emolu-

ments of which shall have been increased during such term, except such offices as may be filled by election by the people.

Section 56. The style of the laws of this state shall be: "Be it enacted by the legislature of Alabama", which need not be repeated, but the act shall be divided into sections for convenience, according to substance, and the sections designated merely by figures. Each law shall contain but one subject, which shall be clearly expressed in its title, except general appropriation bills, general revenue bills, and bills adopting a code, digest, or revisions of statutes; and no law shall be revived, amended, or the provisions thereof extended or conferred, by reference to its title only; but so much thereof as is revived, amended, extended, or conferred, shall be reenacted and published at length.

Section 57. No law shall be passed except by bill, and no bill shall be so altered or amended on its passage through either house as to change its original purpose.

Section 58. No bill shall become a law until it shall have been referred to a standing committee of each house, acted upon by such committee in session, and returned therefrom, which facts shall affirmatively appear upon the journal of each house.

Section 59. Every bill shall be read on three different days in each house, and no bill shall become a law, unless on its final passage it be read at length, and the vote be taken by yeas and nays, the names of the members voting for and against the same be entered upon the journals, and a majority of each house be recorded thereon as voting in its favor, except as otherwise provided in this Constitution; provided that either house may dispense with the reading at length required by this section by unanimous consent, which fact shall also be entered in the journal.

Section 60. No amendment to bills shall be adopted except by a majority of the house wherein the same is offered, nor unless the amendment with the names of those voting for and against the same shall be entered at length on the journal of the house in which the same is adopted, and no amendment to bills by one house shall be concurred in by the other, unless a vote be taken by yeas and nays, and the names of the members voting for and against the same be recorded at length on the journal; and no report of a committee of conference shall be adopted in either house, except upon a vote taken by yeas and nays, and entered on the journal, as herein provided for the adoption of amendments.

Section 61. The legislature shall have no power to authorize lotteries or gift enterprises except for charitable purposes, and shall pass laws to prohibit the sale in this state of lottery or gift enter-

prise tickets, or tickets in any scheme in the nature of a lottery.

Section 62. The presiding officer of each house shall, in the presence of the house over which he presides, sign all bills and joint resolutions passed by the legislature, after the same shall have been publicly read at length immediately before signing, and the fact of reading and signing shall be entered upon the journal; but the reading at length may be dispensed with by a two-thirds vote of a quorum present, which fact shall also be entered on the journal.

Section 63. The legislature shall prescribe by law the number, duties, and compensation of the officers and employees of each house, and no payment shall be made from the state treasury or be in any way authorized to any person except to an acting officer or employee elected or appointed in pursuance of law.

Section 64. The legislature shall have no power to grant or to authorize or require any county or municipal authority to grant, nor shall any county or municipal authority have power to grant, any extra compensation, fee, or allowance to any public officer, servant, or employee, agent or contractor, after service shall have been rendered or contract made, nor to increase or decrease the fees and compensation of such officers during their terms of office; nor shall any officer of the state bind the state to the payment of any sum of money but by authority of law; provided this section shall not prevent the legislature from increasing retirement benefits to those eligible for retirement benefits.

Section 65. All bills for raising revenue shall originate in the house of representatives. The senate may propose amendments to such bills.

Section 66. The general appropriation bills shall embrace nothing but appropriations for the ordinary expenses of the executive, legislative, and judicial departments of the state, for interest on the public debt, and for the public schools. In the event the legislature fails to pass such general appropriation bills for any fiscal year, which failure is not due to the governor's veto, the current appropriations for such expenses and departments, except capital outlay, one-time and conditional appropriations whether or not they have been paid, shall continue in full force and effect and in the same amounts as they were on the last day of the current fiscal year until the legislature enacts new appropriation laws to supersede the continuing appropriations provided for herein. The salary of no officer or employee shall be increased in such bills, nor shall any appropriation be made therein for any officer or employee unless his employment and the amount of his salary have already been provided for by law. All other appropriation shall be made by separate bills, each embracing but one subject.

Section 67. No money shall be paid out of the treasury except upon appropriations made by law and on warrant drawn by the proper officer in pursuance thereof; and a regular statement and account of receipts and expenditures of all public moneys shall be published annually, in such manner as may be by law directed.

Section 68. No appropriation shall be made to any charitable or educational institution not under the absolute control of the state, except by a vote of two-thirds of all members elected to each house.

Section 69. When the legislature shall be convened in special session, there shall be no legislation upon subjects other than those designated in the proclamation of the governor calling such session, except by a vote of two-thirds of each house.

Section 70. No act of the legislature changing the seat of government of the state shall become a law until the same shall have been submitted to the qualified electors of the state at a general election, and approved by a majority of such electors voting on the same; and such act shall specify the proposed new location.

Section 71. The legislature shall prescribe by law a code of ethics for all members of the legislature and other public officers and employees prohibiting conflict between public duty and private interest, prohibiting bribery and the solicitation of bribes, and providing penalties for the violation of such code.

Section 72. A member of the legislature who has a personal or private interest in any measure or bill proposed or pending before the legislature, shall disclose the fact to the house of which he is a member, and shall not vote thereon.

Section 73. In all elections by the legislature the members shall vote viva voce, and the votes shall be entered on the journal.

Section 74. It shall be the duty of the legislature, to make provision by law for revising, digesting, and promulgating the public statutes of this state, of a general nature, both civil and criminal.

Section 75. The legislature may require the state and counties to make adequate provisions for the maintenance of the poor.

Section 76. The legislature shall not have power to authorize any county or municipal governing body to pass any laws inconsistent with the general laws applicable to the whole state.

Section 77. The legislature shall provide by law for the exemption of personal property and of homesteads from forced sale for the payment of debts and shall by law prescribe such rules and regulations as may be necessary to ascertain the value of real and personal property so exempted from sale.

Section 78. There can be no law of this state impairing the obligation of contracts by destroying or impairing the remedy for their enforcement; and the legislature shall have no power to revive any right or remedy which may have become barred by lapse of time, or by any statute of this state. After suit has been commenced on any cause of action, the legislature shall have no power to take away such cause of action, or destroy any existing defense to such suit.

Section 79. The legislature shall not enact any law not applicable to all the counties in the state regulating costs and charges of courts, provided that all general and local laws validly enacted under the provisions of the Constitution of 1901, as amended, providing for court costs in any county shall continue in effect until they are repealed or expire by their own limitations.

Section 80. The legislature shall not authorize payment to any person of the salary of a deceased officer beyond the date of his death.

Section 81. The legislature shall not retire any officer on pay, or part pay, or make any grant to such retiring officer.

Section 82. Lands belonging to or under the control of the state shall never be donated, directly or indirectly, to private corporations, partnerships, associations, or persons, or railroad companies; nor shall such lands be sold to corporations or associations for a less price than that for which they are subject to sale to individuals; provided, that nothing contained in this section shall prevent the legislature from granting a right of way, not exceeding one hundred and twenty-five feet in width, as a mere easement, for railroads or telegraph or telephone lines across state land, and the legislature shall never dispose of the land covered by such right of way except subject to such easement.

Section 83. No obligation or liability of any person, association, or corporation held or owned by this state, or by any county or other municipality thereof, shall ever be remitted, released, or postponed, or in any way diminished by the legislature; nor shall such liability or obligation be extinguished except by payment thereof; nor shall such liability or obligation be exchanged or transferred except upon payment of its face value; provided, that this section shall not prevent the legislature from providing by general law for the compromise of doubtful claims.

Section 84. No state or county official shall, at any time during his term of office, accept, either directly or indirectly, any fee, money, office, appointment, employment, reward, or thing of value, or of personal advantage, or the promise thereof, to lobby for or

against any measure pending before the legislature, or to give or withhold his influence to secure the passage or defeat of any such measure.

Section 85. The legislature shall provide by law for the regulation, prohibition, or reasonable restraint of common carriers, partnerships, associations, trusts, monopolies, and combinations of capital, so as to prevent them or any of them from making scarce articles of necessity, trade, or commerce, or from increasing unreasonably the cost thereof to the consumer, or preventing reasonable competition in any calling, trade, or business.

(21) Declaring who shall be liners between precincts or between counties.

The legislature shall pass general laws for the cases enumerated in this section, provided that nothing in this section or article shall affect the right of the legislature to enact local laws regulating or prohibiting the liquor traffic; but no such local law shall be enacted unless notice shall have been given as required in section 88 of this constitution.

Section 87. No special, private, or local law shall be enacted in any case which is provided for by a general law, or when the relief sought can be given by any court of this state; and the courts, and not the legislature shall judge as to whether the matter of said law is provided for by a general law, and as to whether the relief sought can be given by any court; nor shall the legislature indirectly enact any such special, private, or local law by the partial repeal of a general law nor shall the legislature enact a special, private or local law granting, amending, confirming, or extending the charter of any private or municipal corporation, or remitting the forfeiture thereof.

Section 88. No special, private, or local law shall be passed on any subject unless notice of the intention to apply therefor shall have been published, without cost to the state, in the county or counties where the matter or thing to be affected may be situated, which notice shall state the substance of the proposed law and be published at least once a week for four consecutive weeks in some newspaper published in such county or counties or if there is no newspaper published therein, then by posting the said notice for two consecutive weeks at five different places in the county or counties prior to the introduction of the bill; and proof that said notice has been given shall be exhibited to each house of the legislature through a certification by the clerk of the house or secretary of the senate that notice and proof was attached to the subject local legislation and the notice and proof shall be attached to the original copy of the subject bill and shall be filed in the department of archives and history where it shall constitute a public record. The courts shall pronounce void every special, private, or local law which the journals do not affirmatively show was passed in accordance with the provisions of this section.

Section 91. A general law is a law which in its terms and effect applies either to the whole state, or to one or more municipalities of the state less than the whole in a class. A general law applicable to such a class of municipalities shall define the class on the basis of criteria reasonably related to the purpose of the law. The legislature may enact and change from time to time a general schedule of not more than eight classes of municipalities based on population according to any designated federal decennial census, and general laws for any purpose may thereafter be enacted for any such class. Any law heretofore enacted which complies with the provisions of this section shall be considered a general law. No general law which at the time of its enactment applies to only one municipality of the state shall be enacted, unless notice of the intention to apply therefor shall have been given and shown as provided in section 88 of this Constitution for special, private or local laws; provided, that such notice shall not be deemed to constitute such law a local law. A special or private law is one which applies to an individual, association or corporation. A local law is a law which is not a general law or a special or private law.

Section 92. No bill introduced as a general law in either house of the legislature shall be so amended on its passage as to become a special, private or local law.

ARTICLE V

Executive Department

Section 93. The executive department shall consist of a governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, commissioner of agriculture and industries, and a sheriff for each county.

Section 94. The supreme executive power of this state shall be vested in a chief magistrate, who shall be styled "The Governor of the State of Alabama".

Section 95. The governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, and commissioner of agriculture and industries shall be elected by the qualified electors of the state at the same time and places appointed for the election of members of the legislature.

Section 96. The returns of every election for governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, and commissioner of agriculture and industries shall be sealed up and transmitted by the returning officers to the seat of government, directed to the speaker of the house of representatives,

who shall, during the first week of the session to which such returns shall be made, open and publish them in the presence of both houses of the legislature in joint convention; but the speaker's duty and the duty of the joint convention shall be purely ministerial. The result of the election shall be ascertained and declared by the speaker from the face of the returns without delay. The person having the highest number of votes for any one of said offices shall be declared duly elected; but if two or more persons shall have an equal and the highest number of votes for the same office, the legislature by joint vote, without delay, shall choose one of said persons for said office. Contested elections for governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, and commissioner of agriculture and industries, shall be determined by both houses of the legislature in such manner as may be prescribed by law.

Section 97. The governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer and commissioner of agriculture and industries shall hold their respective offices for the term of four years from noon on the first Monday after the second Tuesday in January next succeeding their election and until their successors shall be elected and qualified. Each of said officers shall be eligible to succeed himself in office, but no person shall be eligible to succeed himself for more than one additional term.

Section 98. The governor and lieutenant governor shall each be at least thirty years of age when elected, and shall have been citizens of the United States ten years and resident citizens of this state at least seven years next before the date of their election.

Section 99. The lieutenant governor shall be ex officio president of the senate, but shall have no right to vote except in the event of a tie.

Section 100. The governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, and commissioner of agriculture and industries, shall receive compensation to be fixed by law, which shall not be increased or diminished during the term for which they shall have been elected, and shall, except the lieutenant governor, reside at the state capital during the time they continue in office. The compensation of the lieutenant governor shall be the same as that received by the speaker of the house, except while serving as governor, during which time his compensation shall be the same as that allowed the governor.

Section 101. The governor shall take care that the laws be faithfully executed.

Section 102. The governor may require information in writing,

under oath, from the officers of the executive department, named in this article, or created by statute, on any subject, relating to the duties of their respective offices, and he may at any time require information in writing, under oath, from all officers and managers of state institutions, upon any subject relating to the condition, management and expenses of their respective offices and institutions. Any such officer or manager who makes a willfully false report or fails without sufficient excuse to make the required report on demand, is guilty of an impeachable offense.

Section 103. The governor may, by proclamation, on extraordinary occasions, convene the legislature and he shall state specifically in such proclamation each matter concerning which the action of that body is deemed necessary.

Section 104. The governor shall, from time to time, give to the legislature information of the state of the government, and recommend for its consideration such measures as he may deem expedient; and at the commencement of each regular session of the legislature, and at the close of his term of office, he shall give information by written message of the condition of the state; and he shall account to the legislature, as may be prescribed by law, for all moneys received and paid out by him or by his order; and at the commencement of each regular session he shall present to the legislature estimates of the amount of money required to be raised by taxation for all purposes.

Section 105. The governor shall have power to grant reprieves and commutations to persons under sentence of death. The legislature shall have power to provide for and to regulate the administration of pardons, paroles, remission of fines and forfeitures, and may authorize the courts having criminal jurisdiction to suspend sentence and to order probation. No pardon shall relieve from civil and political disabilities unless specifically expressed in the pardon.

Section 106. Every bill which shall have passed both houses of the legislature, except as otherwise provided in this Constitution, shall be presented to the governor; if he approves, he shall sign it; but if not, he shall return it with his objections to the house in which it originated, which shall enter the objections at large upon the journal and proceed to reconsider it. If the governor's message proposes no amendment which would remove his objections to the bill, the house in which the bill originated may proceed to reconsider it, and if a majority of the whole number elected to that house vote for the passage of the bill, it shall be sent to the other house, which shall in like manner reconsider, and if a majority of the whole number elected to that house vote for the passage of the bill, the same shall become a law, notwithstanding the governor's veto. If the gov-

ernor's message proposes amendment which would remove his objections, the house to which it is sent may so amend the bill and send it with the governor's message to the other house, which may adopt, but cannot amend, said amendment; to both houses concurring in the amendment, the bill shall again be sent to the governor and acted on by him as other bills. If the house to which the bill is returned refuses to make such amendments, it shall proceed to reconsider it; and if a majority of the whole number elected to that house shall vote for the passage of the bill, it shall be sent with the objections to the other house, by which it shall likewise be reconsidered, and if approved by a majority of the whole number elected to that house, it shall become a law. If the house to which the bill is returned makes the amendment, and the other house declines to pass the same, that house shall proceed to reconsider it, as though the bill had originated therein, and such proceedings shall be taken thereon as above provided. In every such case the vote of both houses shall be determined by yeas and nays, and the names of the members voting for or against the bill shall be entered upon the journals of each house, respectively. If any bill shall not be returned by the governor within six days, Sunday excepted, after it shall have been presented, the same shall become a law in like manner as if he had signed it, unless the legislature, by its adjournment, prevent the return, in which case it shall not be a law; but when return is prevented by recess, such bill must be returned to the house in which it originated within two days after the reassembling, otherwise it shall become a law, but bills presented to the governor within five days before the final adjournment of the legislature may be approved by the governor at any time within ten days after such adjournment, and if approved and deposited with the secretary of state within that time shall become law. Every vote, order, or resolution to which concurrence of both houses may be necessary, except on questions of adjournment and the bringing on of elections by the two houses, and amending this Constitution, shall be presented to the governor; and, before the same shall take effect, be approved by him; or, being disapproved, shall be repassed by both houses according to the rules and limitations prescribed in the case of a bill.

Section 107. The governor shall have power to approve or disapprove any item or items of any appropriation bill embracing distinct items, and the part or the parts of the bill approved shall be the law, and the item or items disapproved shall be void, unless repassed according to the rules and limitations prescribed for the passage of bills over the executive veto; and he shall in writing state specifically the item or items he disapproves, setting the same out in full in his message, but in such case the enrolled bill shall not be returned with the governor's objection.

Section 108. In case of the governor's removal from office, death or resignation, the lieutenant governor shall become governor. If both the governor and lieutenant governor be removed from office, die or resign more than sixty days prior to the next general election, at which any state officers are to be elected, a governor and lieutenant governor shall be elected at such election for the unexpired term, and in the event of a vacancy in the office, caused by the removal from office, death or resignation of the governor and lieutenant governor, pending such vacancy and until their successors shall be elected and qualified, the office of governor shall be held and administered by either the president pro tempore of the senate, speaker of the house of representatives, attorney general, state auditor, secretary of state, or state treasurer in the order herein named. In case of the impeachment of the governor, his absence from the state for more than twenty days, unsoundness of mind, or other disability, the power and authority of the office shall, until the governor is acquitted, returns to the state, or is restored to his mind, or relieved from other disability, devolve in the order herein named, upon the lieutenant governor, president pro tempore of the senate, speaker of the house of representatives, attorney general, state auditor, secretary of state, and state treasurer. If any of these officers be under any of the disabilities herein specified, the office of the governor shall be administered in the order named by such of these officers as may be free from such disability. If the governor shall be absent from the state over twenty days, the secretary of state shall notify the lieutenant governor, who shall enter upon the duties of governor; if both the governor and lieutenant governor shall be absent from the state over twenty days, the secretary of state shall notify the president pro tempore of the senate, who shall enter upon the duties of governor, and so on, in case of such absence, he shall notify each of the other officers named in their order, who shall discharge the duties of the office until the governor or other officer entitled to administer the office in succession of the governor returns. If the governor-elect fails or refuses from any cause to qualify, the lieutenant governor-elect shall qualify and exercise the duties of governor until the governor-elect qualifies; and in the event both the governor-elect and the lieutenant governor-elect from any cause fail to qualify, the president pro tempore of the senate, the speaker of the house of representatives, the attorney general, state auditor, secretary of state, and state treasurer, shall, in like manner, in the order named, administer the office until the governor-elect or lieutenant governor-elect qualifies.

Section 109. If the governor or other officer administering the office shall appear to be of unsound mind, it shall be the duty of the supreme court of Alabama, at any regular term, or at any special term, which it is hereby authorized to call for that purpose, upon

The legislature may, by a vote of two-thirds of each house thereof, arrange and designate boundaries for the several counties of this state, which boundaries shall not be altered, except by a like vote; but no new county shall be formed hereafter of less extent than six hundred square miles; and no existing county shall be reduced to less than six hundred square miles; and no new county shall be formed unless it shall contain a sufficient number of inhabitants to entitle it to one representative under the ratio of representation existing at the time of its formation, and leave the county or counties from which it is taken with the required number of inhabitants to entitle such county or counties, each, to separate representation.

Section 165. No county line shall be altered or changed, or in the event of the creation of new counties shall be established, so as to run within seven miles of the county courthouse of any old county.

Section 166. No courthouse or county site shall be removed except by a majority vote of the qualified electors of said county, voting at an election held for such purpose, and when an election has once been held no other election shall be held for such purpose until the expiration of four years.

Section 167. The legislature shall provide by general law an optional plan or optional plans of local government for counties delegating such legislative authority to such governing bodies as the legislature deems desirable not inconsistent with the provisions of this constitution. A county may adopt or rescind such an optional plan of local government by referendum initiated by resolution of the governing body or by petition of the electorate in such county in

accordance with such conditions and procedures as the legislature shall provide by general law. A county which does not elect to be governed by such an optional plan, or which rescinds such plan, shall continue to be governed according to the general or local laws which are, or may thereafter be, applicable to such county.

Section 168. The legislature shall also provide by general law optional plans of government for municipalities.

Section 169. The legislature shall provide by general law for the incorporation, government, merger and change of boundaries of cities and towns, and for the annexation of unincorporated territory to incorporated cities and towns, which are referred to as municipalities in this article, except that municipal boundaries may be altered or rearranged by local law.

Section 170. No person, firm, association, or corporation shall be authorized or permitted to use the street, avenues, alleys or public places of any municipality for the construction or operation of any public utility or private enterprise, without first obtaining the consent of the proper authorities of the municipality.

Section 171. No franchise or license shall hereafter be granted by a municipality for a period longer than forty years.

Section 172. The legislature shall not enact any law which will permit any person, firm, corporation, or association to pay a privilege, license, or other tax to the State of Alabama, and relieve him or it from the payment of all other privilege and license taxes in the state.

Section 173. Municipal and other corporations and individuals invested with the privilege of taking property for public use, shall make such compensation to be ascertained as may be provided by law, for the property taken, injured, or destroyed by the construction or enlargement of its works, highways, or improvements, which compensation shall be paid before such taking, injury, or destruction. The legislature is hereby prohibited from denying the right of appeal from any preliminary assessment of damages against any such corporations or individuals made by viewers or otherwise, but such appeal shall not deprive those who have obtained the judgment of condemnation from a right of entry, provided the amount of damages assessed shall have been paid into court in money, and a bond shall have been given in not less than the amount of the damages assessed, with good and sufficient sureties, to pay such damages as the property owner may sustain; and the amount of damages in all cases of appeals shall on demand of either party, be determined by a jury according to law.

Section 174. In the event of conflict between a municipal or

county ordinance and a state law, the state law shall prevail.

ARTICLE XII

Taxation and Debt Limitation

Section 175. Neither the state of Alabama nor any political subdivision of the state shall have, or be granted by the legislature, the power to lend its credit, or to grant public money or thing of value in aid of or to any individual, private association, or private corporation whatsoever except for public purposes as authorized by law and unless approved by a majority of the qualified electors of the state or the affected political subdivision voting on such issue; nor shall the state or any political subdivision thereof be interested in any private or corporate enterprise; provided that nothing herein shall prohibit the legislature from (1) authorizing the investment of public trust funds and, in particular, those funds managed and administered by the state retirement systems and its officers, but excepting the special educational trust fund, or (2) authorizing the investment of other public funds in obligations of, or insured by, the United States government or any of its agencies or instrumentalities or in any fully insured or secured interest bearing time deposits whether or not evidenced by certificates of deposit. Except as herein permitted the state shall not be engaged in the business of banking nor be a stockholder in any bank nor shall the credit of the state be given or loaned to any banking company, association, or corporation. Nothing contained in this section shall prohibit the legislature from authorizing the expenditure of special assessments, fees or other charges collected from the producers of agricultural, dairy, poultry, or livestock products for the general promotion of these industries nor shall any provision of this Constitution prohibit the delegation by the legislature of powers to collect fees or charges for use in the promotion of such industries.

Section 176. The power to levy taxes shall not be delegated to individuals or private corporations or associations.

Section 177. A state tax may be levied on net income and shall not exceed the rate of five per cent. The revenue from this tax shall be used: (1) to replace the revenue lost to the several funds of the state by reason of the exemption of homesteads from the state ad valorem tax, and (2) the residue shall be placed in the state treasury to the credit of the Alabama Special Educational Trust Funds to be used only for the payment of public school teachers' salaries.

Section 178. A resident individual or a corporation organized under the law of this state shall be allowed to deduct from gross income the amount of federal income tax paid or accrued within the taxable year. A nonresident individual or foreign corporation shall

be allowed to deduct only that amount of federal income tax paid or accrued in the taxable year on income received from sources within the state, to be determined in accordance with such laws as the legislature may enact.

Section 179. Except as prohibited by this Constitution, the legislature, in enacting laws taxing income, may define income by reference to provisions of the laws of the United States as they then exist or may prospectively be enacted, with such modification as may be prescribed by the law of this state.

Section 180. The legislature may provide for the assessment, levy and collection of a tax upon inheritances and for the levying of estate taxes.

Section 181. No moneys derived from any fees, excises, or license taxes, levied by the state, relating to registration, operation, or use of vehicles upon the public highways except a vehicle-use tax imposed in lieu of a sales tax and except for any extra fee charged for personalized license plates, and no moneys derived from any fee, excises, or license taxes, levied by the state, relating to fuels used for propelling such vehicles except pump taxes, shall be expended for other than the cost of administering such laws, statutory refunds and adjustments allowed therein, the cost of construction, reconstruction, maintenance and repair of public highways and bridges, the costs of highway rights-of-way, payment of highway obligations, the cost of traffic regulation, and the expense of enforcing state traffic and motor vehicle laws. The provisions of this section shall not apply to any such fees, excises, or license taxes now levied by the state for school purposes for this whole state or for any county or city board of education therein.

Section 182. There shall be a fund in the state treasury which shall be known as the fish and wildlife fund and which shall consist of all moneys received from the sale of hunting and fishing licenses, from fines, forfeitures, and any other fee received pursuant to the fish and wildlife laws of this state or rules and regulations promulgated thereunder, all moneys derived from the sale of lands, timber or other natural resources owned by the game and fish division of the Department of Conservation, all moneys received from grants, voluntary contributions and interest on lifetime licenses, and all moneys accruing to the fish and wildlife fund from any other source. No funds accruing to the fish and wildlife fund shall be expended for any purpose other than the payment of administrative costs of the fish and wildlife activities of the Department of Conservation and for the protection, propagation, preservation or investigation of fish and wildlife or for the public use of the fish and wildlife resources of this state.

Section 183. State ad valorem taxes shall not be levied in excess of six and one-half mills on the assessed value of property in any one taxable year.

Section 184. (a) All taxable property within this state, not exempt by law, shall be divided into the following classes for the purposes of ad valorem taxation;

Class I. All property of utilities used in the business of such utilities.

Class II. All property not otherwise classified.

Class III. All agricultural, forest and single-family owner-occupied residential property, and historic buildings and sites.

Class IV. All private passenger automobiles and motor trucks of the type commonly known as "pickups" or "pickup trucks" owned and operated by an individual for personal or private use and not for hire, rent or compensation.

(b) With respect to ad valorem taxes levied by the state, all taxable property shall be forever taxed at the same rate. Such property shall be assessed for ad valorem tax purposes according to the classes thereof as herein defined at the following ratios of assessed value to the fair and reasonable market value (except as otherwise provided in subsection (j) hereof) of such property:

Class I. 30 per centum.

Class II. 20 per centum.

Class III. 10 per centum.

Class IV. 15 per centum.

(c) With respect to ad valorem taxes levied by counties, municipalities or other taxing authorities, all taxable property shall be forever taxed at the same rate. Such property shall be assessed for ad valorem tax purposes according to the classes of property defined in subsection (a) hereof and at the same ratios of assessed value to the fair and reasonable market value thereof as fixed in subsection (b) hereof, except as otherwise provided in subsection (j) hereof and this subsection (such ratios being herein called "assessment ratios"). The governing body of any county, municipality or other taxing authority may, subject to criteria established by act of the legislature, at any time increase or decrease the assessment ratio applicable to any class of taxable property; provided, that any proposed adjustment to an assessment ratio to be made pursuant to this sentence, whether an increase or decrease, shall have been (1) proposed by the governing body of the taxing authority after a public hearing on such proposal, (2) authorized by an act of the legislature, and (3)

subsequently approved by a majority vote of the qualified electors residing in the taxing authority who vote on the proposal at a special election called and held in accordance with the law governing special elections. The legislature shall enact general laws applicable to all counties, municipalities and other taxing authorities regulating and establishing criteria for the exercise of the powers granted such taxing authorities to adjust assessment ratios as hereinabove provided. Such assessment ratios as herein authorized may vary among taxing authorities so long as each such assessment ratio is uniform within a taxing authority. Any decrease in any assessment ratio pursuant to this subsection shall not jeopardize the payment of any bonded indebtedness secured by any tax levied by the taxing authority decreasing the assessment ratio. Any action authorized by this subsection to be taken by a taxing authority, or the governing body thereof, shall, other than in the case of a municipality, be taken by resolution of the governing body of the county in which such taxing authority is located acting on behalf of such taxing authority.

(d) With respect to ad valorem taxes levied by the state or by any county, municipality or other taxing authority, no class of taxable property shall have an assessment ratio of less than 5 per centum nor more than 35 per centum.

(e) A county, municipality, or other taxing authority may decrease any ad valorem tax rate at any time, provided such decrease shall not jeopardize the payment of any bonded indebtedness secured by such tax.

(f) No county, municipality or other taxing authority may levy ad valorem taxes in addition to those authorized to be levied on the effective date of this Constitution or increase the rate of ad valorem taxation above that authorized on such date. Any county, municipality, or other taxing authority may at any time increase the rate at which any ad valorem tax is levied above the limit provided by law on the effective date of this Constitution or otherwise permitted by this Constitution; provided, that the proposed increase to be made pursuant to this subsection shall have been (1) proposed by the governing body of the taxing authority after a public hearing on such proposal, (2) authorized by an act of the legislature, and (3) subsequently approved by a majority of the qualified electors residing in the taxing authority who vote on the proposal at a special election called and held in accordance with the law governing special elections. Any adjustments or other actions authorized to be made or taken pursuant to this subsection and subsection (e) hereof shall be made or taken by resolution of the governing body of such taxing authority, or if there is no such governing body and in the case of a taxing authority other than a municipality, by resolution of the gov-

erning body of the county in which such taxing authority is located acting on behalf of such taxing authority. The provisions of subsections (c), (e) and (f) of this section shall not apply to ad valorem taxes levied by the state; provided, however, that the legislature shall not have the power to levy ad valorem taxes for the benefit of any county, municipality or other taxing authority nor shall the legislature have the power to increase the rate of any ad valorem tax levied by a county, municipality or other taxing authority, except in conjunction with the procedure set forth in clauses (1), (2) and (3) of this subsection (f).

(g) The legislature is authorized to enact legislation to implement the provisions of this section and may provide for exemptions from taxation; provided, that unless otherwise expressly provided, no amendment to this section shall be construed to repeal any statutory exemption existing on the effective date of any such amendment hereto.

(h) Wherever any constitutional provision or statute provides for, limits or measure the power of authority of any county, municipality or other taxing authority to levy taxes, borrow money, or incur indebtedness in relation to the assessment of property therein for state taxes or for state and county taxes, such provisions shall mean as assessed for county or municipal taxes, as the case may be.

(i) Except as otherwise provided in this Constitution, or authorized prior to the adoption of this Constitution the amount of ad valorem taxes payable to the state and to all counties, municipalities and other taxing authorities with respect to any item of taxable property described as Class I property shall never exceed 2% of the fair and reasonable market value of such taxable property in any one ad valorem tax year, such amount with respect to any item of Class II property shall never exceed $1\frac{1}{2}\%$ of the fair and reasonable market value of such taxable property in any one ad valorem tax year, such amount with respect to any item of Class IV property shall never exceed $1\frac{1}{4}\%$ of the fair and reasonable market value of such taxable property in any one ad valorem tax year, and such amount with respect to any item of Class III property shall never exceed 1% of the fair and reasonable market value of such taxable property in any one ad valorem tax year. Whenever the total amount of ad valorem property taxes otherwise payable by any taxpayer with respect to any item of taxable property shall exceed in any one ad valorem tax year the maximum amount of such taxes permitted by this section, such amount of taxes shall be reduced by subtracting that amount of tax due that is in excess of the amount of tax otherwise permissible under the Constitution. In connection with the taxation of any item of taxable property, the amount of tax to be subtracted with respect to each authority levying and collect-

ing any ad valorem property tax shall be in the same proportion to the total amount of tax to be subtracted that the total number of mills on each dollar of taxable property situated in the taxing authority levied by such taxing authority bears to the total number of mills on each dollar of taxable property situated in the taxing authority levied by all taxing authorities with respect to such item of taxable property. Before sending to any taxpayer any notice relating to the collection of ad valorem taxes, the tax collector in each county shall determine whether any portion of the amount of ad valorem property tax otherwise due with respect to any item of taxable property shall be subtracted pursuant to the provisions of this subsection and shall apportion the amount to be subtracted in accordance with the provisions of this subsection.

(j) Notwithstanding any other provision of this section, taxable property defined in subsection (a) hereof as Class III property shall, upon application by the owner of such property, be assessed at the ratio of assessed value to the current use value of such taxable property and not the fair and reasonable market value of such property. The legislature may enact laws uniformly applicable to the state and all counties, municipalities and other taxing authorities establishing criteria and procedures for the determination of the current use value of any eligible taxable property and procedures for qualifying such property for assessment at its current use value. The legislature may enact laws uniformly applicable to the state and all counties, municipalities and other taxing authorities providing for the ad valorem taxation of any taxable property ceasing to qualify for current use valuation; provided, however, that any additional tax on taxable property ceasing to qualify for current use valuation shall not apply to more than the three ad valorem tax years immediately preceding such cessation of qualification (including as one such year the year in which cessation of qualification occurs).

(k) The following property shall be exempt from all ad valorem taxation: the real and personal property of the state, counties, and municipalities and property devoted exclusively to religious, educational, cemetery, or charitable purposes, household and kitchen furniture, all farm tractors, all farming implements when used exclusively in connection with agricultural property and all stocks of goods, wares and merchandise.

Section 185. No debt shall be created against, or incurred by, the state, nor shall any bonds, warrants, notes or other securities payable in whole or in part from state taxes, licenses or appropriations be issued, except pursuant to an act passed by a vote of three-fifths of the members elected to each house of the legislature and approval by a majority of the electors of the state voting on the question.

The following shall not constitute a debt of the state within the meaning of this section:

(1) Bonds or other securities issued by any state university, college or other institution of higher learning, or by the state board of education or other such governing board on behalf of any of the foregoing, if by their terms such bonds or other securities are not made a charge on the general credit or any of the tax revenues of the state or any monies appropriated to such institution by the state, but are made payable solely out of tuition, fees or other revenues (from whatever source) referable to the operation of such institution;

(2) Bonds or other securities issued by or on behalf of the state or any of its instrumentalities if by their terms they do not constitute a charge on the general credit or tax revenues of the state, but are payable solely from the revenues from specified facilities (whether or not such facilities were in existence or owned by or on behalf of the state at the time such bonds or securities were issued) or from sources other than state taxes, licenses or appropriations;

(3) Bonds or other securities at anytime issued by the Alabama highway authority, Alabama public school and college authority, Alabama highway finance corporation, Alabama federal aid highway finance authority and any other public corporation or authority heretofore or hereafter created at the state level and which are payable solely from, and secured by a continuing appropriation and pledge of, any proceeds of any exercise, privilege, license, income, ad valorem or other tax or taxes levied or imposed by the state, (i) even though the tax or taxes out of which such bonds or other securities are payable consist wholly or in part of tax proceeds that may at anytime have been or in the absence of such pledge would be available to the general fund of the state, and (ii) even though the taxes pledged to payment of such bonds or other securities may have been originally levied for purposes other than that for which such bonds or other securities are to be issued; any statute authorizing the issuance of bonds or other securities by a public corporation within to the provisions of this paragraph shall require for its passage a vote of three-fifths of the members elected to each house of the legislature.

It shall be unlawful for the comptroller of the state of Alabama to draw any warrant or other order for the payment of money belonging to, or administered by, the state of Alabama upon the state treasurer, unless there is in the hand of such treasurer money appropriated and available for the full payment of the same. In case there is, at the end of any fiscal year, insufficient money in the state treasury for the payment of all proper claims presented to the state

comptroller for the issuance of warrants, the comptroller shall issue warrants for that proportion of each such claim which the money available for the payment of all said claims bears to the whole, and such warrants for such prorated sums shall thereupon be paid by the state treasurer, provided, however, that the legislature may exempt the payment of the bonded indebtedness of the state and the interest thereon from such proportionate reduction. At the end of each fiscal year all unpaid appropriations which exceed the amount of money in the state treasury subject to the payment of the same after the proration above provided for, shall thereupon become null and void to the extent of such excess. Any person violating any of the provisions of this section shall, on conviction, be punished by a fine of not exceeding five thousand dollars, or by imprisonment in the penitentiary for not more than two years, one or both, at the discretion of the jury trying the same, and the violation of any provisions of this section shall also be ground for impeachment.

Section 186. No county or municipality shall incur indebtedness in an amount which, when added to then existing indebtedness (including that incurred prior to the effective date of this section) exceeds the following percentages of the assessed value of the property assessed for taxation by such county or municipality for the preceding tax year: (1) 10 per cent in the case of a county; and (2) 35 per cent in the case of a municipality. The preceding debt limitation shall not apply to the following obligations:

(a) Obligations for current operating expenses in any fiscal year that mature not later than the last day of such fiscal year, made in anticipation of the collection of taxes, not exceeding 25 per cent of the general revenues received in the preceding fiscal year which were available for such purposes; provided that if such obligations are not paid and retired by the end of the fiscal year in which incurred, they shall thereupon be considered to constitute indebtedness subject to the above limitation;

(b) Obligations to provide funds to pay for public improvements, the cost of which is to be assessed, in whole or in part, against the property abutting on or drained, served or benefitted by such improvements;

(c) Obligations that by their terms do not constitute a charge on the general credit or tax revenues of the obligor, but are payable solely from distributions of taxes or other revenues by the state to such obligor;

(d) Obligations of a county that by their terms do not constitute a charge on the general credit or tax revenues of the county and obligations of a public corporation designated by the county to acquire, construct, equip, operate and maintain public hospital facili-

ties; provided that such county or corporate obligations are payable solely from taxes now or hereafter levied for hospital or other health purposes or from hospital revenues or both;

(e) Obligations that by their terms do not constitute a charge on the general credit or tax revenues of the obligor, but are payable solely from revenues from specified facilities (whether or not such facilities were in existence or owned by the obligor at the time such indebtedness was incurred) or from sources other than tax or license proceeds;

(f) Obligations of any public corporation, notwithstanding the fact that property, whether or not capable of producing income, may have been transferred to such public corporation by any county or municipality with or without consideration;

(g) Obligations of any county or municipal board of education;

(h) Obligations consisting of principal of or accrued interest on indebtedness to the extent that one or more sinking funds or trust funds shall be established for the payment of such principal or interest, provided that any such sinking fund or trust fund shall comply with the following conditions:

(1) any such sinking fund or trust shall consist of (i) cash, (ii) federal securities, (iii) demand or time deposits with banks (whether or not evidenced by certificates of deposit) that are insured by an agency of the United States of America or, to the extent not so insured, are secured by collateral consisting of federal securities and having a market value (exclusive of accrued interest) not less than the amount of such deposits not so insured, or (iv) any combination of cash, federal securities or bank deposits, it being provided that, for purposes of this subsection (h), federal securities shall mean direct obligations of the United States of America or obligations unconditionally guaranteed by the United States of America as to the payment of both principal and interest; and

(2) the principal and interest maturing with respect to any federal securities or time deposits held in any such sinking fund or trust fund, together with the amount of any cash or demand deposits held therein, will provide moneys sufficient to pay any principal or accrued interest excluded from the debt limit pursuant to this subsection (h) on or before the respective maturities or due dates of such principal and interest;

provided further that the legislature may by general law provide additional or different conditions under which the establishment of sinking funds or trust funds for the payment of the principal of and accrued interest on obligations of counties and municipalities shall cause the debt limitation of this section to be inapplicable to such

principal and interest;

(i) Obligations incurred prior to the effective date of this section that were not, at the time incurred, chargeable to the limitations on indebtedness prescribed by Section 224 or 225 of the Constitution of 1901, as amended; and

(j) Obligations incurred by any municipality for the purpose of acquiring, providing or constructing school houses;

(k) Obligations authorized as to purpose, principal amount and final maturity (1) by action of the governing body of any county or municipality after a public hearing on the proposal, (2) thereafter approved by an act of the legislature and (3) subsequently approved by a majority of the electors of such county or municipality, as the case may be, who vote on the proposal.

Section 187. The legislature shall have authority to pass general laws authorizing the counties, municipalities, districts or other political subdivisions of counties to issue bonds, but no bonds shall be issued under authority of a general law unless such issue of bonds be first authorized by a majority vote by ballot of the qualified voters of such county, municipality, district, or other political subdivision of a county, voting upon such proposition. The ballot used at such election shall contain the words: "For . . . bond issue," and "Against . . . bond issue" (the character of the bond to be shown in the blank space), and the voter shall indicate his choice by placing a cross mark before or after the one or the other. This section shall not apply to the renewal, refunding, or reissue of bonds lawfully issued, nor shall this section apply to obligations incurred or bonds to be issued to procure means to pay for street and sidewalk improvements or sanitary or storm water sewers, the cost of which is to be assessed, in whole or in part, against the property abutting said improvements or drained by such sanitary or storm water sewers.

ARTICLE XIII

Militia

Section 188. The legislature shall have power to declare who shall constitute the militia of the state, and to provide for organizing, arming, and disciplining the same; and the legislature may provide for the organization of a state and naval militia.

Section 189. The legislature, in providing for the organization, equipment, and discipline of the state military forces, shall conform as nearly as practicable to the regulations of the department of defense of the United States, and the laws of the United States, governing the armed forces of the United States. All affairs pertaining to the state military forces shall be administered by a state military

department, which shall be headed by the adjutant general, and who shall be responsible to the governor as commander-in-chief.

Section 190. Officers of the state military forces, including the adjutant general, shall be appointed, and shall be subject to suspension, discharge, removal, or compulsory retirement as such, solely on the basis of military proficiency, character and service, as determined by department of defense regulations and military usages sanctioned by the military laws of the United States, anything in this Constitution to the contrary notwithstanding. The qualifications of personnel of the federally recognized national guard shall be as prescribed in pertinent regulations and policies of the United States department of defense.

Section 191. The governor shall, with the advice and consent of the senate, appoint the adjutant general and all general officers. The governor shall appoint his own staff, as may be provided by law.

Section 192. The legislature shall provide for the safe keeping of the arms, ammunition, and accoutrements, and military records, banners, and relics of the state.

Section 193. The officers and men of the militia shall not be entitled to receive any pay, rations, or emoluments when not in active service.

ARTICLE XIV

Public Officers

Section 194. All members of the legislature, and all officers, executive and judicial, before they enter upon the execution of the duties of their respective offices, shall take the following oath or affirmation:

"I_____, solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States, and the Constitution of the State of Alabama, so long as I continue a citizen thereof; and that I will faithfully and honestly discharge the duties of the office upon which I am about to enter, to the best of my ability. So help me God."

The oath may be administered by the presiding officer of either house of the legislature, or by any officer authorized by law to administer an oath.

Section 195. No person holding an office of profit under the United States shall, during his continuance in such office, hold any office of profit under this state; nor shall any person, except a notary public, hold two offices of profit at one and the same time under this state.

Section 196. The salary, fees, or compensation of any officer holding any civil office of profit under this state or any county or municipality thereof, shall not be increased or diminished during the term for which he shall have been elected or appointed. Neither the legislature, nor any county of the state shall, by the imposition of new, different, and additional duties or otherwise, increase, or authorize the increase of, the salary, fees or other compensation of any officer of the state or of any county of the state, who is elected or appointed for a fixed term, during the term for which he is elected or appointed, regardless of whether such officer may be removed at the pleasure of the authority electing or appointing him or only upon impeachment; nor shall the legislature or any county of the state in any manner or by any means decrease, or authorize the decrease of, the salary, fees or other compensation of any such officer, during the term for which he is elected or appointed; nor shall the legislature or any county of the state increase or decrease, or authorize the increase or decrease of, the salary, fees or other compensation of any person filling an unexpired term in any such office during the remainder of such term, either before or after the appointment or election of such person to fill the unexpired term. As to officers who are members of any court, board, commission, or similar body whose terms do not run concurrently, any increase or decrease in the salary, fees, or other compensation of the members of any such court, board, commission, or similar body shall become effective as to all such members thereof immediately after the expiration of the term or terms of office of the member or members whose term or terms first expire.

Section 197. The legislature may, by general or local law, change the method or basis of compensating any officer of a county including the judge of probate, sheriff, tax assessor, and tax collector, and may place such officers on a salary. In the event that a county officer is placed on a salary, all fees, allowances, and commissions collected by him shall be paid into the county treasury. No law shall be effective to change the method of compensating any county officer during the term for which he shall have been elected or appointed. The legislature may by local act provide for the abolishment, combination or other alteration of the offices of tax assessor, tax collector or license commissioner with approval of a majority of voters in the county affected.

Section 198. No person convicted of a felony involving moral turpitude whose civil and political rights have not been restored shall be eligible to hold any office of trust or profit in this state.

Section 199. Appointments and promotions in the civil service of this state shall be made according to merit, fitness and efficiency, to be determined, so far as practicable, by examination, which, so

far as practicable, shall be competitive under such laws as the legislature may enact. It shall be the duty of the legislature to maintain laws necessary to implement, and to provide adequate financial support for, a program of personnel management in the state service.

ARTICLE XV

Application and Implementation

Section 200. It is made the duty of the legislature to enact all laws necessary to give effect to the provisions of this Constitution.

Section 201. Legislative acts in violation of this Constitution or the Constitution of the United States are void and the judiciary shall so declare them.

Section 202. This Constitution and every provision hereof is adopted for the protection of the citizens of this state and any such citizen may invoke its provisions in the courts of this state.

ARTICLE XVI

Mode of Amending the Constitution

Section 203. Amendments to this Constitution or a new Constitution may be proposed by the Legislature or by a constitutional convention as provided in this article. Only amendments which are of general and uniform applicability throughout the state shall be proposed, or submitted to the people.

Section 204. Amendments may be proposed to this Constitution by the legislature in the manner following: The proposed amendments shall be read in the house in which they originate on three several days, and, if upon the third reading three-fifths of all the members elected to that house shall vote in favor thereof, the proposed amendments shall be sent to the other house, in which they shall likewise be read on three several days, and if upon the third reading three-fifths of all of the members elected to that house shall vote in favor of the proposed amendments, the legislature shall order an election by the qualified electors of the state upon such proposed amendments. Proposed amendments shall be submitted to the electors of the state at the next general election following the notice required by this section, provided, that the legislature may, by separate act adopted by it in the manner required for proposing an amendment, call a special election for submission of an amendment. The act must declare that an emergency exists necessitating the submission prior to the next general election, and shall not be effective unless approved by the governor within seven days after it has been submitted to him. If a special election on a proposed amendment is called, other amendments may be submitted at the same election. Notice of such election, together with the proposed

amendments, shall be given by proclamation of the governor, which shall be published in every county in such manner as the legislature shall direct, for at least four successive weeks next preceding the day appointed for such election. On the day so appointed an election shall be held for the vote of the qualified electors of the state upon the proposed amendments. If such election be held on the day of the general election, the officers of such general election shall open a poll for the vote of the qualified electors upon the proposed amendments; if it be held on a day other than that of the general election, officers for such election shall be appointed; and the election shall be held in all things in accordance with the law governing general elections. In all elections upon such proposed amendments, the votes cast thereat shall be canvassed, tabulated and returns thereof be made to the secretary of state, and counted, in the same manner as in elections for representatives in the legislature; and if it shall thereupon appear that a majority of the qualified electors who voted at such election upon the proposed amendments voted in favor of the same, such amendments shall be valid to all intents and purposes as parts of this Constitution. The result of such election shall be made known by proclamation of the governor.

Section 205. Upon the ballots used at all elections provided for in section 204 of this Constitution the substance or subject matter of each proposed amendment shall be so printed that the nature thereof shall be clearly indicated. The acts of deputies shall have the same force and legal effect as if performed by the county revenue commissioner himself.

Section 4. Before entering upon the duties of his office the county revenue commissioner shall take the oath of office prescribed by Article XVI of the Constitution of Alabama, and execute a bond in such sum as may be fixed by the county commission or like governing body of the county, giving as securities thereon a bonding company authorized to do business in Alabama. The bond shall be conditioned as other official bonds are conditioned and shall be approved by and filed with the judge of probate. The cost of the bond required herein shall be paid out of the general funds of the county on warrant of the county commission or other like governing body of the county, and shall be a preferred claim against the county.

Section 5. The county commission or other like governing body of the county shall provide the necessary offices for the county revenue commissioner in the courthouse, and shall provide all stationery, equipment, and office supplies, not otherwise furnished by law, needed for the efficient performance of the duties of the office.

Section 6. The county revenue commissioner shall collect and pay into the general fund of the county all fees, percentages, commissions and other allowances which the tax assessor and the tax collector are now or hereafter by law authorized or directed to

charge or collect for the performance of any duty imposed by law on any such officers and hereby transferred to and imposed on the county revenue commissioner. As compensation for performance of the duties of his office, the Revenue Commissioner will receive a salary of not less than \$20,000.00 and not more than \$30,000.00, payable in twelve equal monthly installments, with the exact amount to be set by resolution of the Hale County Commission prior to the Revenue Commissioner taking office. If no action is taken by the Hale County Commission before the Revenue Commissioner takes office at each term, his salary will be \$20,000.00.

Section 7. The officers of tax assessor and tax collector of Hale County are hereby abolished effective on the first day of the term to which he is elected, or on such earlier date as is prescribed in Section 1 hereof if vacancy occurs in either the office of tax assessor or tax collector.

Section 8. It is the purpose of this act to conserve revenue and promote the public convenience in Hale County by consolidating the offices of tax assessor and tax collector of such county into one county office.

Section 9. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 10. All laws or parts of laws which conflict with this act are repealed.

Section 11. The provisions of this act shall become operative in Hale County, only if they are first approved by a majority of the qualified electors of said county who vote thereon in a referendum election. Said election may be concurrent with a valid election held pursuant to the provisions of this act, at which time the question shall be submitted substantially as follows:

Shall Act No. _____ of the _____ Session of the Legislature (here insert the number of this act) which provides for the abolition of the offices of tax assessor and tax collector of Hale County and the consolidation of the duties of these officers into the one office to be known as the county commissioner of revenue, be approved?
 ____ Yes. ____ No.

If a majority of the votes cast at such election are "Yes" votes, then this act shall become effective as provided above. If a majority of the votes cast are "No" votes, this act shall have no further force or effect. The referendum election shall be held and conducted as nearly as may be in the same way as elections on amendments to the Constitution. Notice of the election shall be given by the county commissioners of Hale County. Such notice shall be published once

a week for three successive weeks before the day of the election. The judge of probate shall also certify the result of the election to the Secretary of State immediately after the returns have been certified. Provided, however, that at any constitutional election in the county held simultaneously with the election called for the purposes of this act shall be sufficient for the local election if the constitutional amendment authorizing the establishment of a consolidated and unified system of assessment and collection of taxes and abolishing the offices of tax assessor and tax collector, is favorable in Hale County.

Section 12. This act shall become effective upon the ratification and adoption of an amendment to the Constitution of Alabama authorizing such an act, provided that a majority of the qualified electors of Hale County voting in such constitutional amendment election approved the adoption of the amendment. If the vote in Hale County on such amendment is not favorable thereto, then this act shall have no force or effect.

Section 13. If the office of tax assessor or tax collector should become vacant between the time of ratification of this act by the electors of Hale County and, the expiration of the term of office of either the tax assessor or tax collector, this act shall become effective immediately.

Act No. 83-705

H. 849—Rep. Browder

AN ACT

Relating to Calhoun County; authorizing the county commission to levy an additional $\frac{1}{2}\%$ sales tax paralleling the state sales tax provided for in Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4, Code of Alabama 1975, providing for the collection, distribution and use of the proceeds of such tax; providing for the enforcement of this act by the state department of revenue; prescribing penalties and fixing punishment for violation of this act; and to provide that the substantive provisions hereof must be approved by the voters of the area in which the tax would be levied.

Be It Enacted by the Legislature of Alabama:

Section 1. The provisions of this act shall only apply to Calhoun County.

Section 2. All words, terms, and phrases as defined in Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4 of the Code of Alabama 1975, as amended, providing for the levy of a $\frac{1}{2}\%$ state sales tax shall, wherever used in this act have the same meanings respectively ascribed to them in said sections, except where the context herein clearly indicates a different meaning. In addition, the following words, terms, and phrases where used in this act shall have the following respective meanings except where the context clearly indicates a different meaning.

“State sales tax statutes” means Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4 of the Code of Alabama 1975, as amended, which levy a certain retail sales tax, and include all statutes, including amendments to said sections, which expressly set forth any exemptions from the computation of the tax levied by said sections and all other statutes which expressly apply to, or purport to effect, the administration of said sections and the incidence and collection of the tax imposed therein;

"State sales tax" means the tax imposed by the state sales tax statutes;

"Month" means the calendar month; and

"County" means Calhoun County.

Section 3. The county commission is hereby authorized to levy, in addition to all other taxes, including municipal gross receipts license taxes now imposed by law, a special county $\frac{1}{2}$ ¢ privilege license tax paralleling the state sales tax, such privilege license tax to be determined by the application of rates against gross sales or gross receipts, as the case may be, and within specified areas.

There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the state sales tax.

Section 4. The $\frac{1}{2}$ ¢ sales taxes authorized to be levied in Section 3 of this act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues. All taxes levied in this act shall be paid to and collected by the state department of revenue at the same time and along with the collection of the state sales tax. On or prior to the due dates of the tax herein levied each person subject to such tax shall file with the state department of revenue a report or return in such form as may be prescribed by the department, setting forth, with respect to all sales and business transactions that are required to be used as a measure of the tax levied, a correct statement of the gross proceeds of all such sales and gross receipts of all such business transactions. Such report shall also include such other items of information pertinent to the said tax and the amount thereof as the state department of revenue may require. Any person subject to the tax levied may defer reporting credit sale until after their collection, and in the event such person so defers reporting them, such person shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the tax due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the Calhoun County Commission, or its designated agent, at reasonable times during business hours.

Section 5. Each person engaging or continuing within Calhoun County in a business subject to the tax levied in Section 3 of this act, shall add to the sales price or admission fee and collect

from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said sale or admission. It shall be unlawful for any person subject to the tax levied to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or person paying the admission fee the amount herein required to be so added to the sale or admission price and collected from the purchaser, and it shall likewise be unlawful for any person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof.

Section 6. The tax imposed by this act shall constitute a debt due Calhoun County and may be collected as provided by law. The said tax, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said tax is due or who is required to collect said tax. All of the provisions of the revenue laws of this state which apply to enforcement of liens for license taxes due this state shall apply fully to the collection of the tax herein levied, and the state department of revenue, for the use and benefit of Calhoun County shall collect such tax and enforce this act and shall have and exercise for such collection and enforcement all rights and remedies that this state or the department has for collection of the state sales tax. The state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the tax levied by this act, and to otherwise enforce the provisions of this act, including any litigation involving this act; and the department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the tax collected by it for Calhoun County.

Section 7. All provisions of the state sales tax statutes with respect to payment, assessment, and collection of the state sales tax, making of reports and keeping and preserving records with respect thereto, penalties for failure to pay the tax, the promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this act when applied to the tax levied in Section 3 of this act shall apply to the county tax levied under this act. The state commissioner of revenue and the state department of revenue shall have and exercise the same powers, duties and obligations with respect to the county tax levied under this act that are imposed on such commissioner and department, respectively, by the state tax statutes. All provisions of the state sales tax statutes that are made applicable by this act to the county tax levied under this act and to the administration and enforcement of this act are hereby incorporated herein by reference

and made a part hereof as if fully set forth herein.

Section 8 The state department of revenue shall charge Calhoun County for collecting the special county tax levied under this act such amount or percentage of total collections as may be agreed upon by the commissioner of revenue and the Calhoun County Commission, but such charge shall not, in any event, exceed ten per cent of the total amount of the special county tax collected in said county under this act. Such charge for collecting such special tax may be deducted each month from the gross revenues from such special tax before certification of the amount of the proceeds thereof due Calhoun County for that month. The commissioner of revenue shall pay into the state treasury all tax collected under this act, as such tax is received by the department of revenue, and on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collection hereunder) the commissioner shall certify to the state comptroller the amount of tax collected under the provisions of this act and paid by him into the state treasury for the benefit of Calhoun County during the month immediately preceding such certification. Provided, however, that before certifying the amount of the tax paid into the state treasury for the benefit of Calhoun County during each month, the commissioner may deduct from the tax collected in said month the charge due the department for the collection of the tax for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the county treasurer of Calhoun County in his official capacity in an amount equal to the amount so certified by the commissioner of revenue as having been collected for the use of the county. He shall then deliver to the Calhoun County Commission the balance remaining, to be used at the discretion of the county commission.

Section 9. The provisions of Sections 1 through 8 shall become operative only if this act is approved by a majority of the qualified electors residing within the county gross receipts tax area, as hereinabove defined, voting at a referendum election held for such purpose. The election shall be held in the same manner as elections on amendments to the Constitution, to be held on the date of the general or primary election next succeeding the final adjournment of the current session of the legislature. Notice of the election shall be given by the judge of probate of Calhoun County, which notice shall be published once a week for three successive weeks before the election. On the ballots to be used at the election, the proposition to be voted on shall be stated substantially as follows:

"Do you favor the local law levying an additional $\frac{1}{2}\%$ sales tax in your area, the proceeds of which will be used at the discretion of the county commission for public projects? Yes () No ()."

If a majority of the votes cast are in the affirmative, then the substantive provisions of this act shall become effective on the first day of the next month following the election. If a majority of the votes cast are in the negative, this act shall have no further force and effect. The judge of probate shall certify the results of the election to the state commissioner of revenue immediately after the returns have been made.

Section 10. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 11. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 1. The County Commission of Marshall County is authorized, when the need exists, to provide protection of forests from fires, insects, disease and other pests in Marshall County by participating in the Alabama Forestry Commission's forest protection program in the manner hereinafter specified.

Section 2. (a) After the Marshall County Commission has determined that such a need does exist in Marshall County, the County Commission may, in the manner hereinafter specified, provide for a financial charge to be paid by the owners of forest lands located in Marshall County for the use of the land for timber growing purposes amounting to the whole or any part of the cost of such forest protection program, but not in excess of ten cents per acre, provided such financial charge is not greater than the benefit accruing to such forest lands due to availability of such fire protection.

(b) "Forest lands" as used in this Act, shall mean any land which supports a forest growth. "Forest lands" as used in this Act shall not include any lands primarily used for residential purposes nor shall it include any publicly owned lands.

Financial charges levied shall constitute a lien on the property against which they are charged in case of default in the payment of such financial charge.

Section 3. The county governing body of Marshall County is authorized to appoint agents and delegate authority to individuals to search out forest lands in Marshall County, to determine the area and owners thereof, and report the same to the Tax Assessor of Marshall County who shall be authorized, after notice by mail to such owners, and hearing before the county governing body, if so requested by such owners, to place said financial charge against the said forest lands as may be determined by the report of such agents or the determination of said county governing body. It shall be the responsibility of the Tax Assessor of Marshall County to establish such rules and regulations as are necessary to administer the provisions of this Act.

Section 4. The financial charge herein imposed shall be due and payable to the Tax Collector of Marshall County, and shall, when collected, be paid to the Treasurer of Marshall County. All monies collected in accordance with this Act shall be spent in partic-

Section 5. The County Commission of Marshall County is authorized to remove such financial charge after said County Commission has determined that the financial charge is no longer needed. The County Commission shall hold public hearings to determine whether or not the financial charge is still needed. Procedures for such public hearing shall be the same as those in Section 3 of this Act.

Section 6. All laws or parts of laws which conflict with this Act are hereby repealed.

Section 7. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

AN ACT

Relating to Marengo County, providing for the establishment of a consolidated and unified system of assessment and collection of taxes under the supervision of an elective county official designated as county revenue commissioner; prescribing the powers, duties, term of office and compensation of said county revenue commissioner, and providing for his election; abolishing the county offices of tax assessor and tax collector in Marengo County; repealing conflicting laws; providing for a referendum and prescribing the effective date of this act.

Be It Enacted by the Legislature of Alabama:

Section 1. At the expiration of the terms of office, or if a vacancy occurs in either the office of tax assessor or the office of tax collector of Marengo County before such date, then immediately upon the occurrence of such vacancy there shall be the office of county revenue commissioner in Marengo County. If such office is established upon the occurrence of a vacancy in either the office of tax assessor or tax collector, then the tax assessor or tax collector, as the case may be, remaining in office shall be the county revenue commissioner for the remainder of the term for which he was elected tax assessor or tax collector, as the case may be. A revenue commissioner shall be elected at an election called for the purpose and every six years thereafter. He shall serve for a term of office of six years from the first day of the term next succeeding his election and until his successor is similarly elected, qualified and takes office.

Section 2. The county revenue commissioner shall do and perform all acts, duties, and functions required by law to be performed either by the tax assessor or by the tax collector of the county relative to the assessment of property for ad valorem taxation, the collection of such taxes, the keeping of records and the

making of reports concerning assessments for and the collection of taxes.

Section 3. Subject to the approval of the Marengo County Commission, the county revenue commissioner shall appoint and fix the duties and compensation of a sufficient number of deputies, clerks and assistants to perform properly the duties of his office. The acts of deputies shall have the same force and legal effect as if performed by the county revenue commissioner himself.

Section 4. Before entering upon the duties of his office the county revenue commissioner shall take the oath of office prescribed by Article XVI of the Constitution of Alabama, and execute a bond in such sum as may be fixed by the Marengo County Commission, giving as security thereon a bonding company authorized to do business in Alabama. The bond shall be conditioned as other official bonds are conditioned and shall be approved by and filed with the judge of probate. The cost of the bond required herein shall be paid out of the general funds of the county on warrant of the Marengo County Commission.

Section 5. The Marengo County Commission shall provide the necessary offices for the county revenue commissioner in the courthouse, and shall provide all stationery, equipment, and office supplies, not otherwise furnished by law, needed for the efficient performance of the duties of the office.

Section 6. The county revenue commissioner shall collect and pay into the general fund of the county all fees, percentages, commissions and other allowances which the tax assessor and the tax collector are now or hereafter by law authorized or directed to charge or collect for the performance of any duty imposed by law on any such officers and hereby transferred to and imposed on the county revenue commissioner. As compensation for performance of the duties of his office, the Revenue Commissioner will receive a salary of not less than \$30,000.00 and not more than \$48,000.00, payable in twelve equal monthly installments, with the exact amount to be set by resolution of the Marengo County Commission prior to the Revenue Commissioner taking office. If no action is taken by the Marengo County Commission before the Revenue Commissioner takes office at each term, his salary will be \$30,000.00.

Section 7. The offices of tax assessor and tax collector of Marengo County are hereby abolished effective on the first day of the term to which the County Revenue Commissioner is elected, or on such earlier date as is prescribed in Section 1 hereof if vacancy occurs in either the office of tax assessor or tax collector.

Section 8. It is the purpose of this act to conserve revenue

and promote the public convenience in Marengo County by consolidating the offices of tax assessor and tax collector of such county into one county office.

Section 9. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 10. All laws or parts of laws which conflict with this act are repealed.

Section 11. The provisions of this act shall become operative in Marengo County, only if they are first approved by a majority of the qualified electors of said county who vote thereon in a referendum election. Said election may be concurrent with a valid election held pursuant to the provisions of this act, at which time the question shall be submitted substantially as follows:

No.

If a majority of the votes cast at such election are “Yes” votes, then this act shall become effective as provided above. If a majority of the votes cast are “No” votes, this act shall have no further force or effect. The referendum election shall be held and conducted as nearly as may be in the same way as elections on amendments to the Constitution. Notice of the election shall be given by the county commissioners of Marengo County. Such notice shall be published once a week for three successive weeks before the day of the election. The judge of probate shall also certify the result of the election to the Secretary of State immediately after the returns have been certified. Provided, however, that at any constitutional election in the county held simultaneously with the election called for the purposes of this act shall be sufficient for the local election if the constitutional amendment authorizing the establishment of a consolidated and unified system of assessment and collection of taxes and abolishing the offices of tax assessor and tax collector, is favorable in Marengo County.

Section 12. This act shall become effective upon the ratification and adoption of an amendment to the Constitution of Alabama authorizing such an act, provided that a majority of the qualified electors of Marengo County voting in such constitutional amendment election approved the adoption of the amendment. If the vote in Marengo County on such amendment is not favorable thereto, then this act shall have no force or effect.

k. A purchase or withdrawal of parts or materials from stock by any person licensed under this division where such parts or materials are used in repairing or reconditioning the tangible personal property of such licensed person, which tangible personal property is a part of the stock of goods of such licensed person, offered for sale by him and not for use or consumption of such licensed person.

(10) **SALE AT RETAIL or RETAIL SALE.** All sales of tangible personal property except those above defined as wholesale sales. The quantities of goods sold or prices at which sold are immaterial in determining whether or not a sale is at retail. Sales of building materials to contractors, builders or landowners for resale or use in the form of real estate are retail sales in whatever quantity sold. Sales of building materials, fixtures or other equipment to a manufacturer or builder of modular buildings for use in manufacturing, building or equipping a modular building ultimately becoming a part of real estate situated in the state of Alabama are retail sales, and the use, sale or resale of such building shall not be subject to the tax. Sales of tangible personal property or products to manufacturers, quarry op-

erators, mine operators or compounders, which are used or consumed by them in manufacturing, mining, quarrying or compounding and do not become an ingredient or component part of the tangible personal property manufactured or compounded are retail sales. The term "sale at retail" or "retail sale" shall also mean and include the withdrawal, use or consumption of any tangible personal property previously purchased at wholesale by a person engaged in the business of selling at retail tangible personal property from the business or stock for the personal and private use or consumption, without transfer of title, in connection with the business or by the person so withdrawing, using or consuming the same, except property which has been previously withdrawn from the business or stock and so used or consumed and with respect to which property tax has been paid because of such previous withdrawal, use or consumption, and except property which enters into and becomes an ingredient or component part of tangible personal property or products manufactured, fabricated or compounded for sale or for use in the performance of a contract for improvements or additions to real estate situated outside the State of Alabama; and such wholesale purchaser shall report and pay the taxes thereon.

(11) BUSINESS. All activities engaged in, or caused to be engaged in, with the object of gain, profit, benefit or advantage, either direct or indirect, and not excepting subactivities producing marketable commodities used or consumed in the main business activity, each of which subactivities shall be considered business engaged in, taxable in the class in which it falls.

(12) AUTOMOBILE VEHICLE. A power shovel, dragline, crawler, crawler crane, ditcher or any similar machine which is self-propelled, in addition to self-propelled machines which are used primarily as instruments of conveyance.

(b) The use within this state of tangible personal property by the manufacturer thereof, as building materials in the performance of a construction contract, shall, for the purposes of this division, be considered as a retail sale thereof by such manufacturer, who shall also be construed as the ultimate consumer of such materials or property, and who shall be required to report such transaction and pay the sales tax thereon, based upon the reasonable and fair market price thereof at the time and place where same are used or consumed by him or it. Where the contractor is the manufacturer or compounder of ready-mix concrete or asphalt plant mix used in the performance of a contract, whether the ready-mix concrete or asphalt plant mix is manufactured or compounded at the job site or at a fixed or permanent plant location, the tax applies only to the cost of the ingredients that become a component part of the ready-mix concrete or the asphalt plant mix. The provisions of this subsec-

tion shall not apply to any tangible personal property which is specifically exempted from the tax levied in this division.

(c) The sale of lumber by a lumber manufacturer to a trucker for resale is a sale at wholesale as such sales are defined herein where the trucker is either a licensed dealer in lumber or, if a resident of Alabama, has registered with the department of revenue, and has received therefrom a certificate of such registration or, if a nonresident of this state purchasing lumber for resale outside the state of Alabama, has furnished to the lumber manufacturer his name, address and the vehicle license number of the truck in which the lumber is to be transported, which name, address and vehicle license number shall be shown on the sales invoice rendered by the lumber manufacturer. The certificate provided for herein shall be valid for the calendar year of its issuance and may be renewed from year to year on application to the department of revenue on or before January 31 of each succeeding year; provided, that if not renewed the certificate shall become invalid for the purpose of this division on February 1.

(d) The dispensing or transferring of ophthalmic materials, including lenses, frames, eyeglasses, contact lenses and other therapeutic optic devices, to a patient by a licensed ophthalmologist or optometrist, as a part of his or her professional service, shall not, for purposes of this division, be deemed or considered to constitute a sale, subject to the state sales tax. Such licensed ophthalmologist or optometrist shall be considered the ultimate consumer of the ophthalmic materials and shall have no responsibility or duty pursuant to this division for the collection of the state sales tax. The sale of the ophthalmic materials to a licensed ophthalmologist or optometrist by a supplier thereof shall be considered a retail sale subject to the state sale tax, and the supplier shall be responsible for collecting such sales tax from the licensed ophthalmologist or optometrist. In no event shall the providing of professional services in connection with the dispensing or transferring of ophthalmic materials by a licensed ophthalmologist or optometrist be considered a sale subject to the state sales tax. All transfers of ophthalmic materials by opticians shall be considered retail sales subject to the state sales tax. The term supplier shall include but not be limited to optical laboratories, ophthalmic material wholesalers, or anyone selling ophthalmic materials to ophthalmologists and optometrists.

The term "retail sale" or "sale at retail" shall also mean and include the sale of tangible personal property previously purchased at wholesale for the purpose of leasing or renting under a transaction subject to the privilege or license tax levied in article 4 of chapter 12 of this title, regardless of whether such sale is to the person who theretofore leased or rented the said tangible personal property or to some other person.

Be It Enacted by the Legislature of Alabama:

Section 1. This Act shall be known and may be cited as the "Mobile County Bingo Act."

Section 2. As used in this Act the following words shall have the following meanings as ascribed herein, unless the context clearly indicates otherwise:

(a) "Bingo" means that game commonly known as bingo where numbers or symbols on a card are matched with numbers or symbols selected at random.

(b) "Qualified organization" means a bona fide religious, educational, service, senior citizens, fraternal, or veterans' organization which operates without profit to its members and which either has been in existence continuously as such as organization for a period of 12 months or is exempt from taxation by virtue of having been classified as a tax exempt nonprofit organization by the Internal Revenue Service, United States Government.

(c) "Person" means any human being, corporation, association, or other legal entity.

(d) "Permit holder" means a qualified organization which has been issued a permit or license pursuant to this Act.

(e) "Location" means a single building, hall, enclosure, or outdoor area used for the purpose of playing bingo pursuant to a permit or license issued under this Act.

(f) "Bingo session" means a consecutive period of time not to exceed five (5) consecutive hours during which bingo is played in a given day and not to exceed two (2) such days in a given week, except for special permit holders.

(g) "Special permit holder" means one who holds a permit for a special occasion and as provided by Section 5 of this Act.

Section 3. The operation of bingo games for prizes or money by qualified organizations for bona fide charitable, educational or other lawful purposes shall be legal in Mobile County, only in that area commonly referred to as "the Mobile Causeway" subject to the provisions of this Act.

Section 4. (a) No qualified organization shall be permitted to operate a bingo game unless the sheriff first issues a permit to the organization authorizing it to do so. The permit described in this Act is in addition to, and not in lieu of, any other business licenses which may be required by law, and no bingo game shall be operated until such time as all required licenses have been obtained. A permit holder may hold only one permit and that permit is valid for only one location. A permit is not assignable or transferable.

(b) Any qualified organization desiring to obtain a permit to operate bingo games in a calendar year shall make application to the sheriff on forms prescribed by the sheriff and shall pay an annual fee of \$50.00. Renewal application shall also be filed with the sheriff. The sheriff shall refuse to grant a bingo permit to any applicant who fails to fully provide the information required by this subsection. Each applicant for a permit shall evidence its prior existence for at least 12 months and provide the following information:

(1) The name and home address of the applicant and, if the applicant is a corporation, association or other similar legal entity, the names and home addresses of each of the officers of the organization, as well as the names and addresses of the directors, or other persons similarly situated, of the organization.

(2) The names and home addresses of each of the persons who will be operating or promoting the bingo game.

(3) The names and home addresses of any persons, organizations or other legal entities that will act as surety for the applicant.

(4) The location at which the applicant will conduct the bingo games.

(5) A statement showing the convictions, if any, for criminal offenses, other than minor traffic offenses, of each of the persons listed in 1, 2 and 3 above.

(c) Permits may be amended upon resubmission of application, surrender of permit, and payment of \$10.00 fee.

Section 5. (a) A qualified organization which does not hold a permit pursuant to Section 4 may apply for a special permit for conducting a bingo session at a designated location for a special occasion. Such an applicant shall submit to the sheriff a written application prepared in accordance with and on a form prescribed by rule

of the sheriff. The application shall include the information required by subsection (b) of Section 4, except that the applicant shall indicate the day or days on which the applicant will conduct the bingo session for the special occasion. Upon a determination by the sheriff that the applicant is a qualified organization and is not ineligible pursuant to Section 14 and upon the applicant's payment of the required fee under this subsection to the sheriff's department, the sheriff may issue a special permit. The special permit fee shall be \$10.00 per day.

(b) A special permit shall contain the name and address of the permit holder and shall specify the location and the day on which the permit holder may conduct the bingo session.

(c) Up to six (6) special permits for one day each, not to exceed 10 hours, may be issued per qualified organization per year. Such days may be consecutive.

(d) Special permits are not transferable or assignable.

Section 6. (a) Each bingo permit shall contain the name and address of the permit holder, the location at which the permit holder is permitted to conduct bingo, and the day(s) of the week on which the permit holder is permitted to conduct bingo.

(b) The bingo permit holder shall display the permit conspicuously at the location where bingo is being conducted at all times during the conduct of the games.

Section 7. (a) It is the intention of the legislature that only qualified organizations which are properly issued permits or licenses, pursuant to this Act, shall be allowed to operate bingo games. A qualified organization shall not lend its name or allow its identity to be used by any other person in operating or promoting a bingo game in which said other person is substantially financially interested.

(b) All bingo cards shall be clearly marked with the name of the organization using said cards and it shall be unlawful for one qualified organization to use cards owned by another. Provided, however, with the consent of the sponsoring organization, any individual participant may use his personal card; this provision does not exempt such individual from any fees or charges.

(c) It shall be unlawful for two or more qualified organizations to pyramid the valuation of prizes in such a manner as to exceed the limits in cash or gifts of equivalent value as provided in Section 10. The term "equivalent value" shall mean the fair market value of the gift on the date the gift is given as the prize in a bingo game.

(d) Any qualified organization may deduct the reasonable expenses of operating and conducting its bingo games as permitted

herein. Reasonable expenses shall be defined as including customary and usual business overhead expenses.

(e) No person shall pay consulting fees to any person for any services performed in relation to the operation or conduct of a bingo game.

Section 8. All fees collected by the sheriff under this Act shall be paid into the county general fund, and all necessary expenses incurred by the sheriff in the administration and enforcement of this Act shall be financed from the county general fund.

Section 9. The net proceeds of a bingo game shall be devoted to the charitable, educational, and other lawful purposes of the permit holder; provided, however, all reasonable expenses incurred or paid in connection with the holding, operating, or conducting of bingo, including the following bona fide expenses, in reasonable amounts, shall be allowed:

(a) The purchase or rental of equipment necessary for conducting bingo and payment of services reasonably necessary for the repair of equipment.

(b) Payment of cash prizes or the purchase of prizes of merchandise.

(c) Reasonable rental or mortgage payment on the location at which bingo is conducted.

(d) Utilities.

(e) Janitorial services.

(f) The fee required for issuance or reissuance of a permit to conduct bingo.

(g) Other reasonable expenses incurred by the permit holder, not inconsistent with this Act.

Section 10. (a) Bingo may not be conducted with any equipment which is not owned, being purchased, or being rented at a reasonable rate by the permit holder, except as otherwise provided in Section 7(b).

(b) Prizes given by any organization for the playing of bingo games shall not exceed \$3,250.00 in cash or gifts of equivalent value during any bingo session, and shall not exceed \$6,500.00 for any calendar week.

(c) A permit holder may not advertise bingo except to the extent and in the manner authorized by rule of the sheriff. If the sheriff allows a permit holder to advertise bingo, the permit holder shall indicate in the advertisement the purposes for which the net pro-

ceeds will be used by the permit holder.

(d) A permit holder shall display its bingo license conspicuously at the location where the bingo game is conducted.

(e) A permit holder shall conduct bingo games only at the single location specified in the permit holder's application.

(f) A permit holder shall not conduct more than two (2) bingo sessions during any one calendar week and no session shall exceed five (5) hours.

(g) No person under the age of nineteen (19) years shall be permitted to play, unless accompanied by a parent or guardian, any game or games of bingo conducted pursuant to any permit issued under this law. No person under the age of nineteen (19) years shall be permitted to conduct or assist in the conduct of any game of bingo conducted pursuant to any permit issued under this Act.

Section 11. Each permit holder shall maintain the following records pertaining to each bingo session for at least one year from the date of the session:

(a) An itemized list of gross receipts for each session.

(b) An itemized list of all expenses, including the name of each person to whom the expenses are paid and a receipt or invoice for all of said expenses.

Section 12. (a) On or before April 15, after the provisions of this Act have been in effect for one year, and on or before April 15 of each calendar year thereafter, each permit holder shall file with the sheriff a copy of the records required in Section 11 relating to the operation of bingo sessions in the previous calendar year. Said records shall be open to inspection by any law enforcement agency.

(b) The records required to be kept by Section 11 of the permit holder for the preceding one year shall be open to inspection by the sheriff, any law enforcement agency, or their duly authorized representatives during reasonable business hours.

(c) The location at which bingo is being conducted or at which an applicant or permit holder intends to conduct bingo shall be open to inspection during regular business hours by the sheriff or any law enforcement agency.

Section 13. The sheriff, for good cause shown, may revoke any permit issued pursuant to this Act if the permit holder or any officer, director, agent, member or employee of the permit holder violates this Act or rule promulgated hereunder. The revocation by the sheriff shall become effective ten (10) days after proper notice by the sheriff to the permit holder unless within said ten (10) day

period the permit holder makes a written request for a hearing to the county commission or governing body. All existing rules and procedures for meetings and hearings before the county commission shall apply herein unless in direct conflict with any of the provisions hereof. Following a full hearing and the rendering of a written decision by the said county commission, either party may appeal same to the circuit court of this county and request a trial by jury. The rendering of a decision adverse to the permit holder by the county commission shall result in the immediate revocation of the subject permit.

Section 14. (a) A permit holder whose permit is revoked in consequence of a violation of this Act or a rule promulgated under this Act is ineligible to apply for a permit for a period of one (1) year after the revocation.

(b) A person convicted of an offense under Section 16 or any other gambling offense is ineligible to serve as an officer or a permit holder or to participate in conducting bingo for a period of one (1) year after the conviction becomes final. If the person is licensed pursuant to this Act, the person shall forfeit the permit and is ineligible to apply for the issuance or reissuance of the permit for a period of one (1) year thereafter.

(c) If the permit is revoked, in addition to other penalties which may be imposed, the sheriff may declare the violator ineligible to conduct a bingo game or apply for a permit under this Act for a period not exceeding one (1) year.

(d) The permit holder shall return its permit to the sheriff on or before the effective date of a revocation or forfeiture. Whether returned or not, the permit shall not be valid beyond the effective date of the revocation or forfeiture.

Section 15. The circuit court of this county shall have jurisdiction to restrain or enjoin violations of this Act and shall afford trial by jury for all appeals directed to it for alleged violations of this Act leading to revocations of existing permits.

Section 16. Any person who violates the provisions of this Act shall be guilty of a Class C misdemeanor upon first conviction hereunder. Any subsequent conviction hereunder shall be a Class A misdemeanor. Any person who is convicted pursuant to this section shall be punished as provided by law.

Section 17. Any device, equipment, record, money, or stakes used in any bingo game or operation in violation of the provisions of this Act, may be contraband and may be seized and is forfeited. Property forfeited may be sold, destroyed, or retained for official use by the state or county law enforcement agencies as the circuit court

directs, following a full due process hearing.

Section 18. Any other law providing a penalty or disability upon a person who conducts or participates in bingo games, who possesses equipment used in conducting bingo, who permits bingo to be conducted on his premises, or who does other acts in connection with bingo, shall not apply to such conduct when done pursuant to this Act or rules promulgated under this Act.

Section 19. Any non-profit organization which is charitable, educational or otherwise lawful which has publicly operated bingo games on a weekly or monthly basis for three or more years prior to the ratification of a constitutional amendment authorizing bingo within Mobile County shall be exempt from complying with the provisions of this act but shall be considered lawful wherever located and all past actions are hereby ratified and approved.

Section 20. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 21. All laws or parts of laws which conflict with this Act are hereby repealed.

Section 22. This Act shall become effective upon the adoption of an amendment to the Constitution of Alabama of 1901 authorizing bingo within Mobile County; provided, however, that the provisions of this amendment shall not become operative in Mobile County unless approved by a majority of the qualified electors of the county who vote thereon at a referendum election held for such purpose upon call of the county commission. Such election may be called no more frequently than every two years; provided further, that if this amendment is approved by a majority of the qualified electors of Mobile County who vote thereon upon its submission, such election shall constitute a referendum election held for such purpose and no further election need be called.

AN ACT

To establish the children's trust fund in the state treasury for the primary purpose of encouraging the direct provision of services to prevent child abuse and neglect and to provide for the continuous appropriation of moneys in such fund; to authorize and provide for voluntary contributions to such fund by means of an income tax checkoff and to prescribe certain duties for the state revenue department and the state treasurer in connection with such checkoff contributions; to provide for reimbursing the revenue department for the additional cost of collecting and handling such contributions; to provide for terminating the voluntary contributions when the trust fund reaches a certain amount; to regulate the use of the trust fund; to provide that the child abuse and neglect prevention board shall have access to and control over the fund and shall supervise and control the use of the assets of the fund; and to prescribe the effective date of this act.

Be It Enacted by the Legislature of Alabama:

Section 1. (a) The children's trust fund is created as a separate fund in the state treasury. The primary purpose of such fund is to encourage the direct provision of services to prevent child abuse and neglect. In furtherance of this purpose, the fund may be expended: to provide statewide educational and public informational seminars for the purpose of developing appropriate public awareness

regarding the problems of child abuse and neglect; to encourage professional persons and groups to recognize and deal with problems of child abuse and neglect; to make information about the problems of child abuse and neglect available to the public and organizations and agencies which deal with problems of child abuse and neglect; and to encourage the development of community prevention programs. To these ends the fund shall be expended only as provided in this act, the child abuse and neglect prevention act (The act proposed by House Bill No. 57 of the 1983 Regular Session), or other law specifically regulating expenditures therefrom.

(b) The state treasurer shall credit to the trust fund all amounts appropriated for this purpose under this act and any amounts received under Section 8 of the child abuse and neglect prevention act.

(c) The state treasurer shall invest trust fund money in the same manner as surplus funds are invested pursuant to Section 36-17-18, Code of Alabama 1975. Earnings shall be credited to the trust fund.

(d) Until the total amount of assets in the trust fund exceed \$10,000,000, not more than one-half of the money contributed to the trust fund each year, plus the earnings credited to the trust fund during the previous year, shall be available for disbursement upon the authorization of the state child abuse and neglect prevention board as provided in Section 9 of the child abuse and neglect prevention act. After such time that the state treasurer certifies that the assets in the trust fund exceed \$10,000,000, only the earnings credited to the trust fund shall be available for disbursement upon authorization of the state board as provided in Section 9 of the child abuse and neglect act.

Section 2. (a) For the tax year beginning October 1, 1983, and until the state treasurer certifies that the assets in the children's trust fund exceed \$10,000,000, a resident individual taxpayer who files an Alabama income tax return and who is entitled to an income tax refund from the state department of revenue sufficient to make a designation under this act may designate that \$2.00 of his or her refund be credited to the children's trust fund. In the case of a joint return of husband and wife who are entitled to a tax refund sufficient to make a designation under this act, a designation may be made that \$4.00 of their refund be credited to the children's trust fund. Such designation shall be made by marking the appropriate box, printed on the return pursuant to subsection (b) of this section.

(b) The state department of revenue shall print on the face of the state income tax form for residents a space for taxpayers to designate that a contribution be made to the children's trust fund from their income tax refund due. The space for designating the contribu-

tion shall provide for checkoff boxes in the amount of \$2.00 and \$4.00 or other dollar amount, commencing for the tax year 1983 and thereafter.

Section 3. (a) Each year that the refund designation program established in Section 2(a), above, is in effect, the commissioner of the department of revenue shall transfer to the children's trust fund an amount equal to the total amount designated by individuals to be paid to the fund under this act, less an amount, equal to not more than three percent (3%) of the total of such funds then collected, for the additional cost incurred by the department of revenue in collecting and handling such funds which shall be deposited in the general fund of the state treasury for the use of the revenue department. Such deposits shall be made not less than quarterly commencing with the first day such funds are collected from the taxpayer.

(b) Moneys contained in the children's trust fund are continuously appropriated to the child abuse and neglect prevention board for the purposes set out in Section 1(a) of this act. Such funds shall be supplemental to any and all other appropriations heretofore or hereafter made to the child abuse and neglect prevention board. No provision of this act shall be construed to be in lieu of annual appropriations.

(c) The child abuse and neglect prevention board shall have access to and control of the moneys in said fund and shall be authorized to distribute such funds only for the purposes of this act and Section 9 of the child abuse and neglect prevention act (The act proposed by House Bill No. 57 of the 1983 Regular Session of the Alabama Legislature).

Section 4. The provisions of this act are severable. If any part of this act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 5. All laws or parts of laws which conflict with this act are hereby repealed except that no part of this act shall be construed to authorize any board, person, or entity to assume the duties and responsibilities of any other state agencies or to repeal or preempt or take precedence over any part of Act No. 1124, Acts 1975, as amended by Act No. 81-789, Acts 1981, as now codified in Title 26, Chapter 14, Sections 26-14-1 through 26-14-13.

Section 6. This act shall not take effect unless House Bill No. 57 of the Regular Session of the Alabama Legislature of 1983 is enacted into law.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 39-1-1, Code of Alabama 1975, is amended to read as follows:

“§ 39-1-1. Bonds required of persons, firms, etc., contracting with state or political subdivision thereof for repair, construction, etc., of public buildings, works, etc.; commencements, etc., of actions upon bonds by persons, firms, etc., supplying labor, materials, etc., to contractor; giving of notice of completion of project by contractor and final settlement; applicability of provisions of section.

“(a) Any person, firm or corporation entering into a contract with the state or any county or municipal corporation or subdivision thereof in this state for the repair, construction or prosecution of any public buildings or public work, highways or bridges shall be required, before commencing such work, to execute a performance bond, with penalty equal to 100 percent of the amount of the contract price, and, in addition thereto, another bond with good and sufficient surety, payable to the state, county or municipal corporation or subdivision letting the contract, in an amount not less than 50 percent of the contract price, with the obligation that such contractor or contractors shall promptly make payments to all persons supplying him or them with labor, materials or supplies for or in the prosecution of the work provided for in such contract and for the payment of reasonable attorneys’ fees incurred by successful claimants or plaintiffs in civil actions on said bond.

“(b) Any person, firm or corporation that has furnished labor, materials or supplies for or in the prosecution or repair of any public building or public work, highways or bridges and payment for which has not been made shall be authorized to institute a civil action upon said bond in his or their name or names and to have their rights and claims adjudicated in such civil action and judgment entered thereon; provided, that no civil action shall be instituted on said bond until after 45 days’ written notice to the surety thereon of the amount claimed to be due and of the nature of the claim. Such civil action shall be commenced not later than one year from the date of final settlement of said contract. The giving of said notice by registered or certified mail, postage prepaid, addressed to the surety at any of its places of business or offices shall be deemed sufficient under this section. In the event the surety or contractor fails to pay such claim in full within 45 days from the mailing of such notice, then such person or persons shall be entitled to recover of the contractor and surety, in addition to the amount of said claim, a reasonable attorney’s fee, together with interest on such claim from the date of such notice.

“Every person or persons having a right of action on said last described bond as provided in this section shall, upon written application to the authority under the direction of whom such work has been prosecuted, setting out that labor, material, foodstuffs or supplies for such work have been supplied by him or them and that

payment therefor has not been made, be promptly furnished a certified copy of said additional bond and contract. Such claimant shall be authorized to bring civil action on said bond in the county in which the work provided for in said contract is to be performed or in any county where the contractor or his surety does business, for his or their use and benefit against said contractor and his surety or either of them.

The bond last described shall have a provision binding the principal contractor and surety to the mode of service above described and consenting that such service shall be the same as personal service on the contractor or surety.

"Immediately on service being made on the director of the highway department or executive officer of a city, town, board, commission or authority, it shall be the duty of such director or executive officer to immediately mail a copy of such process to the contractor and surety at the address given in the bond.

"(c) This section shall not require the taking of bond to secure contracts of less than \$1,000.00 in amount.

"(d) The contractor shall immediately after the completion of the contract give notice of said completion by an advertisement in some newspaper of general circulation published within the city or county wherein the work has been done for a period of four successive weeks. In no instance shall a final settlement be made upon the contract until the expiration of 30 days after the completion of same. Proof of publication of said notice shall be made by the contractor to the authority by whom the contract was made by affidavit of the publisher and a printed copy of the notice published. If no newspaper is published in the county where the work is done, the notice may be given by posting at the courthouse for 30 days, and proof of same shall be made by the probate judge or sheriff and the contractor."

AN ACT

To amend Sections 4, 7, 10, 11 and 16 of Title 40, Chapter 15, Code of Alabama, 1975, that imposes an estate and inheritance tax by changing due dates under this Chapter from 15 months after the decedent’s death to 9 months after the decedent’s death and by changing the interest rate charged for delinquent payments from six percent per annum to the rate established in Section 40-1-44, code of Alabama, 1975.

Section 1. Section 40-15-4, Code of Alabama, 1975, is hereby amended so as to read as follows:

The tax imposed by this chapter shall be due and payable on or before 9 months after the decedent's death and shall be paid by the personal representative to the department of revenue; provided, that where the department of revenue finds that the payment on the due date of any part of the amount due would impose undue hardship upon the estate, the department of revenue may extend the time for payment of all or any part, not to exceed 10 years from the original due date. In such case the amount or amounts in respect of which the extension is granted shall be paid on or before the dates thus fixed, unless further extended within said limitation as to time. If the time for payment is extended, there shall be collected, in addition to the tax, interest thereon at the legal rate from the original due date of the tax to the date of payment. The department of revenue may, in its discretion, accept such security as it may approve for the deferred payments or may release any part of remainder of the estate from any claim or lien for the payment of the tax.”

Section 2. Section 40-15-7, Code of Alabama, 1975, is hereby amended so as to read as follows:

(b) In assessing the tax upon any real estate or tangible property located within this state belonging to the estate of a nonresident decedent, which shall pass by will, devise or by the laws of intestacy, the department of revenue shall determine the tax due to be such proportion of the federal estate tax as would be leviable upon an estate of similar taxable net value, less that proportion of any exemption to which the estate is entitled, which the actual value of the real estate and tangible personal property located within this state belonging to the estate of the nonresident decedent bears to the actual value of the gross estate of the nonresident decedent wherever situate whether in this state or not.

(c) No tangible personal property located within this state belonging to the estate of a nonresident decedent and taxable under

this chapter shall be transferred or delivered to any person except a legal representative of the estate of said deceased duly appointed whether in this state or in the state of the decedent's domicile by a court having jurisdiction for the purpose.

(d) Such property shall not be transferred or delivered to a foreign legal representative until the tax has been paid, except under such conditions and after giving such security as the department of revenue may agree upon. Any person or corporation which shall transfer or deliver or having control thereof shall permit the transfer or delivery of any such property to any person other than a resident legal representative before such tax has been paid shall be liable for the tax and additional penalty of not more than \$1,000.00 in an action brought by the department of revenue for the use of the state.

(e) Legal representatives shall be liable for such tax upon and to the extent of all such property which shall come into their hands as such, with interest as hereinafter provided.

(f) Every person having in his possession or control any tangible personal property belonging to the estate of a nonresident and taxable under this chapter shall, unless the property is delivered to a resident legal representative within 30 days after the death of the owner, notify the department of revenue and prepare and transmit to him an itemized schedule of the property. If the tax is not paid or a resident legal representative appointed within 9 months after the owner's death, the circuit court of the county of Montgomery shall, upon petition of the department of revenue, appoint a resident legal representative, or a special legal representative as the circumstances of the case may require, to whom the property shall be transferred, whose duty it shall be to collect and pay the tax and to account for the balance of the property according to law under order of the court.

(g) All taxes imposed by this chapter in relation to estates of nonresident decedents shall be due and payable at the time of the death of the decedent; and, if not paid within 9 months thereafter, unless the time for payment shall be extended, interest at the rate of 12 percent per annum shall be charged and collected from the expiration of 9 months after the death of the decedent, and said taxes and interest shall be and remain a lien on the property transferred until the same are paid.

Said taxes and interest shall be a charge against the person receiving such property, and the property transferred shall be subject to a lien to secure its payment. (i) A resident legal representative holding personal property of a deceased nonresident subject to said tax shall deduct the tax therefrom or collect it from the legal representative in the state of the decedent's domicile and shall not deliver such property to him or any other person until he has collected the tax and paid the same to the department of revenue. When the transfer of such personal property is subject to a tax under the provisions of this chapter and the legal representative in the state of domicile neglects or refuses to pay the tax upon demand, or if for any reason the tax is not paid within 9 months after the decedent's death, or within the time extended, the resident legal representative may, upon such notice as the circuit court of the county of Montgomery may direct, be authorized to sell such property or, if the same can be divided, such portion thereof as may be necessary, and shall deduct the tax from the proceeds of such sale and shall account for the balance, if any, in lieu of the property. When a conveyance made by the nonresident decedent in his lifetime is subject to said tax, the resident legal representative shall collect the taxes due on account of such conveyance and may be authorized to sell any property subject to the lien of such tax, as in other cases.

(j) The department of revenue shall determine the amount of all taxes due and payable under the provisions of this chapter in relation to nonresident decedents and shall certify the amount due and payable to the resident legal representative, if any, otherwise, to the person or persons by whom the tax is payable.

(k) The department of revenue, whenever it has knowledge or reason to believe that any person, firm or corporation has in his, its or their possession or control any tangible personal property belonging to the estate of a deceased nonresident upon or in respect to which the tax has not been paid and a schedule of which has not been furnished, as herein provided, or that any such person, firm or corporation has received a transfer or delivery of such property or

made such transfer or delivery, except to a resident legal representative, upon which or in respect to which the tax has not been paid, as herein provided, or that such person, firm or corporation has knowledge of a transfer or delivery of any such personal property, of such nonresident decedent in his lifetime, by deed, grant, bargain, sale or gift, made in contemplation of death, or made or intended to take effect in possession or enjoyment at or after the death of the grantor or donor, or has possession or control of property so transferred, may require such person or any member of such firm or any officer of such corporation to appear at the office of the department of revenue at Montgomery, at such time as the department of revenue may designate, and then and there to produce for the use of the department all books or papers which may be in the possession or control of such person, firm or corporation relating to such property or transfer or delivery and to furnish such other information relating to the same as he may be able and the department may require. Whenever the department of revenue shall require the attendance of any person, as herein provided, it shall issue a notice stating the time and place when such attendance is required and shall transmit the same by certified or registered mail, or cause a copy of the same to be given in hand, to such person at least 14 days before the date when such person is required to appear. If any person receiving such notice shall neglect or fail to attend or to give attendance so long as may be necessary, for the purpose for which the notice was issued, or refuse to furnish such books or papers or give such information, or if a corporation or firm whose officer or member is thus summoned refuses to permit him to produce such books or papers as are called for and are within the control of the corporation or firm, such person, firm or corporation shall be liable to a penalty of \$25.00 for each offense, which may be recovered by the department of revenue for the use of the state. Any person attending in response to summons as herein provided shall thereafter be entitled to the same travel and witness fees as are allowed to witnesses summoned to testify on behalf of the state in other cases. The department of revenue may commence an action for the recovery of any taxes assessable hereunder at any time after the expiration of 9 months from the death of the decedent."

"§ 40-15-10. Appraisement upon failure to make reports.

Upon the failure to make and file with the department of revenue of Alabama the reports herein required of the legal representative of any estate against which a tax is required herein to be paid to the state of Alabama within 9 months from the qualification of the legal representative, such estate may be appraised and assessed for

the estate taxes herein levied by the department of revenue or its authorized representative or agent who shall have full power and authority to require the production of all evidence that will enable it or its agent to determine the value of all property of any such estate subject to be taxed under this chapter."

Such penalty shall be assessed and collected by the department, and the assessment of such penalty may be reviewed only in the manner provided in §40-18-40.

“(b) Any employer required under the provisions of §40-18-71 to withhold taxes on wages and make quarterly returns and payment of amounts withheld to the department who fails to withhold such taxes or to make such returns, or who fails to remit amounts collected to the department, shall be liable for the payment of the amount of taxes which should have been withheld and, in addition, shall be subject to a civil penalty equal to 25 percent of the amount of taxes that should have been properly withheld and paid over to the department for each such failure. Such tax and penalty shall be assessed and collected by the department and the assessment of such tax and penalty may be assessed in the manner provided in §40-18-40.

“(c) (1) In the case of a failure to make and file a declaration of estimated tax within the time prescribed in §40-18-82, unless such failure is shown to the satisfaction of the department to be due to reasonable cause and not to willful neglect, there shall be added to the tax five percent of each installment due but unpaid and one percent of the unpaid amount thereof for each month, except the first or fraction thereof, during which such amount remains unpaid. In no event shall the aggregate addition to the tax under this subdivision with respect to any installment due but unpaid exceed 10 percent of the unpaid portion of such installment. For the purposes of this subdivision, the amount and due date of each installment shall be the same as if a declaration had been filed within the time prescribed showing an estimated tax equal to the correct tax reduced by the credit allowed by §40-18-78.

"(2) Where a declaration of estimated tax has been made and filed within the time prescribed, or where a declaration of estimated tax has been made and filed after the time prescribed and the department has found that failure to make and file such declaration within the time prescribed was due to reasonable cause and not to willful neglect, in the case of a failure to pay an installment of the estimated tax within the time prescribed, unless such failure is shown to the satisfaction of the department to be due to a reasonable cause and not to willful neglect, there shall be added to the tax five percent of the unpaid amount of such installment and, in addition, one percent of such unpaid amount for each month, except the first or fraction thereof, during which such amount remains unpaid. In no event shall the aggregate addition to the tax under this subdivision with respect to any installment due but unpaid exceed 10 percent of the unpaid portion of such installment.

This subsection shall not apply to the taxable year in which falls the death of the taxpayer, nor shall it apply to the taxable year in which the taxpayer makes a timely payment on April 15, June 15 or September 15 of such year, or on January 15 of the year succeeding the taxable year, or in the case of farmers exercising an election under §40-18-82 within the last quarter and making payment in an amount at least as great as though computed on the basis of the facts shown on his return for the preceding taxable year.

"(e) In the case of corporations, if 80 percent of the tax exceeds the estimated tax there shall be added to the tax an amount equal to such excess or equal to 6 percent of the amount by which such tax so determined exceeds the estimated tax so increased, whichever is the lesser. This subsection shall not apply to the taxable year in which the taxpayer makes a timely payment on April 15, June 15, September 15 or December 15 of such year, in an amount at least as great as though computed on the basis of the facts shown on its return for the preceding taxable year.

(f) Any penalty imposed by subsections (a), (b), (c), (d), or (e) of this section shall be assessed, collected and paid in the same manner as if it were a deficiency.

(h) Unless otherwise provided herein, the provisions of this article shall be applicable to all taxpayers for all taxable years beginning on or after January 1, 1956. With respect to all taxable years beginning before January 1, 1956, the provisions of this chapter, as they existed immediately prior to such date, shall remain applicable, the same as though they had not been amended or repealed by this article."

“(4) If the declaration is filed after September 15 of the taxable year, and is not required by subsection (c) of §40-18-82 to be filed on or before September 15 of the taxable year, the estimated tax shall be paid in full at the time of the filing of the declaration.

“(5) If the declaration is filed after the time prescribed in §40-18-82, including cases where extensions of time have been granted, subdivisions (2), (3) and (4) of this subsection shall not apply, and there shall be paid at the time of such filing all installments of estimated tax which would have been payable on or before such time if the declaration had been filed within the time prescribed in subsection (c) of §40-18-82, and the remaining installments shall be paid at the times at which and in the amounts in which they would have been payable if the declaration had been so filed.

“(b) If any amendment of the declaration is filed, the remaining installments, if any, shall be ratably increased or decreased as the case may be, to reflect the respective increase or decrease in the estimated tax by reason of such amendment; and if any amendment is made after October 15 of the taxable year, any increase in the estimated tax by reason thereof shall be paid at the time of making such amendment.

“(c) At the election of the taxpayer, any installment of the estimated tax may be paid prior to the date prescribed for its payment.

The amendments to sections 40-18-80, 40-18-82, and 40-18-83 with respect to the requirements for corporations to file declarations of estimated tax and the payments of such estimated tax shall be effective as follows:

For the tax years beginning January 1, 1984 through December 31, 1984 corporations shall be required to file a declaration of estimated tax and pay an amount equal to one-half of the estimated tax. This one-half payment shall be paid in 4 equal installments as provided in section 40-18-83.

For the tax year beginning January 1, 1985 and all years thereafter, corporations shall be required to file and pay a declaration of estimated tax and pay such tax in accordance with the requirements of §§40-18-82 and 40-18-83.

Section 6. Carry forward of net operating losses. In computing the net income of domestic and foreign corporations subject to income tax as outlined in Section 40-18-35, there shall be allowed; in addition to the deductions specified in sub section (1) - (13) inclusive, thereof; a deduction for the sum of the net operating losses which may be carried forward to the taxable year for which the net income of the corporation is being computed, provided that the de-

duction under this subdivision shall not exceed \$600,000 in any taxable year.

a. The term "net operating loss" for purposes of this section means the excess of the deductions (other than the deduction allowed by this subdivision) allowed by this chapter during a taxable year of the corporation which begins after December 31, 1983 over the corporation's gross income during such taxable year. For purposes of this paragraph, the corporation's gross income and allowable deductions shall be determined under the provisions of this chapter applicable to the year in which the net operating loss arises.

b. A net operating loss shall be carried forward to the earliest subsequent year in which the corporation has net income (determined without taking into account the deduction allowed by this subdivision). The amount of a net operating loss which may be carried to any later taxable year shall be the excess of the net operating loss over the sum of the amounts thereof deductible under this subdivision in all the taxable years preceding this taxable year.

c. If net operating losses arising in more than one year can be carried to a taxable year of the corporation, the net operating loss arising from the earliest of such years shall be deducted first.

d. In the case of a non-resident foreign corporation, the net operating loss deduction allowed by the section shall be limited to sources attributable to Alabama.

e. This deduction shall be limited as follows:

(1) Any loss arising in any year beginning during 1984 may be carried forward five years.

No resident of this state between the ages of 16 and 65 shall take, catch, kill or attempt to take, catch or kill any fish in any waters of his or her county of residence, in which freshwater fish appear, by angling with a hook and line, without first procuring an annual county fishing license and paying therefor the sum of \$1.00. Any resident angling with hook and line in such waters of this state outside his or her county of residence must procure the annual state fishing license. Any resi-

Judges of probate, license commissioners or other persons authorized and designated to issue fishing licenses shall be entitled to a fee of \$.25 for each license so issued, which fee shall be in addition to the amount designated in this section as the cost of such license; provided, that all fees collected by any probate judge or license commissioner who is paid a salary for the performance of his duties shall be paid by him into the county treasury to the credit of the appropriate fund.

(d) All persons under the age of 16 years shall be exempted from the requirement of procuring such licenses. Any resident of this state over 65 years of age shall be exempted from the requirement of procuring a fishing license as provided for in this section, provided that said resident has on his person while fishing, a driver license, or the case of nondrivers, proof of permanent Alabama residence and age.

(e) The licenses required by this section shall not apply to any person or member of his immediate family who fishes in a private pond on lands owned by him, nor shall it include any tenant or member of his immediate family who fishes in a private pond on lands leased or rented by such tenant and who resides on such lands. Nor shall the license required by this section apply to persons fishing with an ordinary hook and line in his county of residence or within one mile of his resident county boundary line; provided, that any person who fishes with ordinary hook and line in his own county of residence shall be required to have on his person, while so fishing,

a reasonable proof of said residency in such county.

(f) The revenue derived from the sale of the license provided for in this section shall be remitted to the department of conservation and natural resources on the first day of each month by the issuing officer and shall be covered into the state treasury to the credit of the game and fish fund and shall be used in the construction, maintenance, development and supervision of public fishing lakes, for the purchase of lands to be used for public landings on public streams and for the development, protection, propagation and distribution of fish and wildlife of this state.

Relating to Bibb County; authorizing the Bibb County Commission to levy a county privilege, license, or excise tax on the sale, distribution, storage, use, or other consumption of tobacco and certain tobacco products in such county; providing for the collection and enforcement of the tax, and appropriating the proceeds therefrom.

The state department of revenue shall have the same duties relative to the preparation and sale of stamps to evidence the payment of such tax that it has relative to the preparation and sale of stamps under those sections and may exercise the same powers and perform the same duties in the same manner relative to the collection of the tax hereby levied that it does relative to the collection of that tax.

Section 4. The state department of revenue is hereby authorized to promulgate and enforce rules and regulations to effectuate the purposes of this act. All such rules and regulations duly promulgated shall have the force and effect of law.

Section 5. HOUSE JOINT RESOLUTION

REQUESTING GOVERNOR GEORGE C. WALLACE TO PE-

TITION THE PRESIDENT TO DECLARE GENEVA AND HOUSTON COUNTIES A FEDERAL DISASTER AREA.

WHEREAS, tomato producers in Geneva and Houston Counties have suffered financial disaster as a result of weather conditions thus far in 1983; and

WHEREAS, excessive rains in February and early March were followed by unseasonably cold weather into the month of April, thereby delaying normal maturation of the crop; and

WHEREAS, problems were further compounded by an additional delay in harvesting the crop, again due to excessive rain, causing tomatoes to ripen in the fields and to fill with water, becoming unfit for shipment; and

WHEREAS, the normal shipping time for Geneva and Houston County tomatoes falls between June 1 and July 10, filling a marketing void between Florida crops and those from California and South Carolina; and

WHEREAS, this year, however, the few tomatoes salvaged by Alabama's producers and those from Florida, California and South Carolina were all shipped at the same time causing a market glut and a resultant depressed price for tomatoes; and

WHEREAS, having invested between \$1500 to \$2000 per acre in their crops, hundreds of Alabama's tomato producers are facing financial ruin; may already have outstanding loans and will need additional financing for fall planting and for next year's crop; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we respectfully urge Governor George C. Wallace to petition the President to declare Geneva and Houston Counties a federal disaster area; we further would request the Governor to intervene on behalf of Alabama's tomato producers and ask for consideration from the Farmers Home Administration and other lending institutions in assisting these growers in every possible way.

BE IT FURTHER RESOLVED, That a copy of this resolution be forwarded to Governor Wallace with copies also sent to all members of Alabama's Congressional Delegation.

AN ACT

To amend further Section 16-13-52, Code of Alabama 1975, relating to the determination of teacher units for the purpose of apportioning the minimum school program fund, so as to allow any teacher units which are lost by a county or an independent city because of decrease in average daily attendance, to be transferred to a kindergarten program until the kindergarten program is adequately funded or a compulsory remedial summer school program; to provide for the state superintendent of education to allocate the units and to provide the basis therefor; and to provide for certain authority of the local school system in the use of such transferred units within the kindergarten program.

Be It Enacted by the Legislature of Alabama:

Section 1. The short title of this act is THE 1983 COMPREHENSIVE KINDERGARTEN ACT.

Section 2. Section 16-13-52, Code of Alabama 1975, is hereby amended to read as follows:

“§ 16-13-52. (a) In determining the number of teacher units to be allowed a county or an independent city for the purpose of apportioning the minimum program fund, one teacher unit shall be allowed for each 28 pupils in average daily attendance, during the first four scholastic months of the preceding school year in all the public schools of the county, including schools in the independent cities therein; provided, that those systems which show an increase in average daily attendance during the first four scholastic months of the current year may be allowed one additional teacher unit for each 28 pupils in such increase in average daily attendance for such current year.

“(b) Any teacher units which are lost as a result of a decrease in average daily attendance, shall be allocated for the funding of a kindergarten program, based on a formula developed by the State Board of Education, until such kindergarten program is properly funded. Properly funded is defined as a time (on a statewide basis) when one teacher unit or (supervised) teacher aide is funded for every twenty (20) kindergarten students. Local school boards shall have the discretion to use such units for (supervised) teacher aides in the kindergarten program in lieu of additional certified teachers; provided, however, that any remaining funds saved by using teacher aides in lieu of certified teachers must be utilized in some aspect of the kindergarten program by said local school boards; and further provided that, subject to the approval of the state superintendent of education, up to twenty-five percent (25%) of the units which would have been lost due to decreased average daily attendance may be used to fund a compulsory remedial summer school program, if and when such program is established by the legislature.

“(c) In the event of natural disaster, epidemic or other occur-

rence that may cause pupil average daily attendance during the first four scholastic months of the school year to be abnormal and below usual and customary levels, the affected school board may petition the state superintendent of education to seek his approval for the use of an alternate four month reporting period during the same scholastic year. The state superintendent of education shall be authorized to approve such petitions after proper examination of the facts and evidence presented."

Section 3. This act shall become effective October 1, 1984.

AN ACT

To amend Sections 5-17-2, 5-17-3, 5-17-10, 5-17-11, 5-17-12, 5-17-15, 5-17-16, and 5-17-22, Code of Alabama 1975, which provide for credit unions, so as to further provide for their organization and incorporation, for credit unions organized in other states, for the duties of boards of directors and officers, for the powers and duties of credit committees, for deposits made in the names of two or more persons, for the disposition of shares of deceased persons, and to provide for conversions of federal

and state credit unions.

Be It Enacted by the Legislature of Alabama:

Section 1. Sections 5-17-2, 5-17-3, 5-17-10, 5-17-11, 5-17-12, 5-17-15, 5-17-16, and 5-17-22, Code of Alabama 1975, are hereby amended to read as follows:

“§ 5-17-2. (a) Any seven residents of the state of Alabama may apply to the supervisor of the bureau of credit unions for permission to organize a credit union.

“(b) A credit union is organized in the following manner: The applicants shall execute in duplicate a certificate of organization by the terms of which they agree to be bound. The certificate shall state: (1) the name and location of the proposed credit union, (2) the names and addresses of the subscribers to the certificate and the number of shares subscribed by each, and (3) the par value of the shares of the credit union. They shall next prepare and adopt bylaws for the general governance of the credit union consistent with the provisions of this chapter and shall execute the same in duplicate. The certificate and bylaws, both executed in duplicate, shall be forwarded to the supervisor of the bureau of credit unions. The supervisor shall, within 30 days of the receipt of said certificate and bylaws, determine whether they conform with the provisions of this chapter and whether or not the organization of the credit union in question would benefit the members of it and be consistent with the purpose of this chapter. Thereupon the supervisor of the bureau of credit unions shall notify the applicants of his decision. If it is favorable, he shall issue a certificate of approval, attached to the duplicate certificate of organization, and return the same, together with the duplicate bylaws, to the applicants. The applicants shall thereupon file the said duplicate of the certificate of organization, with the certificate of approval attached thereto, with the judge of probate of the county within which the credit union is to do business, who shall make a record of said certificate and return it, along with his certificate of record attached thereto, to the supervisor of the bureau of credit unions for permanent record. Thereupon, the applicants shall become and be a credit union, incorporated in accordance with the provisions of this chapter. In order to simplify the organization of credit unions, the supervisor of the bureau of credit unions shall cause to be prepared an approved form of certificate of organization and a form of bylaws, consistent with this chapter, which may be used by credit union incorporators for their guidance, and on written application of any seven residents of the state, shall supply them without charge with a blank certificate of organization and a copy of said form of suggested bylaws.

“§ 5-17-3. It shall be a misdemeanor for any person, associa-

tion, copartnership or corporation, except corporations organized in accordance with the provisions of this chapter, credit unions incorporated under the laws of the United States and the Alabama Credit Union League, to use the words 'credit union' in their name or title. A corporation organized under the provisions of this chapter shall include in its corporate name or title the words 'credit union.' Provided, however, that a credit union organized in another state may conduct business as a credit union in this state with the approval of the supervisor of the bureau of credit unions provided (1) it is organized under laws similar to Alabama credit union laws; (2) it is financially solvent; (3) Alabama credit unions are allowed to do business in the other state under conditions similar to these provisions; (4) it has account insurance comparable to that required for Alabama credit unions; (5) it agrees to submit to the supervisor an annual examination report from its supervising agency; (6) the interest rate on loans made in Alabama does not exceed that allowed by Alabama law; (7) it complies with the same consumer protection provisions that Alabama credit unions must obey; and (8) it designates and maintains an agent for the service of process in Alabama.

"§ 5-17-10. At the annual meeting (the organization meeting shall be the first annual meeting), the credit union shall elect a board of directors of not less than five members, a credit committee of not less than three members and a supervisory committee of three members, all to hold office for such terms respectively as the bylaws provide and until successors qualify. A record of the names and addresses of the members of the board and committees and the officers shall be filed with the supervisor of the bureau of credit unions within 10 days of their election. If, however, the bylaws so provide, the board of directors shall carry out the functions and duties of the credit committee and the credit union shall not elect a credit committee.

"§ 5-17-11. (a) At the first meeting and at subsequent times prescribed in the bylaws, the directors shall elect a president. The president must be either a member of the board of directors or an employee of the credit union who is not a member of the board of directors. If the credit union elects a president who is not a member of the board of directors, the board of directors shall elect from their own number a chairman and one or more vice-chairmen of the board of directors. The board of directors shall have the power, in accordance with the bylaws, to remove any officer who is not a member of the board of directors. At the first meeting and at subsequent annual meetings prescribed in the bylaws, the directors shall elect from their own number, a secretary and treasurer, who may be the same individual.

"(b) The duties of the officers shall be as determined in the

bylaws. It shall be the duty of the directors to have general management of the affairs of the credit union, particularly:

“(1) To act on application for membership.

“(2) To determine interest rates on loans and on deposits; provided that such loans shall be at reasonable rates of interest which shall not exceed one percent per month on unpaid balances.

“(3) To fix the amount of the surety bond which shall be required of all officers and employees handling money.

“(4) To declare dividends, and to transmit to the members recommended amendments to the bylaws.

“(5) To fill vacancies in the board and in the credit committee until successors are chosen and qualify.

“(6) To determine the maximum individual share holdings and the maximum individual loan which can be made with and without security.

“(7) To have charge of investments other than loans to members.

“(8) To establish the par value of the share.

“(9) In the absence of a credit committee, and upon the written request of a member, review a loan application denied by a loan officer.

“§ 5-17-12. The credit committee shall have the general supervision of all loans to members. Applications for loans shall be on a form prepared by the credit committee and all applications shall set forth the purpose for which the loan is desired, the security, if any offered, and such other data as may be required. Within the meaning of this section, an assignment of shares or deposits or the endorsement of a note may be deemed security. At least a majority of the members of the credit committee shall pass on all loans, and approval must be unanimous; except, that the credit committee may appoint one or more loan officers and delegate to him or them the power to approve loans. Each loan officer shall furnish to the credit committee a record of each loan approved or not approved by him within seven days of the date of the filing of the application thereon. Upon written request of a member, the credit committee shall review a loan application denied by a loan officer.

“§ 5-17-15. Shares may be issued and withdrawn and deposits received and paid out in the name of a minor or in trust in such manner as the bylaws may provide. The name of the beneficiary must be disclosed to the credit union. If no other notice of the existence and terms of such trust has been given in writing to the corpo-

ration, such shares or deposits may, upon the death of the trustee, be transferred to or withdrawn by the person who was named by the trustee as the beneficiary or by his legal representative, and such transfer or withdrawal shall release the corporation from liability to any other claimant upon such shares or deposit.

“(a) Any deposit heretofore or hereafter made in any credit union in the names of two or more persons payable to any such persons, upon the death of either of said persons, may be paid by the credit union to the survivors jointly, irrespective of whether or not:

“(1) The form of the deposit or deposit contract contains any provision for survivorship;

“(2) the funds deposited were the property of only one said person;

“(3) there was at the time of making such deposits any intention on the part of the person making such deposit to vest the other with a present interest therein;

“(4) only one of said persons during their joint lives had the right to withdraw such deposits;

“(5) there was any delivery of any passbook, certificate of deposit or other writing by the person making such deposit to the other of such persons; or

“(6) any other circumstances.

“The credit union in which such deposit is made may pay such deposit, or any part thereof or interest thereon, to either of said persons, or if one is dead, to the surviving of them, and such payment shall fully release and discharge the credit union from all liability for any payment so made.

“(b) The provisions of this section shall apply to share accounts, deposit accounts and certificates of deposits and shall also apply to any deposit made in the names of more than two persons where there is an expressed written provision for survivorship in the deposit contract.

“(c) Nothing contained in this section shall be construed to prohibit the person making such deposit from withdrawing or collecting the same during his lifetime; nor shall anything contained in this section prohibit any person or persons making a deposit in the names of more than one person from providing for disposition of such deposit and interest thereon in a manner different from that provided above in this section, provided such different manner of disposition is expressly provided for in writing in the deposit contract.

“§ 5-17-16. Whenever a person shall die leaving a share or deposit account in a credit union not exceeding \$5,000.00, the credit union having the share or deposit account may discharge itself from liability thereafter by paying the funds in the share or deposit account to the widow or surviving husband of the deceased or, if there is no widow or surviving husband, to the persons having the actual custody or control of the minor child or children of the deceased; provided, that such person, if not the legal guardian, shall execute to the probate judge of the county a bond in the penal sum of double the amount of such deposit for the faithful accounting of the money so received, which shall be approved by said probate judge, or, if there is no minor child or children, to the person or persons who under the laws of Alabama are the heirs and inherit the personal property of the deceased. No such payment is to be made before the lapse of 60 days from the date of the death of the deceased, and no such payment must be made by the credit union under this section if letters testamentary or of administration have been issued to a personal representative or a proceeding is pending to probate a will of the deceased, or if a petition of letters of administration on the estate of the deceased is pending in the court in this state which would have jurisdiction of the administration of the estate. The amount or amounts of the share or deposit account, together with the other personal property of the deceased, shall not exceed the amount of exemption allowed by law, and the credit union shall be fully protected and discharged from further liability by paying such funds to the person or persons set forth above if the credit union obtains an affidavit of some reputable citizen as to such facts.

“§ 5-17-22. Merger and Conversion Procedures. Any credit union may, with the approval of the supervisor of the bureau of credit unions, merge with another credit union, under the existing certificate of organization of the other credit union, pursuant to any plan agreed upon by the majority of each board of directors of each credit union joining in the merger. In addition to approval by the supervisor and each board of directors, the membership of the merging credit union must also approve the merger plan in the following manner:

(1) At a meeting called for that purpose (notice of which purpose must be contained in the call) two thirds of those in attendance may vote to approve the merger plan. Notice of the meeting must have been mailed to the last know address of each member of the credit union at least 15 days prior to the date of the meeting.

(2) After agreement by the directors and approval by the members of the merging credit union, the president and secretary of the credit union shall execute a certificate of merger which shall set forth all of the following:

(a) The time and place of the meeting of the board of directors at which the plan was agreed upon;

(b) The vote in favor of the adoption of the plan;

(c) A copy of the resolution or other action by which the plan was agreed upon;

(d) The time and place of the meeting of the members at which the plan agreed upon was approved; and

(e) The vote by which the plan was approved by the members.

(3) Such certificate and a copy of the plan of merger agreed upon shall be forwarded to the supervisor, certified by him and returned to both credit unions within 30 days.

(4) Upon return of the certificate from the supervisor, all property, property rights and members' interest of the deed, endorsement or other instrument of transfer and all debts, obligations and liabilities of the merged credit union shall be deemed to have been assumed by the surviving credit union under whose charter the merger was affected. The rights and privileges of the members of the merged credit union shall remain intact.

(5) A copy of the certificate approved by the supervisor shall be filed with the judge of probate of the county in which each credit union's certificate of organization is recorded.

(6) This section applies to credit unions organized under the laws of the state of Alabama. Federally chartered credit unions may be merged into Alabama organized credit unions, under the same conditions as Alabama credit unions; provided, that the merger plan is approved by the administrator of the national credit union administration.

(7) Credit unions organized under the laws of the state of Alabama may be merged into federally chartered credit unions under the same conditions as provided in this section; provided, that the merger plan is approved by the administrator of the national credit union administration.

(8) A federal credit union may be converted to a credit union chartered under the laws of Alabama and a state credit union may be converted to a Federal credit union by adhering to the requirements for the conversion of a federal credit union to a state credit union as specified by the Federal Credit Union Act, presently 12 U.S.C. § 1771 (a)(1).

Section 2. All laws or parts of laws which conflict with this Act are hereby repealed.

Section 3. The provisions of this Act are severable. If any

part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 4. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 9-16-93(f) is amended to read as follows:

(f) The regulatory authority may request the attorney general

to institute a civil action for relief, including a permanent or temporary injunction, restraining order, or any other appropriate order in the circuit court for the county in which the surface coal mining and reclamation operation is located or in which the permittee thereof has his principal office, whenever such permittee or his agent (1) violates or fails or refuses to comply with any order or decision issued by the regulatory authority under this article, or (2) interferes with, hinders or delays the regulatory authority or his authorized representatives in carrying out the provisions of this article, or (3) refuses to admit such authorized representative to the mine, or (4) refuses to permit inspection of the mine by such authorized representative, or (5) refuses to furnish any information or report requested by the regulatory authority in furtherance of the provisions of this article or (6) refuses to permit access to, and copying of, such records as the regulatory authority determines necessary in carrying out the provisions of this article. Such court shall have jurisdiction to provide such relief as may be appropriate. Temporary restraining orders shall be issued in accordance with Rule 65 of the Alabama Rules of Civil Procedure as amended. Any relief granted by the court to enforce an order under clause (1) of this subsection shall continue in effect until the completion or final termination of all proceedings for review of such order under this article, unless, prior thereto, the circuit court granting such relief sets it aside or modifies it.

Section 2. Section 9-16-94(a) is amended to read as follows:

(a) Any permittee or operator who violates any permit condition or who violates any other provision of this article, may be assessed a civil penalty by the regulatory authority, except that if such violation leads to the issuance of a cessation order under 9-16-93, the civil penalty shall be assessed. Such penalty shall not exceed \$5,000.00 for each violation. Each day of continuing violation may be deemed a separate violation for purposes of penalty assessments. In determining the amount of the penalty, consideration shall be given to the permittee's history of previous violations at the particular surface coal mining operations; the seriousness of the violation, including any irreparable harm to the environment and any hazard to the health or safety of the public; whether the permittee was negligent; and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation.

Section 3. Section 9-16-95(f) is amended to read as follows:

(f) Any person who is injured in his person or property through the violation of any operator of any rule, regulation, order, or permit issued pursuant to this article may bring an action for

damages in the venue available under Alabama law. The court may award reasonable attorney and expert witness fees to the prevailing party. Nothing in this subsection shall affect the rights established by or limits imposed under state workmen's compensation laws.

Section 4. Section 9-16-99(2) is amended to read as follows:

(2) For surface mining operations affecting two acres or less, the regulatory authority may waive certain requirements of this article where those requirements will not affect the reclamation of the affected lands.

Section 5. Section 9-16-75 is amended to read as follows:

In adopting, amending or repealing any rule, including any regulation or standard, the regulatory authority shall observe the following procedure which procedure shall take precedence over the Alabama Administrative Procedure Act.

(1) The regulatory authority shall prepare a notice which describes the subjects for which the regulatory authority is considering promulgating rules and which solicits from all interested parties suggestions and comments in writing. The regulatory authority shall publish the notice in a newspaper of general circulation in the State of Alabama for two consecutive weeks and shall mail the notice to all licensees and to all those persons who have requested written notification of the regulatory authority's rule-making activities.

(2) No sooner than 30 days after publication of the notice pursuant to subdivision (1) of this section, the regulatory authority shall develop its proposed rules and shall prepare a notice which states that rules have been developed, solicits comments in writing, states that the proposed rules are available for inspection and provides an opportunity for public hearing to be held. The notice and a copy of the proposed rules, shall be mailed to all licensees, and all persons who have requested written notification of the regulatory authority's rule-making activities.

(3) At the public hearing held pursuant to subdivision (2) of this section, any interested person may appear and be heard concerning the proposed rules. A full and complete transcript shall be kept of any such hearing, a copy of which may be had by any person upon payment of the cost of the transcript. The regulatory authority shall consider fully all written and oral submissions respecting the proposed rule. Upon adoption, amendment or repeal of a rule the regulatory authority, if requested to do so by an interested person either prior to adoption or within 30 days thereafter, shall issue a concise statement of the principal reason for its action.

(4) The regulatory authority shall publish, or in its discretion

withdraw, its rules and shall file a certified copy thereof with the Legislative Reference Service and at the regulatory authority's principal office. Unless a longer period is prescribed by the regulatory authority, all rules and amendments and repeals thereof shall take effect 30 days after publication. The regulatory authority shall mail a copy of its rules immediately upon publication to all licensees, to all persons who have requested written notification of the regulatory authority's rule-making activities and shall make a copy of the rules available to any other person upon request.

(5) The validity or applicability of a rule, regulatory or standard may be determined in an action for a declaratory judgment, or its enforcement may be stayed by injunctive relief in the appropriate circuit court if the court finds that the rule, or its threatened application, interferes with or impairs; or threatens to interfere with or impair, the legal rights or privileges of the plaintiff. The regulatory authority shall be made a party to the action. In passing on such rules the court shall declare the rule invalid only if it finds that it violates constitutional provisions, exceeds the statutory authority of the regulatory authority or was adopted without substantial compliance with rule-making procedures provided for in this section.

(6) Any person may request written notification of the regulatory authority's rule-making activities by sending such request to the regulatory authority by certified or registered mail. The list of persons requesting written notification of rule-making activities shall be updated to maintain current addresses on an annual basis. Those not responding to the Commission's update inquiry shall be deleted from the list.

(7) Emergency rules. Notwithstanding any other provision of this article to the contrary, if the regulatory authority finds that an immediate danger to the public health, safety, or welfare requires adoption of a rule upon fewer than thirty days notice or that action is required by or to comply with a federal statute or regulation which requires adoption of a rule upon fewer than thirty days notice and states in writing its reasons for that finding, it may proceed without prior notice of hearing or upon any abbreviated notice and hearing that it finds practicable, to adopt an emergency rule. The rule shall become effective immediately, unless otherwise stated therein, upon the filing of the rule and a copy of the written statement of the reasons therefor with the Legislative Reference Service and the secretary of the regulatory authority. The rule may be effective for a period of not longer than one hundred twenty days and shall not be renewable. The regulatory authority shall not adopt the same or a substantially similar emergency rule within one calendar year from its first adoption unless the regulatory authority clearly establishes it could not reasonably be foreseen during the initial one

hundred twenty day period that such emergency would continue or would likely reoccur during the next nine months. The adoption of the same or a substantially similar rule by normal rule-making procedures is not precluded.

Section 6. Section 9-16-79(1)(a) is amended to read as follows:

Procedures for hearings and appeals under this article shall be made as herein provided and in accordance with such general rules and regulations as the regulatory authority may prescribe. These procedures shall take precedence over the Alabama Administrative Procedure Act.

(1) a. A determination by the regulatory authority as specified by law shall be made promptly and shall include a statement as to the action to be taken and reasons therefore. Notice of the determination or decision shall be promptly given to the parties involved by delivery or by mailing such notices to their last known addresses. When the regulatory authority gives a notice of determination, unless an appeal is filed by any person having an interest which may be adversely affected with the chief hearing officer within 30 days of such notice such determination shall be deemed final and not subject to appeal.

Section 7. Section 9-16-87(d) is amended to read as follows:

(d) No operator shall affect more than one-half acre in any one location or remove more than 250 tons of coal pursuant to an exploration permit without the specific written approval of the regulatory authority. The written approval may be conditioned upon specific performance standards, reclamation standards, and a reclamation bond as required by regulations promulgated hereunder.

Section 8. Section 9-16-92(a)(4) is added to read as follows:

(4) In order to carry out the provisions of this article, it shall be lawful for any person or persons who are commission members, employees of the regulatory authority or any law enforcement officer who accompanies an authorized representative of the regulatory authority in the performance of his functions or duties under this article, to enter upon and cross all lands in the state, provided that in so doing no damage is done to private property.

Section 9. Section 9-16-94(e) is amended to read as follows:

(e) Any person who willfully and knowingly violates a condition of a permit issued pursuant to this article or fails or refuses to comply with any order issued under Section 9-16-79 or Section 9-16-93 of this article or any order incorporated in a final decision issued by the regulatory authority under this article, except an order incor-

porated in a decision issued under subsection (b) of this section, shall, upon conviction be punished by a fine of not more than \$10,000.00, or by imprisonment for not more than one year or both. Any person who willfully and knowingly engages in surface coal mining operations without a license and permit as required by this article shall upon conviction be punished by a fine of not more than \$10,000.00 per day for each and every day during which such violation continues, and shall be subject to imprisonment for not more than one year or both. In addition to any criminal penalty issued hereunder any person who affects land in violation of this subsection shall be required to post a bond in accordance with that of Section 9-16-89 and to reclaim the affected land.

Section 10. Section 9-16-89(h)(2) is amended as follows:

(h)(2) When determining the amounts of bond to be released after successful revegetation has been established on the regraded mined lands in accordance with the approved reclamation plan, the regulatory authority shall retain that amount of bond for the revegetated areas which would be sufficient for a third party to cover the cost of reestablishing revegetation and for the period specified for operator responsibility in Section 9-16-90 of reestablishing revegetation. No part of the bond or deposit shall be released under this subdivision so long as the lands to which the release would be applicable are contributing settleable solids to streamflow or runoff outside the permit area in excess of the requirements set by applicable State or Federal law or regulations, or until soil productivity for prime farm lands has returned to equivalent levels of yield as nonmined land of the same soil type in the surrounding area under equivalent management practices as determined from the soil survey performed pursuant to Section 9-16-83(b)(15). Where a silt dam is to be retained as a permanent impoundment pursuant to Section 9-16-90(b)(8), the portion of bond may be released under this subdivision so long as provisions for sound future maintenance by the operator or the landowner have been made with the regulatory authority.

Section 11. Section 9-16-90(b)(10)(b.1.) is amended to read as follows:

b.1. Conducting surface coal mining operations so as to prevent to the extent possible using the best technology currently available, additional contributions of suspended or settleable solids to streamflow, or runoff outside the permit area, but in no event shall contributions be in excess of requirements set by applicable state or Federal law.

Section 12. Section 9-16-105 is amended as follows:

Section 9-16-105. Constitutionality and validity of article.

(a) If Public Law 95-87, or any rule or regulation promulgated thereunder or any part of such Public Law 95-87, is adjudged unconstitutional or invalid for any reason, then such provisions of this article, or such rules or regulations as were adopted in order to comply with the provisions of Public Law 95-87 which correspond to such constitutional or invalid provisions shall become void and be of no further force and effect, and any regulations adopted by the commission implementing such provisions, or corresponding to any federal rules or regulations which are declared unconstitutional or invalid shall become void and be of no further force or effect. In the event Public Law 95-87 or any part thereof or any rule or regulation promulgated thereunder is enjoined, suspended or the enforcement thereof is stayed pending litigation, then the commission shall immediately suspend the enforcement of the corresponding section or sections of this Article, or any rules and regulations promulgated hereunder; such suspension to exist for a period of time co-extensive with the suspension and enforcement of such provisions of Public Law 95-87 or the rules or regulations adopted thereunder. In the event the congress of the United States repeals any provision of Public Law 95-87 then any corresponding provision of this article shall upon such repeal be of no further force and effect; in the event the congress of the United States amends Public Law 95-87 or the Secretary of the Interior amends any regulation adopted thereunder by lessening or in any way making the requirements of such act or regulations less restrictive on the state or on those engaged in the surface mining industry then such amendment shall be deemed to have amended this article in like manner, or, in the case of regulations, such modified regulation shall be adopted by the regulatory authority.

Act No. 83-777

S. 562—Senators Bachus and Proctor

AN ACT

Relating to Shelby County; to create a license-issuing division within the probate judge's office for the issuance of certain licenses; to provide for the selection of personnel for such license-issuing division; to provide certain duties for the division; to provide for an optional procedure for the renewal of motor vehicle licenses in the county by mail; to authorize certain additional fees and cost pursuant to such system of renewal of motor vehicle licenses by mail; such fees shall be set by the county commission from time to time to pay the cost of mailing tags or decals; to prescribe more convenient and efficient procedures for assessing and collecting of certain taxes; the issuance of licenses by the probate judge's office; to transfer certain duties now performed by the tax assessor and tax collector; to provide that the probate judge shall be a member of the Association of Tax Assessors and Tax Collectors; and to provide further for the expense allowance of the probate judge.

Be It Enacted by the Legislature of Alabama:

Section 1. In Shelby County, there is hereby created within the probate judge's office a license division which shall issue all licenses issued through the probate judge's office, except marriage licenses. The county commission shall furnish suitable quarters and

provide the necessary forms, books, stationery, records, equipment and supplies, except such stationery forms and supplies as are furnished pursuant to law by the state department of finance or the state comptroller. The county commission shall also provide such clerks, and other assistants for said probate judge as shall be necessary from time to time for the proper and efficient performance of the duties of his office. The probate judge shall have authority to employ such clerks, and other assistants, and to fix their compensation; however, the number and compensation of such clerks and other assistants shall be subject to the approval of the county commission. The compensation of the clerks and assistants shall be paid monthly out of the general fund of the county in the same manner as other county employees are paid.

Section 2. The probate judge shall perform all duties relating to the assessment and collection of taxes on motor vehicles in the county, which have heretofore been performed by the tax assessor and tax collector. The tax assessor and the tax collector of Shelby County are hereby relieved of all duties and responsibilities relative to the assessment and collection of taxes on such motor vehicles. The probate judge shall receive the commissions and fees now allowed the assessor and collector for performing these functions, and such fees and commissions shall be remitted to the county general fund. Reporting and remitting of such tax shall be made at the same time as other reports and remittances are now made by the probate judge.

Section 3. The probate judge shall keep at all times an accurate record of all licenses received by him from the state comptroller and of the disposition made of them, of all monies received, and of the licenses issued by him. He shall report to the state comptroller at the same time and in the same manner that the judges of probate are required to do under the general law. All unissued licenses and the stubs or duplicates or carbon copies of licenses issued shall be accounted for in the same manner that judges of probate are required to account for by law.

Section 4. Except as hereinafter provided, the probate judge shall be entitled to charge and collect the same fees that are provided for by law. For the performance of duties relative to the recording of the transfer of the ownership of motor vehicles as prescribed in the Code of Alabama 1975, said probate judge shall charge and collect a fee of \$1.00. All such fees shall be the property of the county and shall be paid to the general fund of the county. Refunds for licenses issued by mistake or fact of law shall be made under the conditions and in the manner prescribed by the Code of Alabama 1975.

Section 5. To prevent motor vehicles from escaping taxation and to provide for a more efficient procedure for assessment and collection of taxes due on same, no licenses shall be issued to operate motor vehicles on the public highways of this state, nor shall any transfer be made by the probate judge until the ad valorem tax on such vehicles shall have been paid to the county for the preceding year as evidenced by receipt from the said judge. Every person, firm or corporation driving or owning a motor vehicle who desires to operate a motor vehicle on the public highways of Alabama shall first return such motor vehicle for ad valorem taxation purposes to said probate judge who shall issue a certificate of assessment on a form prescribed by the state department of revenue, shall collect the taxes shown thereon, and shall make a duplicate of the tax receipt and keep same on file in his office. The license tag shall be evidence of the payment of the license and ad valorem tax due as provided under this Act.

Section 6. Before any vehicle can be assessed, the probate judge shall be furnished the tag number presently on the vehicle unless such vehicle is new, in which case said probate judge shall be furnished a bona fide bill of sale from the dealer showing when the vehicle was bought new. In the case of a used car brought into the state from a state which provides that upon sale or transfer of the motor vehicle the tags are either surrendered to an appropriate authority or subsequently reissued by the seller, said probate judge shall be furnished a bona fide certificate of title properly assigned which shows when the car was sold to an individual, firm, corporation or association, living or operating in this state. If such tag number or bill of sale or certificate of title is not furnished, the vehicle will be presumed to have been in the state the entire year for which taxes are being assessed. Those motor vehicles brought into the state during any tax year and new motor vehicles for which licenses have never been issued that have been sold from the stock of a dealer during any tax year, shall be subject to taxation as if they had been held or owned in the state on the first day of October.

Section 7. The probate judge may, at his discretion, mail an application for renewal of licenses to whom such license has been previously issued, such renewal forms required to be returned prior to the expiration date of the license. Such renewal forms may be in post card form and with sufficient information thereon to adequately identify and process such renewal. The signature of the licensee thereon and proper remittance shall constitute sufficient authority for the probate judge to issue such license and return to the licensee by mail. There is hereby established a fee to be entitled "Mail Order Fee" which shall be set from time to time by the county governing body to pay the cost of the mailing procedure

herein provided, and such fee shall be collected by the probate judge at the time of issuance and paid over to the general fund of the county as are other fees and commissions.

Section 8. The probate judge shall be a member of the Association of Tax Assessors and Tax Collectors. Any fees or dues for membership in the association shall be paid for by the county commission.

Section 9. The probate judge is hereby entitled to receive an additional expense allowance in the amount of five hundred dollars (\$500.00) per month. Said expense allowance shall be in addition to any and all other compensation and expenses heretofore provided by law and shall be payable out of the county general fund in the same manner as other expense allowances are paid.

Section 10. All laws or parts of laws which conflict with this Act are hereby repealed.

Section 11. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

AN ACT

Relating to Cullman County, to amend Sections 1 and 12 of Act No. 161, H. 182, 1973 Regular Session (Acts 1973, p. 202), which act levies a county hotel-motel lodging tax, so as to increase said tax, and to provide further for the use of the proceeds of such tax.

Be It Enacted by the Legislature of Alabama:

Section 1. Sections 1 and 12 of Act No. 161, H. 182, 1973 Regular Session (Acts 1973, p. 202), are hereby amended to read as follows:

“Section 1. There is hereby levied in Cullman County, in addition to all other taxes now imposed by law, a privilege or license tax, paralleling, at lower rate, the state tax on the businesses of renting rooms, lodging or accommodations to transients as provided for in Sections 40-26-1 through 40-26-21, Code of Alabama 1975, as heretofore or hereafter amended or supplemented, hereinafter referred to as state lodging tax, in the manner and at the rate hereinafter prescribed.

"Upon every person, firm, or corporation engaging in Cullman County in the business of renting or furnishing any room or rooms, lodging or accommodations to transients in any hotel, motel, inn, tourist camp, tourist cabin, or any other place in which rooms, lodgings, or accommodations are regularly furnished to transients for a consideration, in an amount to be determined by the application of the rate of three percent (3%) of the charge for such room, rooms, lodgings, or accommodations, including the charge for use or rental or personal property and services furnished in such room. Provided, however, there is exempted from the tax levied under the provisions of this Act any rentals or services taxed under the provisions of the state Sales Tax Act under Chapter 23, Title 40, Code of Alabama 1975, as amended or as may hereafter be amended. The tax shall not apply to rooms, lodgings or accommodations supplied for a period of thirty (30) continuous days or more in any place."

"Section 12. The state department of revenue shall charge Cullman County for collecting the county taxes levied such amount or percentage of total collections as may be agreed upon by the commissioner of revenue and the court of county commissioners, board of revenue, or like governing body of the county, but such charge shall not in any event exceed ten percent of the total amount of special county taxes collected hereunder within the county. Such charge for collecting the taxes for the county may be deducted each month from the taxes collected before certifying the amount of proceeds thereof due Cullman County for that month. The state commissioner of revenue shall pay into the state treasury all county taxes collected under this act, as such taxes are received by the department of revenue; and on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collections hereunder), the commissioner shall certify to the state comptroller the amount of taxes collected under the provisions of this act and paid by him into the state treasury for the benefit of Cullman County during the month immediately preceding the making of such certificate. Provided, however, that before certifying the amount of the taxes paid into the state treasury for the benefit of Cullman County during each month, the commissioner may deduct from the taxes collected in said month the charges due the department for the collection of the taxes for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the governing body of Cullman County, in an amount equal to the amount so certified by the state commissioner of revenue as having been collected for the use of the county. The custodian of the general funds of Cullman County shall upon receipt thereof transmit the tax levied herein to the Cullman County Chamber of Commerce and two thirds ($\frac{2}{3}$) of such funds shall be used, in the discretion of the Chamber of Com-

merce, exclusively for the purpose of developing and promoting tourism and conventions, and one third ($\frac{1}{3}$) shall be used exclusively for economic and industrial development purposes in the county."

**REPORT OF THE STATE JUDICIAL COMPENSATION
COMMISSION TO THE 1983 REGULAR SESSION OF
THE ALABAMA LEGISLATURE**

The Judicial Compensation Commission hereby files its report with the 1983 Regular Session of the Alabama Legislature.

The Commission wishes to commend and express its appreciation to the Legislature for increasing the compensation of state judges in the 1982 Regular Session. This increase brought the state salaries of Alabama judges to approximately the average compensation or judicial positions nationwide as of May 31, 1982. We note, however, that on July 1, 1982, increases in judicial compensation became effective in twelve (12) states ranging from four percent (4%) to fifteen percent (15%) and representing an average annual increase of seven percent (7%). Increases in six (6) other states have taken effect since July 1, 1982 and increases in four (4) states became effective in January, 1983. Thus twenty-two (22) states have increased judicial compensation since the 1982 report of this Commission became law on April 28, 1982. The Commission is also cognizant that the salaries of many state officials and state educators still exceed the compensation of judicial officers.

We are also very much aware of the shortfall in expected state revenues during the current fiscal year. Accordingly, we make no recommendation to increase the compensation of state judges in the 1983 Regular Session of the Legislature.

Respectfully submitted and certified to the Secretary of State of Alabama and both houses of the Legislature on this _____ day of _____, 1983.

IN THE SUPREME COURT OF ALABAMA

OCTOBER TERM 1982-83

ORDER

WHEREAS, the Board of Commissioners of the Alabama State Bar has submitted to the Court proposed amendments to Rules 3, 4(c) and 9 of the Rules of Disciplinary Enforcement, and the same having been considered by the Court and it being the Court's opinion that the same should be adopted,

IT IS, THEREFORE, ORDERED as follows:

1. That Rule 3 of the Rules of Disciplinary Enforcement be amended to read as follows:

TYPES OF DISCIPLINE

Discipline shall consist of any of the following:

- (a) Disbarment.
- (b) Suspension for a fixed period of time.

A suspension of three months or less shall not require proof of rehabilitation; a suspension of more than three months shall require proof of rehabilitation to be demonstrated in a reinstatement proceeding. No suspension shall be ordered for a specific period in excess of five years. (See Rule 19.)

(c) Temporary suspension.

On the joint petition of the General Counsel and the Disciplinary Commission, supported by an affidavit demonstrating facts personally known to affiant showing that an attorney appears to be causing great public harm by misappropriating funds to his own use, or otherwise, the Disciplinary Board may issue a restraining order imposing temporary conditions of probation on the attorney, or temporarily suspend the attorney or both. Any order of temporary probation which restricts the attorney from maintaining a trust account, shall, when served on any bank maintaining an account against which the attorney may make withdrawals, serve as the basis for a petition for an injunction to prevent the bank from further payment from the account or accounts on any obligation. Any order of temporary suspension issued under this Rule shall preclude the attorney from accepting any new cases but shall not preclude his continuing to represent existing clients during the first 28 days after issuance of such restraining order; however, any fees tendered to the attorney during the 28 day period shall be deposited in a trust fund from which withdrawals may be made. The attorney may request dissolution or amendment of any restraining order issued by the Disciplinary Board by petition filed with the Board, a copy of which shall be served on the General Counsel. The petition for dissolution shall be set for hearing within 7 days before the Disciplinary Board. The Disciplinary Board shall decide the petition forthwith and with the utmost speed consistent with due process. The Disciplinary Board may modify its order if appropriate and continue such provisions of the order as may be appropriate until final disposition of all disciplinary charges against the attorney. An appeal may be taken from decisions as provided in Rule 8.

(d) Public censure.

(e) Private reprimand.

(f) Private informal admonition.

In all cases involving the imposition of discipline consisting of disbarment, suspension or public censure, or the transfer of an attorney to disability inactive status, notice shall be published in the official Bar publication and in a newspaper of general circulation in each judicial circuit of the State of Alabama in which the disciplined or disabled attorney maintained an office for the practice of law.

The costs of publishing said newspaper notice shall be assessed against the disciplined or disabled attorney.

2. That Rule 4(c) of the Rules of Disciplinary Enforcement be amended to read as follows:

Three members shall constitute a quorum. Each Board shall act only with concurrence of a majority but, in any event, not less than three.

3. That Rule 9 of the Rules of Disciplinary Enforcement be amended to read as follows:

Complaints submitted hereunder or testimony with respect thereto shall be absolutely privileged and no lawsuit predicated thereon may be instituted.

The amendments to these rules shall become effective immediately.

All the justices, concur.

I, Dorothy F. Norwood, as Acting Clerk of the Supreme Court of Alabama, do hereby certify that the foregoing is a full, true and correct copy of the instrument(s) herewith set out as same appears of record in said Court.

THE STATE OF ALABAMA—JUDICIAL DEPARTMENT
IN THE SUPREME COURT OF ALABAMA
OCTOBER TERM 1982-83

ORDER

WHEREAS, the Standing Committee on Alabama Rules of Civil Procedure recommended to the Court that proposed revisions of Rules 50 and 52, Alabama Rules of Civil Procedure, be adopted by the Court; and

WHEREAS, the Court has duly considered the proposed revisions.

IT IS, THEREFORE, ORDERED as follows:

1. Rule 50(b), Alabama Rules of Civil Procedure, is amended by changing the word "move" to "file a motion" so that the same shall read as follows:

(b) *Motion for Judgment Notwithstanding the Verdict.* Whenever a motion for a directed verdict made at the close of all the evidence is denied or for any reason is not granted, the court is deemed to have submitted the action to the jury subject to a later determination of the legal questions raised by the motion. Not later than 30 days after entry of judgment, a party who has moved for a

directed verdict may file a motion to have the verdict and any judgment entered thereon set aside and to have judgment entered in accordance with his motion for a directed verdict; or if a verdict was not returned, such party, within 30 days after the jury has been discharged, may file a motion for judgment in accordance with his motion for a directed verdict. A motion for a new trial may be joined with this motion, or a new trial may be prayed for in the alternative. If a verdict was returned the court may allow the judgment to stand or may reopen the judgment and either order a new trial or direct the entry of judgment as if the requested verdict had been directed. If no verdict was returned the court may direct the entry of judgment as if the requested verdict had been directed or may order a new trial.

2. Rule 50(c)(2), Alabama Rules of Civil Procedure, is amended by changing the word "serve" to "file" so that the same shall read as follows:

(2) The party whose verdict has been set aside on motion for judgment notwithstanding the verdict may file a motion for a new trial pursuant to Rule 59 not later than 30 days after entry of the judgment notwithstanding the verdict.

3. Rule 52(b), Alabama Rules of Civil Procedure, is amended by changing the word "made" in the first sentence to "filed" so that the same shall read as follows:

(b) *Amendment.* Upon motion of a party filed not later than 30 days after judgment or entry of findings and conclusions the court may amend its findings or make additional findings or may amend the judgment accordingly. The motion may be made with a motion for a new trial pursuant to Rule 59. When findings of fact are made in actions tried by the court without a jury, the question of the sufficiency of the evidence to support the findings may thereafter be raised whether or not the party raising the question has made in the court an objection to such findings or has made a motion to amend them or a motion for judgment or a motion for a new trial.

IT IS FURTHER ORDERED that the revisions made in this order shall be effective July 1, 1983.

Torbert, C. J., and Maddox, Faulkner, Jones, Almon, Shores, Embry, Beatty, and Adams, JJ., concur.

I, Dorothy F. Norwood, as Acting Clerk of the Supreme Court of Alabama, do hereby certify that the foregoing is a full, true and correct copy of the instrument(s) herewith set out as same appears of record in said Court.

THE STATE OF ALABAMA—JUDICIAL DEPARTMENT
IN THE SUPREME COURT OF ALABAMA
OCTOBER TERM 1982-83

ORDER

WHEREAS, this Court's advisory committee on rules of procedure applicable to district courts has recommended to the Court that proposed revisions to Rules 7(dc), 12(dc), 14(dc), 18(dc), 41(dc), 42(dc), 54(dc), 55(dc), 60, and 82(dc), Alabama Rules of Civil Procedure, and the committee's comments thereto, be adopted by the Court, and

WHEREAS, the proposed revisions were published in the Southern Reporter, 2d Series, advance sheet, so that all interested persons would have an opportunity to study them and file any comments concerning the proposed revisions with the Clerk of the Court not later than April 28, 1983, and

WHEREAS, no objections or comments concerning the proposed revisions have been filed with the Clerk of the Court,

IT IS, THEREFORE, ORDERED as follows:

1. Rule 7(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 7 applies in the district courts.

Amended eff. July 1, 1983.

District Court Committee Comments (Comments omitted, eff. July 1, 1983.)

2. Rule 12(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 12 applies in the district courts, except that (1) all time periods of thirty days are reduced to fourteen days for all actions other than an action for unlawful detainer, in which action a defendant shall serve his answer within seven days after service of the summons and complaint, and (2) the provi-

sions for the assertion of certain defenses by motion at the option of the pleader in Rule 12 are deleted.

Amended eff. July 1, 1983

District Court Committee Comments (Amended eff. July 1, 1983.)

The assertion of defenses by motion to dismiss, allowed in the circuit court by Rule 12(b), is not available in the district court; this is made clear by Rule 12(dc)(2). Of course, the defenses traditionally asserted under a Rule 12(b) motion can, nonetheless, be made by answer. For example, a defendant in an answer can include the ground that the plaintiff's complaint fails to state a claim upon which relief can be granted. However, a party will not be deemed in default if he has served an appearance in the form of a motion to dismiss. See Rule 55(dc).

The time for response in an action for unlawful detainer is 7 days, as provided in Rule 12(dc), and this time period applies regardless of whether the action is governed by § 6-6-330, et seq., Code 1975, or § 35-9-80, et seq., Code 1975. Any conflicting provisions of these statutes are to be deemed modified by Rule 12(dc)(1).

3. Rule 14(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 14 applies in the district courts to actions which are not on the small claims docket.

Amended eff. July 1, 1983.

District Court Committee Comments (Amended eff. July 1, 1983.)

The initial version of Rule 14(dc) withheld third party practice from district courts on the premise that the application of the concept of pendent venue to third party actions in controversies with no more than \$5,000 at stake would lead to substantial inconvenience or injustice to a third-party defendant as to whom venue would not otherwise have been appropriate in the district court.

The bench and bar soon saw the necessity for third-party practice in circumstances where venue would otherwise be appropriate as to a third-party defendant. The July 1, 1983, revision of Rule 14(dc) and the companion revision of Rule 82(dc) meet the criticism of the earlier version. With the revision of Rule 14(dc) and the companion revision of Rule 82(dc), third-party practice is proper in the district court when venue as to the third-party claim exists independently of venue as to the main action.

4. Rule 18(dc), Alabama Rules of Civil Procedure, is amended

to read:

(dc) District Court Rule. Rule 18 applies in the district courts, except that (1) in Rule 18(a) the provision for joinder of legal or equitable claims is limited to the joinder of claims which come within the jurisdiction of the district courts, (2) Rule 18(b) applies in the district courts only within the limits of the jurisdiction of the district courts, and (3) Rule 18(c) is deleted.

Amended eff. July 1, 1983.

District Court Committee Comments (Amended eff. July 1, 1983.)

The jurisdictional limitations contained in § 4-102 of the Judicial Article Implementation Act (Act 1205, 1975 Ala. Acts; § 12-12-30, Code 1975) must be read in conjunction with the provision for a joinder of claims, legal or equitable, referred to in Rule 18(a). Likewise, the jurisdiction limitation of the district court must be applied to any construction of Rule 18(b). Finally, Rule 18(c) deals with procedure in a jury trial and, in view of the absence of provision for trial by jury in the district court, has no applicability to the district courts.

5. Rule 41(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 41 applies in the district courts, except that the references to Rule 23(e) and Rule 66 at Rule 41(a)(1) are deleted.

Amended eff. July 1, 1983.

District Court Committee Comments (Amended eff. July 1, 1983.)

For commentary as to the unavailability of Rule 23 ("Class Actions") and Rule 66 ("Receivers"), see the District Court Committee Comments applicable to those rules.

6. Rule 42(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 42 applies in the district courts and the provisions for consolidation and separate trials provided therein should be applied liberally in recognition of the unavailability of jury trials in the district courts.

Amended eff. July 1, 1983.

District Court Committee Comments (Amended eff. July 1, 1983.)

The considerations that ordinarily might apply to consolidation

or separate trials under Rule 42 in the circuit courts may not necessarily apply in the district courts, because of the basic differences in the practice in the district courts.

7. Rule 54(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 54 applies in the district courts.

Amended eff. July 1, 1983.

District Court Committee Comments (Comments omitted, eff. July 1, 1983.)

8. Rule 55(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 55 applies in the district courts, except that (1) the reference to a jury in Rule 55(b)(2) is deleted, (2) the time period of thirty days in Rule 55(c) is reduced to fourteen days, (3) the provisions dealing with a suit for divorce or annulment of marriage at Rule 55(e) are deleted, and (4) a party shall not be deemed in default if he has served an appearance in the form of a motion to dismiss.

Amended eff. July 1, 1983.

District Court Committee Comments (Amended eff. July 1, 1983.)

Reference to trial by jury at Rule 55(b)(2) is, of course, inappropriate for district court practice, in view of the absence of provision for jury trials. References to the provisions for suits for divorce or annulment of marriage at Rule 55(e) are inappropriate, because of the unavailability of such relief in the district court.

Motions for relief from default or default judgment within the fourteen days (Rule 55(c) as modified by Rule 55(dc)) should be denied only under the most extraordinary circumstances, in view of the limited time in which a defendant must serve an answer in the district court.

9. Rule 60, Alabama Rules of Civil Procedure, is amended to read:

District Court Committee Comments (Eff. July 1, 1983.)

Motions for relief from judgment should be looked upon favorably in instances where the time for the taking of an appeal has run in the district court, in view of the limited time in which a defendant must serve an answer in the district court.

10. Rule 82(dc), Alabama Rules of Civil Procedure, is amended to read:

(dc) District Court Rule. Rule 82 applies in the district courts, except that 1) it is limited by § 4-107 of the Judicial Article Implementation Act (Act 1205, 1975 Ala. Acts; § 12-12-36, Code 1975) and 2) the reference in (c) to Rule 14 is omitted so that (c) will be unavailable in third-party actions in the district court.

Amended eff. July 1, 1983.

District Court Committee Comments (Effective July 1, 1983.)

The initial version of Rule 14(dc) eliminated third-party practice from district courts on the premise that the concept of pendent venue provided for in Rule 82(c) should not be available in actions limited to a value of \$5,000. The July 1, 1983, revision of Rule 14(dc) to allow third-party practice meets a criticism of the earlier version of that rule, which had withheld the availability of third-party practice in district courts even where venue was otherwise proper as to the third-party defendant. With the July 1, 1983, revision of Rule 14(dc) and the companion revision of Rule 82(dc), third-party practice is proper in the district court when venue as to the third-party claim exists independently of venue as to the main action.

ORDER

WHEREAS, the Board of Commissioners of the Alabama State Bar has submitted to the Court a proposed amendment to Rule 16(b) of the Rules of Disciplinary Enforcement, and the same having been considered by the Court, and it being the Court's opinion that the same should be adopted,

IT IS, THEREFORE, ORDERED that Rule 16(b), Rules of Disciplinary Enforcement, be amended to read as follows:

"(b) *Submission*. The General Counsel shall submit to the Disciplinary Commission any tendered conditional guilty plea, together

with the pending charges and any comments the General Counsel chooses to make. If either the General Counsel or the Disciplinary Commission recommends the tendered plea, but the other does not, then the recommendation, the tendered plea, and the matters and things submitted to the Disciplinary Commission shall be submitted to the Disciplinary Board, along with a statement indicating the objection of the party which has failed to recommend the tendered conditional guilty plea. If neither the General Counsel nor the Disciplinary Commission recommends the tendered conditional plea, then it shall not be submitted to the Disciplinary Board, and the Disciplinary Commission shall enter an order rejecting the conditional plea. If both the General Counsel and the Disciplinary Commission approve the tendered conditional plea, it shall not be submitted to the Disciplinary Board, but the Disciplinary Commission shall enter an order accepting and implementing the conditional plea. The Disciplinary Board shall either approve or reject any conditional plea submitted to it, and shall have no authority to make any modifications in its terms."

NOW, THEREFORE, IT IS HEREBY CONSIDERED AND ORDERED by the Supreme Court of Alabama on this the 7th day of June, 1983, that Temporary Rule 12.3(f)(1), Alabama Rules of Criminal Procedure, be amended by deleting from the first sentence thereof the words "after the pronouncement of sentence" so that Rule 12.3(f)(1) shall read as follows:

"(1) *In General.* No motion for judgment of acquittal under this Temporary Rule 12.3 shall remain pending in the trial court for more than sixty (60) days except as provided in this section. A failure by the trial court to rule on such a motion within the sixty (60) days allowed by this section shall constitute a denial of the motion as of the sixtieth day. Provided, however, that with the express consent of the district attorney and the defendant or his attorney, which consent shall appear in the record, the motion may be carried past the sixtieth day to a date certain; if not ruled upon by the trial court as of the date to which the motion is continued, the motion is deemed denied as of that date, unless it has been continued again as provided in this section. EXHIBIT "A"

TEMPORARY RULE 15. CHARGES: INDICTMENT, INFORMATION, AND COMPLAINT

Temporary Rule 15.1 Definitions.

(a) *Indictment.* An indictment is a written statement charging the defendant or defendants named therein with the commission of an indictable offense, presented to the court by a grand jury, endorsed "A True Bill" and signed by the foreman. The term "indictment" includes "presentment."

(b) *Information.* An information is a written statement charging the defendant or defendants named therein with the commission of an indictable offense, made on oath, signed, and presented to the court by the district attorney without action by the grand jury.

(c) *Complaint.* A complaint is a written statement made upon oath before a judge or other official authorized by law to issue warrants of arrest, setting forth essential facts constituting an offense and alleging that the defendant committed the offense.

COMMENT

Temporary Rule 15.1(a) follows § 15-8-1, Code 1975, which provides in pertinent part: "An 'indictment' is an accusation in writing presented by the grand jury of the county, charging a person with an indictable offense."

Section 12-16-204, Code 1975, requires that after 12 grand jurors have concurred to find an indictment, the indictment must be endorsed "a true bill" and the endorsement signed by the foreman. The signature of the district attorney on an indictment is proper, but not necessary, *Hughes v. State*, 213 Ala. 555, 105 So. 664 (1925).

Professor M. Clinton McGee, *Alabama Criminal Practice* at 93 (University of Alabama Press, 1969), defines an "information" as "an accusation on oath of an official prosecuting officer filed in court, and without action by the grand jury."

The signature of the district attorney on an information is assurance that the proper authorities support the charges, that the district attorney, in his professional judgment, finds the charges warranted by the evidence brought before him, and that the charges are filed in good faith.

The use of an information has been severely restricted in Alabama. Article I, § 8, Ala. Const. 1901, provided that no person could be proceeded against criminally by information for an indictable offense, with certain exceptions. That section was later amended by Amendment 37, which provides:

"No person shall for any indictable offense be proceeded against criminally by information, except in cases arising in the militia and volunteer forces when in actual service, or when assembled under arms as a military organization, or, by leave of the court, for misfeasance, misdemeanor, extortion and oppression in office, otherwise than is provided in the Constitution; provided, that in cases of misdemeanor, the legislature may by law dispense with a grand jury and authorize such prosecutions and proceedings before justices of the peace or such other inferior courts as may be by law established. Provided further that in all felony cases, except those punishable by capital punishment, the legislature may by law dispense with a grand jury and authorize such prosecutions and proceedings in such manner as may be provided by law if the defendant, after having had the advice of counsel of his choice or in the event he is unable to employ counsel, the advice of counsel which must be appointed by the court, makes known in open court to a judge of a court having jurisdiction of the offense that he desires to plead guilty, provided, however, the defendant cannot plead guilty within fifteen days after his arrest."

The requirements in Amendment 37 are codified in §§ 15-15-20 through 15-15-26, Code 1975. Section 15-15-21 also requires that an information be made "under the oath of such district attorney or some witness."

The effect of Amendment 37 and those code sections is generally to limit the use of an information in Alabama to the situation where a defendant, before indictment, pleads guilty to a non-capital felony offense. (There is one other use for an information: impeachment under § 36-11-1, et seq., Code 1975.) It has been held that the defendant in a felony case cannot waive the absence of an indictment, except under the terms of Amendment 37 and § 15-15-20, et seq. *Kennedy v. State*, 39 Ala. App. 676, 107 So. 2d 913 (1958). In support of its holding, the court cited authority from another state to the effect that "the constitutional requisition of indictments generally in all cases of felony is not one conferring a mere personal privilege upon an accused person, but is so imbued with the public concern for due and proper administration of the law that no individual may waive it." 39 Ala. App. at 690, 107 So. 2d at 926.

Temporary Rule 15.2 Nature and Contents of Indictment or Information.

(a) *In General.* The indictment or information shall be a plain, concise statement of the facts in ordinary language sufficiently definite to inform a defendant of common understanding of the offense charged and with that degree of certainty which will enable the court, upon conviction, to pronounce the proper judgment.

(b) *Charging the Offense.* The indictment or information shall state for each separate offense, other than lesser included offenses, the official or customary citation of the statute, rule, regulation, or other provision of law which the defendant is alleged to have violated.

(c) *Notice of Necessarily Included Offenses.* Specification of an offense in an indictment or information shall constitute a charge of that offense and of all lesser offenses necessarily included therein.

(d) *Unnecessary Allegations.* An indictment or information which is in conformity with section (a) and (b) shall be sufficient. The indictment or information need not contain a formal commencement, a formal conclusion, or any other matter not necessary to the statement of facts, nor need it negative any defense or affirmative defense contained in any statute creating or defining the offense charged. Presumptions of law and matters of which judicial notice is taken need not be stated. It is not necessary to state the precise time or date at which or on which the offense is alleged to have been committed, or the place where the offense is alleged to have been committed. Unnecessary allegations may be disregarded as surplusage, and on motion of the defendant shall be stricken by the court if prejudicial or unduly prolix.

(e) *Motion for More Definite Statement.* A motion for more definite statement may be made at any time prior to entry of the defendant's plea, which motion shall be granted for good cause shown. A statement filed in compliance with a motion for more definite statement may be thereafter amended at any time subject to such conditions as justice requires.

COMMENT

This rule is designed to simplify the pleading in criminal matters, much the same as the pleading in civil actions has been simplified, and it eliminates the necessity of formal averments of such things as qualifications of grand jurors.

Section (a) contains language taken from § 15-8-25, Code 1975, which provides:

"An indictment must state the facts constituting the offense in ordinary and concise language, without prolixity or repetition, in such a manner as to enable a person of common understanding to know what is intended and with that degree of certainty which will enable the court, on conviction, to pronounce the proper judgment. In no case are the words 'force of arms' or 'contrary to the form of the statute' necessary."

Section (b) requires that the citation of any applicable statute,

etc., be included. Since adoption of the new criminal code, this should not be an undue burden. It will insure that the defendant and his attorney will know exactly what offense is charged and thus be able to discover and take advantage of any exception, defense, or affirmative defense permitted by law. Section (b) makes it clear that lesser included offenses do not have to be cited.

Section (c) provides that allegation of facts constituting an offense will encompass all lesser offenses necessarily included therein, without the necessity for stating them in the indictment or information. The elements of a lesser included offense are set out in § 13A-1-9(a), Code 1975.

Section (d) is included as a safeguard against the longstanding common law rules of pleading with which Alabama criminal procedure has been burdened. Statements of time and place are specifically made unnecessary by §§ 15-8-30 and 15-8-31, Code 1975, unless time is a material ingredient of the offense. This section supersedes § 15-8-3, Code 1975.

Section (e) provides a necessary safeguard for the defendant, in that for good cause shown he can compel the state to submit additional details of the offense not required to be set out in the body of the indictment. Because of the "good cause" requirement, it is contemplated that motions for more definite statement will not be made or granted routinely.

Temporary Rule 15.2, taken together with Temporary Rule 15.5(a), providing for amendment of charges, and Temporary Rule 16.5(c), tolling the running of statutes of limitations, should work to eliminate most circumstances where the state is precluded from prosecuting a defendant due to a pleading technicality.

See *Ex parte Allred*, 393 So. 2d 1030 (Ala. 1981), and *Hochman v. State*, 265 Ala. 1, 95 So. 2d 500 (1956).

Temporary Rule 15.3 Joinder, Consolidation, and Severance of Offenses.

(a) *Joinder.* Two or more offenses may be joined in an indictment, information, or complaint, if they:

- (i) are of the same or similar character; or
- (ii) are based on the same conduct or are otherwise connected in their commission; or
- (iii) are alleged to have been part of a common scheme or plan.

Offenses shall not be joined in the same count of an indictment or information. Felonies and misdemeanors may be joined in separate counts of the same indictment or information.

(b) *Consolidation.* If a defendant has been charged in separate indictments, informations, or complaints, the court, on its own initiative or on motion of either party, may, not later than seven days prior to trial, order that the charges be tried together if the offenses could have been joined in a single indictment, information, or complaint. Proceedings thereafter shall be the same as if the prosecution initially had been under a single indictment, information, or complaint. However, the court shall not order that the offenses be tried together without first providing the defendant and the prosecutor an opportunity to be heard.

(c) *Trial and Sentencing.* Offenses joined in the same indictment, information, or complaint, or joined for trial by court order pursuant to section (b), shall be jointly tried unless severed as provided in sections (d)-(f). The fact that offenses are jointly tried shall not affect the court's power to sentence the defendant separately for each offense of which he is convicted; nor shall it affect the court's power to provide that sentences shall run concurrently or consecutively, just as if the defendant had been tried separately for each offense.

(d) *Severance Grounds.* If the court finds that by a joinder of offenses in an indictment, information, or complaint, or by consolidation for trial, as provided in this rule, a defendant or the state may be prejudiced to the extent that a fair trial cannot be afforded, the court shall order an election or separate trials of counts or charges or provide whatever other relief justice may require. Without a finding of prejudice, however, the court may, with the agreement of the parties, order an election or separate trials of counts or charges.

(e) *Timing of Severance Motion.* In the circuit court a motion to sever offenses must be made not more than seven (7) days after arraignment; or, if there was no arraignment, then within seven (7) days after the filing of a written plea of not guilty; or, in the event the court has ordered charges to be tried jointly, pursuant to section (b), then within seven (7) days of the court's order; but in any event, subject only to the further provisions of this section (e), such a motion must be made prior to commencement of trial. In other courts such a motion must be made not more than seven (7) days after the filing of the joined charges; or, in the event the court has ordered that charges be tried jointly, pursuant to section (b), then within seven (7) days of the court's order; but in any event, subject only to the further provisions of this section (e), such a motion must be made prior to the commencement of trial. If, after the expiration of these time periods, a ground which was not previously known arises or becomes known, either before or during trial, and that ground could not have been discovered previously through the exercise of

due diligence, then a party may move for a severance of counts, but must do so at the earliest reasonable opportunity. The right to move for severance is waived if a proper motion is not timely made.

(f) *Severance During Trial; Jeopardy.* No severance of offenses may be ordered after trial has commenced unless the defendant consents and a mistrial has been properly declared as to the offenses to be severed, based upon his consent, or unless a mistrial as to the severed offenses has been properly declared on some other ground. Severance of offenses during trial on motion of the defendant or with the defendant's consent shall not bar a subsequent trial of that defendant on the offenses severed.

Temporary Rule 15.4 Joinder, Consolidation, and Severance of Defendants.

(a) *Joinder.* Two or more defendants may be charged in the same indictment, information, or complaint:

(i) if they are alleged to have participated in the same act or transaction; or

(ii) when the several offenses are a part of a common conspiracy, scheme, or plan; or

(iii) when the several offenses are otherwise so closely connected that it would be difficult to separate the proof of one from the proof of the other.

Such defendants may be charged in one or more counts together or separately, and all of the defendants need not be charged in each count.

(b) *Consolidation.* If defendants are charged in separate indictments, informations, or complaints, the court, on its own initiative or on motion of any party, may, no later than seven (7) days prior to trial, order that the defendants be joined for the purposes of trial if the defendants could have been joined in a single indictment, information, or complaint. Proceedings thereafter shall be the same as if the prosecution initially had been under a single indictment, information, or complaint. However, the court shall not order that the defendants be tried together without first providing the defendants and the prosecutor an opportunity to be heard.

(c) *Trial.* Defendants joined in the same indictment, information, or complaint, or joined for trial by court order pursuant to section (b), shall be jointly tried unless severed as provided in sections (d)-(g).

(d) *Severance Grounds.* If the court finds that by a joinder of defendants in an indictment, information, or complaint, or a joinder by order of court, as provided in this rule, a defendant or the state

may be prejudiced to the extent that a fair trial cannot be afforded, the court shall order a severance of defendants or provide whatever other relief justice requires. However, without a finding of prejudice, the court may, with the agreement of all the parties, order a severance of defendants.

(e) *Inspection of Statements.* In ruling on a defendant's motion for a severance, the court may order the prosecutor to deliver or reveal to the court for inspection or consideration by the court and all parties any statements or confessions made by the defendants which the state intends to introduce in evidence at the trial.

(f) *Timing of Severance Motion.* In the circuit court a motion to sever defendants must be made not more than seven (7) days after arraignment; or, if there was no arraignment, then within seven (7) days after the filing of a written plea of not guilty; or, in the event the court has ordered defendants to be tried jointly, pursuant to section (b), then within seven (7) days of the court's order; but in any event, subject only to the further provisions of this section (f), such a motion must be made prior to commencement of trial. In other courts such a motion must be made not more than seven (7) days after the filing of the charge or charges against the joined defendants; or, in the event the court has ordered that defendants be tried jointly, pursuant to section (b), then within seven (7) days of the court's order; but in any event, subject only to the further provisions of this section (f), such a motion must be made prior to the commencement of trial. If, after the expiration of these time periods, a ground which was not previously known arises or becomes known, either before or during trial, and that ground could not have been discovered previously through the exercise of due diligence, then a party may move for a severance of defendants, but must do so at the earliest reasonable opportunity. The right to move for severance is waived if a proper motion is not timely made.

(g) *Severance During Trial; Jeopardy.* No severance of the defendants may be ordered after trial has commenced unless the defendant who is to be severed for separate trial consents and a mistrial has been properly declared as to that defendant, based upon his consent, or unless a mistrial has been properly declared as to that defendant on some other ground. Severance of a defendant during trial upon his motion or with his consent shall not bar a subsequent trial of that defendant.

(h) *Additional Jurors.* If two (2) or more persons are being tried jointly, to the minimum number of names otherwise required for striking there shall be added twelve (12) additional names for each additional defendant; provided, there shall then also be added so many more names as may be necessary to allow all defendants an

equal number of strikes. The district attorney shall strike first, and shall strike one (1) name from the list; then one (1) defendant shall strike one (1) name from the list; then the district attorney shall strike one (1) more name from the list; and then the next defendant shall strike one (1) name from the list. The defendants shall each have a turn in the same order as the filing of the charges against them; or if they were charged in the same instrument, then in the order in which their respective charges appear therein; unless they agree upon a different order. The parties shall continue to strike off names alternately, first the state, then one defendant, in this fashion until only twelve (12) names remain on the list, and the twelve (12) persons thus selected shall be the jury charged with the trial of the defendants.

Temporary Rule 15.5 Amendment of the Charges; Defects in the Charges.

(a) *Amendment of Charge.* A charge may be amended by order of the court with the consent of the defendant in all cases except to change the offense or to charge new offenses not included in the original indictment, information, or complaint.

(b) *Defects in Charges.* No issue concerning a defect in the charges shall be raised other than by a motion filed in accordance with Temporary Rule 16.

(c) *Effect of Defect in Charge.*

(a) A motion to dismiss the indictment may be based upon objections to the venire, the lack of legal qualifications of an individual grand juror, the legal insufficiency of the indictment, or the failure of the indictment to charge an offense.

(2) No charge shall be deemed invalid, nor shall the trial, judgment, or other proceedings thereon be stayed, arrested, or in any manner affected, for any defect or imperfection in the charge which does not tend to prejudice the substantial rights of the defendant upon the merits.

COMMENT

Section 15-8-90, Code 1975, provides:

"An indictment may be amended, with the consent of the defendant entered of record, when the name of the defendant is incorrectly stated or when any person, property or matter therein stated is incorrectly described."

This Code section reflects the common law rule that an indictment cannot be amended, even as to immaterial matters, without the consent of the defendant, and it has been consistently held that to permit amendment without such consent is reversible error. *Gregory v.*

State, 46 Ala. 151 (1871); *Dix v. State*, 8 Ala. App. 338, 62 So. 1007 (1913).

If the defendant refused to consent, or if the amendment was as to a matter of substance and not of form, then the procedure was to seek a new indictment:

"If the defendant will not consent to such amendment of an indictment, the prosecution may be dismissed at any time before the jury retires as to the count in the indictment to which the variance applies, and the court may order another indictment to be preferred at a subsequent time"

Section 15-8-91, Code 1975.

The common law rule, however (except as to amendments to charge a new offense not contemplated in the original indictment), appears to be statutory and not constitutional.

Sections 15.5(b) and (c)(1) make it clear that the proper means of challenging the legality or sufficiency of the indictment is by motion to dismiss under Temporary Rule 16. Temporary Rule 15.5(c) is not intended, however, to eliminate challenges to indictments on jurisdictional grounds. Temporary Rule 15.5(c)(2) provides a requirement that the defect be prejudicial to the defendant before it will be fatal to a conviction.

In cases where the circuit court has original trial jurisdiction over an indictment charging a felony offense, the court does not lose jurisdiction if the indictment is amended to charge only a misdemeanor offense, or if all felony offenses charged therein are dismissed or nol-prossed. See § 12-12-32(a), Code 1975.

EXHIBIT "B"

TEMPORARY RULE 16. PREPARATION FOR TRIAL;
PLEADINGS AND MOTIONS*Temporary Rule 16.1 Pleadings and Motions.*

(a) *Pleadings for the State.* A formal charge shall be by indictment, information, or complaint.

(b) *Pleadings by the Defendant.* The pleas available to the defendant are the pleas of 1) guilty, 2) not guilty, 3) not guilty by reason of mental disease or defect, and 4) not guilty and not guilty by reason of mental disease or defect. Defenses and objections raised before the trial shall be raised only by motion to dismiss or by motion to grant appropriate relief, as provided in this rule. Demurrers, pleas in abatement, motions to quash, and all other pleas are abolished.

COMMENT

This rule is designed to simplify the procedure and avoid the technical distinctions that serve as traps for the unwary. To that extent it parallels the simplification of the Alabama Rules of Civil Procedure.

Under this rule, the form or styling of the motion is not important, and substance shall govern over form.

Temporary Rule 16.2 Objections and Defenses Which Must Be Raised by Motion.

(a) *Objections and Defenses Which Must Be Raised by Pre-trial Motion.* Objections based on defects in the commencement of the proceeding or in the charge, other than lack of subject matter jurisdiction or failure to charge an offense, may be raised only by pre-trial motion made in accordance with Temporary Rule 16.3.

(b) *All Objections and Defenses Included.* The pre-trial motion shall include all such objections and defenses then available to the defendant.

(c) *Waiver.* Failure to present any objection or defense as provided in sections (a) and (b) constitutes a waiver thereof, but the court for good cause shown may grant relief from the waiver.

(d) *Objections Which May Be Raised at Any Time.* The lack of subject matter jurisdiction or the failure of the charge to state an offense may be raised by the court or by motion of the defendant at any time during the pendency of the proceeding. Once such an issue is raised by the court, the procedure thereafter shall be the same as if the defendant had raised the issue by appropriate motion.

(e) *Effect of Motion on Plea.* If a plea has been entered prior to the time a pre-trial motion is made, the plea shall stand and need not be withdrawn before the motion is made or reentered should the motion be ruled upon adversely to the defendant.

COMMENT

Temporary Rule 16.2 requires that certain objections be made and defenses raised by motion before trial. Objections to the venire or to an individual grand juror or to the venue must be raised by such a motion before trial.

The exceptions are lack of subject matter jurisdiction and failure to charge an offense. The rule is different from Rule 12(b)(2), Fed. R. Crim. P., in that it adds the words "subject matter" before the word "jurisdiction." This merely expresses the accepted interpretation of the federal rule, since objections to personal jurisdiction can be waived by failure to timely object. See *Hess v. United States*, 254 F.2d 578 (8th Cir. 1958).

If a defendant wishes to raise the defense of double jeopardy, the denial of a speedy trial, or any similar defense, the defense should be raised by a motion under this section.

Section (e) provides that one does not have to withdraw a plea previously entered before he can take advantage of a defense or objection by motion. Under prior practice a plea of not guilty had to be withdrawn before a plea in abatement or motion to quash could be entered.

Temporary Rule 16.3 Time of Making Motions.

(a) *Pre-trial Motions.* Any motion which must under Temporary Rule 16.2 be made before trial must be made:

(1) In circuit court at or before arraignment or by such later date as may be set by the court; and

(2) In district court or municipal court at the time of or before entering a plea.

(b) *Extension or Limitation of Time.* The court may extend or limit the time of filing such motions for good cause.

COMMENT

If counsel is first appointed at arraignment, then, if necessary, the court should continue the time for filing the plea until counsel has had time to prepare all necessary motions. The provision for time limitations is an attempt to accommodate local rules of practice in the various circuits.

Temporary Rule 16.4 Hearing on Motion.

(a) *Determination of Motions.* A motion raising defenses or objections made before trial pursuant to this rule shall be determined before trial, unless the court for good cause orders that it be deferred for determination at the trial on the merits.

(b) *Jury Trial.* An issue of fact raised by the motion shall be tried by a jury if a jury trial is constitutionally required, unless jury trial of the issue of fact is waived.

(c) *Court Trial.* All other issues of fact raised by the motion shall be determined by the court without a jury in such manner as the court may direct.

COMMENT

Temporary Rule 16.4 requires that the pre-trial motion be determined by the court before trial unless deferred for good cause until the trial. Where the motion raises an issue better determined during the trial, it would be proper to defer the motion. For example, the question of venue may be "[one of] fact so entwined with the merits . . . that a decision should not be made prior to trial but postponed until trial." *United States v. Callahan*, 300 F. Supp. 519 (S.D.N.Y. 1969). In the *Callahan* case the defendants were charged with a conspiracy, and venue was allegedly based on the planning having been done in the county of trial. In order to prove venue, the planning of the crime would have to be shown. This motion was properly deferred until the trial.

On the other hand, the motion may raise only questions of law which would properly be decided by the court. The purpose of this rule is to dispose of defenses which may be determinative of the case, but which do not require a trial on the merits. Such determinations will reduce the expense of trial; thus, trial judges should determine pre-trial motions in advance of trial in all possible instances.

This rule allows the judge to decide all issues of fact raised by the motion which are not constitutionally required to be tried by a jury. Examples of such facts would be the waiver of constitutional rights, legality of searches, the presence of unauthorized persons in the grand jury room, and discrimination in the selection of the grand jurors. See *United States v. Smyth*, 104 F. Supp. 279 (N.D. Cal. 1952); *Shafer v. State*, 214 Tenn. 416, 381 S.W.2d 254 (1964). See also *Pate v. Robinson*, 383 U.S. 375 (1966), requiring a hearing on the question of competence to stand trial when that issue is raised by the evidence presented at trial.

Temporary Rule 16.5 Effect of Determination of Motion.

(a) *Effect of Granting Motion Based on Defective Charge.* If

the court grants a motion based on a defect in the commencement of the proceedings or in the charge, the court shall order the defendant released, or on motion of the district attorney may order that the defendant be held in custody, or that his pre-trial release be continued for a reasonable specified time pending the filing of a new charge.

(b) *Adverse Determination.* If a motion is determined adversely to the defendant, he shall plead if he has not done so previously.

(c) *Statutes of Limitations Tolled.* The running of any applicable statute of limitations shall be tolled by the issuance of the charging instrument until such time as the court grants a motion to dismiss based on a defect in the commencement of the proceedings or in the charge, unless the court in granting the motion finds that the state has not made a good faith effort to proceed properly or that the defendant has been prejudiced by any resulting delay.

COMMENT

If a motion to dismiss is granted due to some defect in the charge or in the institution of the prosecution, section (a) allows the court to insure that the defendant will be available when the new charge is filed.

Section (c) is added to avoid penalizing the state for an inadvertent technical error which has not prejudiced the defendant and it is intended that if a motion to dismiss is granted due to a defect in the charge or in the institution of the prosecution, the time period for which the charging instrument was in effect is also tolled.

Temporary Rule 16.6 Motion for Pre-trial Determination of Admissibility of Evidence.

(a) *Unlawful Search.* A defendant aggrieved by an allegedly unlawful search or seizure may move the court to suppress for use as evidence anything so obtained.

(b) *Admissibility of Evidence.* Upon motion of either party or upon its own motion, the court may order that the question of the admissibility of any specified evidence be submitted for pre-trial determination as if a motion to suppress had been filed by the party opposed to the introduction of the evidence.

(c) *Hearing on Motion.* The judge shall receive evidence on any issue of fact necessary to the determination of the motion.

(d) *Effect of Granting Motion.* If the motion is granted, any suppressed property which was seized shall be restored to its owner or last possessor, unless otherwise subject to lawful detention, and shall not be admissible in evidence at any further stage of the

proceedings.

(e) *Orders In Limine*. The court for good cause shown may order that any party, witness, or attorney refrain from asking certain questions, giving certain answers, or in any manner directly or indirectly referring to or alluding to any otherwise inadmissible fact, matter, or circumstance during the course of trial or in the presence of jurors or the venire.

COMMENT

Ordinarily a motion to suppress may be used only to test the admissibility of evidence alleged to be illegally seized. Section (a) deals with this kind of motion.

The admissibility of evidence such as confessions and line-up identification in prior practice generally could not be determined by the traditional motion to suppress, and these questions were argued at trial out of the presence of the jury. Section (b) provides a method of dealing with such matters before trial. Section (b) allows, but does not require, the court to order a question of admissibility to be submitted for pre-trial determination. In making its determination the court shall proceed as if a motion to suppress the evidence had been filed by the party opposed to the introduction of the evidence.

Section (b) allows a party to ask the court to require the other party to challenge his evidence before trial or else waive the right to have the evidence excluded at trial. Thus, the state can petition the court for an order submitting the question of the admissibility of a line-up identification for pre-trial determination. If the court in its discretion grants the order, and defense counsel fails to challenge the lineup identification, he cannot later make such a challenge at trial.

This rule should result in an increased efficiency in the conduct of criminal trials. It gives the state a means of determining at a pre-trial level the admissibility of evidence.

Section (e) preserves the court's power on motion in limine to prevent parties, witnesses, or attorneys from bringing before the jury by indirection or otherwise any inadmissible fact, matter, or circumstance. Although such motions generally are made before trial, there is no reason why when appropriate they could not as well be made after commencement of the trial.

- (1) 15% for corporations
- (2) 12% if loans unsecured
- (3) 15% for corporations
- (4) 15% for Corporations, where excess of \$2,500

This table summarizezes only the broad, general provisions of state laws setting maximum legal and contract rates of interest, and it does not summarize rates fixed for special types of loans, such as installment loans and loans under the small loan laws.

The parties to a transaction may agree on a specific rate of interest. The maximum rates that may be agreed upon is usually fixed by law. This is the "contract rate."

If a specific rate is not agreed upon, then the maximum rate that may be taken is the "legal rate," fixed by law in all states.

Interest in excess of the rate permitted by law is usurious. All states provide penalties for taking such interest.

Many state statutes provide that the defense of usury is not available to a corporation.

For a more detailed explanation of legal and contract rates of interest and of state and federal usury laws, see **Patron's Digest of Legal Opinions**, Interest and Usury, particularly sections 2:1, 2:2, 21 and 22.
